Washington, Oct. 27.—For the fourth time President Roosevelt has passed a birthday anniversary in the White House. This was his forty-sixth birthday, and hundreds of congratulatory letters and telegrams arrived to remind him of the day. The cabinet room and the President's private office were filled with exquisite floral offerings. The President spent the greater part of the day in his office, and with Secretary Loeb attended to matters of business. At luncheon there were several guests in addition to the members of the President's family, and a considerable number of invitations were sent to intimate friends to attend a sort of an informal birthday dinner tonight.

Testimony of a Minister.

Rev. Jno. S. Cox, of Wake, Ark., writes, "For 12 years I suffered from Yellow Jaundice. I consulted a number of physicians and tried all sorts of medicines, but got no relief. Then I began the use of Electric Bitters and feel that I am now cured of a disease that had me in its grasp for 12 years." If you want a reliable medicine for Liver and Kidney trouble stomach disorder or general debility, get Electric Bitters. It's guaranteed by J. C. Perry. Only 50c.

The Pendleton Sentiment.

There is a sentiment in the Inland Empire against raising \$45,000 in public subscriptions to complete the portage road—the sentiment is not against the completion of the road, but against the contribution of funds under such uncertain authority as is now in charge of that estimable work. The people feel that as the open river commission is only a voluntary organization, without bonded officers, or even a legal form of corporation, that \$40,000 is a large sum to give into its custody, no matter how high the individual standing of those composing the association. It is not business to do this, and that feeling is hindering the work of raising that much-needed fund. Lewiston, with characteristic energy, has solved the problem. The Lewiston Commercial Club will raise Lewiston's share of this fund, and it will be deposited in Lewiston banks until the portage road is completed, and the cars are running, when the fund will then be turned over to the state portage commission to help pay the cost price of the road. This is a suggestion that is worthy of thought in Pendleton. This is a work that should stimulate the best activity in the Inland Empire and the handling of the fund can be left to each locality, so there will be absolute safety and the most rigid business regularity in its collection and disposal.—East Oregonian.

Republicans Meet Tonight.

All officers, members of the executive committee and other Republicans are requested to be present at the police court tonight to finish the details and plans for the grand rally to be held in this city Tuesday evening, November first.

"Very fine people in this world," mused Golden Gate.

"I receive a great welcome at the breakfast table, at banquets, receptions, and wherever I go.

"Everybody says I'm the finest coffee ever produced.

"Ah, it's nice to be famous."

Nothing does with GOLDEN GATE COFFEE but satisfaction. No prices—no coupons—no crockery. 1 and 2 lb. aroma-tight tins. Never sold in bulk.

Do it today.

The time-worn injunction, "Never put off 'till tomorrow what you can do today," is now generally presented in this form: "Do it today!" That is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it TODAY—and let that remedy be Dr. Boschee's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles, 25c; regular size, 75c. At all druggists. At Dr. Stone's drug stores.

Albany Needs More Money.

The city council of Albany will ask that the next legislature amend the charter of that city so as to allow a higher rate of taxation to be levied. The present rate is eight mills, and it is insufficient to meet current expenses, and pay interest on bonds and warrants.

BILLY LIKED TO FLIRT.

A Real Teasing, Tantalizing Goat Was He, Standing on the Car Tracks and Flipping His Tail With Glee.

A "William" goat whose protuberant chin nourished an elegant crop of Uncle Samuel whiskers and whose abbreviated tail flirted derisively with fate, promenaded up and down the car tracks on Jackson avenue, near Ely avenue, the other day, and gave several motor men severe cases of palpitation of the heart, says a New York exchange.

Whenever he would see a trolley car coming his way he would calmly meander over to the track it was coming on, shuffle his whiskers and say "ba-a-h!" real naughty-like. Then he would stand there like a solid piece of statuary or a hen-pecked man waiting to commit suicide.

On came the car and on stood the goat. "Ding, ding, ding," screeched the gong on the car. "Ba-a-h!" said the goat.

Pedestrians on the sidewalks would begin to hold their breath, expecting to see a first-class goat killing, while the motor men, stamping his gong wildly, would grind down the brakes and yell. Just as the car seemed about to butt William into goat-heaven and people were shutting their eyes at the awful sight, his goatship would wiggle his beard coyly and amble out of the way, twiddling that stump of a tail as though it were a good joke.

The goat tried that trick with several cars until storekeepers and small boys got to shying rocks at him, then he marched over to the dumps near the railroad track and blew himself off to a nice, ripe, juicy tomato can.

Action for Money.

A. C. Keene has filed complaint against Nancy J. Eldredge, who, on October 6, 1904, while acting as his agent, collected \$399.48, he claims, from Arthur, Edmund, Adolph and Yda Goffin, and refuses to pay the same to him, and wishes the court to find judgment for that amount and the costs and disbursements of this action. D'Arcy and Bingham are the attorneys for the plaintiff.

Saves Two From Death.

"Our little daughter had an almost fatal attack of whooping cough and bronchitis," writes Mrs. W. K. Haviland, of Armonk, N. Y., "but when all other remedies failed, we saved her life with Dr. King's New Discovery. Our niece who had consumption in an advanced stage, also used this wonderful medicine and today she is perfectly well." Desperate throat and lung diseases yield to Dr. King's New Discovery as to no other medicine on earth. Infallible for Coughs and Colds. 50c and \$1.00 bottles guaranteed by J. C. Perry. Trial bottles free.

Broke Into His Home.

S. Le Quinn, of Cavendish, Vt., was robbed of his customary health by invasion of chronic constipation. When Dr. King's New Life Pills broke into his house, his trouble was arrested and now he is entirely cured. They guaranteed to cure. 25c at J. C. Perry's drug store.
