"The square peg in the round hole" figuratively expresses the use of means unsuited to the desired end. A great many people who have been cured of dyspepsia and other diseases of the stomach and its allied organs of digestion and nutrition by the use of Dr. Pierce's Golden Medical Discovery say: "We tried many medicines with only temporary benefit. It was not until we began the use of 'Golden Medical Discovery' that we found a complete and lasting cure." It is undoubtedly true that Dr. Pierce's Golden Medical Discovery holds the record for the perfect and permanent cure of indigestion and other diseases of the stomach and associated organs of digestion and nutrition. It is not a palliative. It cures the cause of disease and builds up the body with solid healthy flesh, not flabby fat.

"It is with pleasure that I tell you what Dr. Pierce's Golden Medical Discovery and 'Pellets' have done for me," writes Mrs. T. M. Palmer, of Peede, Kaufman Co., Texas. "Two years ago I was taken with stomach and bowel trouble. Everything I ate would put me in distress. I lived two weeks on milk and even that gave me pain. I felt as though I would starve to death. Three doctors attended me—one said I had dyspepsia, two said catarrh of the stomach and bowels. They attended me (one at a time) for one year. I stopped taking their medicine and tried other patent medicines; got no better, and I grew so weak and nervous my heart would flutter. I could not do any kind of work. Now I can do my house work very well; am gaining in flesh and strength, and can eat anything I want."

Accept no substitute for Dr. Pierce's Golden Medical Discovery. Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send 21 one cent stamps for the paper covered book, or 31 stamps for the cloth bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.

SOCIAL EVENTS

Lavender Afternoon. One of the social events of the past week was the 'Lavender Afternoon,' given by Mrs. F. E. Slater and Mrs. E. A. Pierce, at the home of the former on North Capital street. The affair was given in honor of Mrs. J. H. Lunn, of Santa Rosa, Cal., who leaves for her home in a few days.

The Slater home was beautifully decorated with potted plants, ivy and flowers. The color scheme, lavender, was carried out most effectively in the decorations, score cards and refreshments.

A novel guessing game was indulged in during the first part of the afternoon, in which Mrs. Jos. Evans received the first prize. "Hearts" was then played, and Miss Calista Moore captured the first prize, while the consolation was awarded to Mrs. B. O. Schucking.

The afternoon was one of social pleasure, and every detail being so successfully arranged by the hostesses, made it a most pleasant event.

The pleasant home of Mrs. M. J. Brown, at 497 Cottage street, was the scene of a merry gathering last evening. The occasion was the 20th wedding anniversary of Mr. and Mrs. A. L. Brown. About 50 of their friends were present, and a very pleasant evening was spent. The house was simply but beautifully decorated with hearts and flowers, and the game of hearts was indulged in.

Mr. and Mrs. Brown were married at Des Moines, Iowa, in 1884, and came to Salem three years afterward, where they have lived ever since. Mr. and Mrs. Brown have made a large circle of friends. They were the recipients of many beautiful presents, and the hearty congratulations of all present.

Entertained the Sophomores. The sophomore class of the Salem High School were entertained at the home of Miss Murrah Hatch, on Asylum avenue, last evening in a very pleasant manner. The evening was spent in playing games and music was rendered by different members of the class. Dainty refreshments were served, and at a late hour the happy "soph's" departed for their homes, after giving some hearty class yells.

Freshmen Entertain. The Freshmen class of the Salem High School gave a party last evening in the East Salem school hall, which was a decided success. There are nearly 80 members in the class, and they were all present, and passed the time playing numerous games, and making the halls ring with their yells. Refreshments were served, which were much enjoyed, and it was a tired but happy crowd that wended their way home at the close of the frolic.

A Pleasant Time. The members of the Leslie M. E. Church League, and a few of their friends, were entertained at the home of Mrs. Alice Judson last evening, and a pleasant evening was spent. Games and music made the time pass very quickly. A regular halloween supper was served. About 25 were present.

Do it today. The time-worn injunction, "Never put off 'till tomorrow what you can do today," is now generally presented in this form: "Do it today!" That is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it TODAY—and let that remedy be Dr. Boschee's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs, Gorman Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles, 5c; regular size, 75c. At all druggists. At Dr. Stone's drug stores.
