Out of Plumb.

When the wall is out of plumb the building is more or less unsafe, and the higher the wall is carried out of the perpendicular the greater the danger of collapse. It's about so with the health; it is out of plumb when the digestion is impaired, when there is a dull, sluggish feeling, with nervousness, irritability and sleeplessness. Every day that these symptoms are neglected increases the liability to physical collapse.

Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. It purifies the blood and cures nervousness, irritability and sleeplessness by curing the diseases in which they originate.

"For three years I suffered untold agony," writes Mrs. H. K. White, of Stanstead, Quebec. "I would have spells of trembling and being sick at my stomach, pain in right side all the time; then it would work up into my stomach and such distress it is impossible to describe. I wrote to the World's Dispensary Medical Association, stating my case to them, and they very promptly answered and told me what to do. I took eight bottles of Dr. Pierce's Golden Medical Discovery, and five vials of Dr. Pierce's Pleasant Pellets. Thanks to Dr. Pierce and his medicine I am a well woman today. Dr. Pierce's medicines also cured my mother of liver complaint from which she has been a sufferer for fifteen years. We highly recommend these medicines to all suffering people."

The People's Common Sense Medical Adviser, a book containing 1008 pages, is given away. Send 21 one-cent stamps for expense of mailing only, for the book in paper covers, or 31 stamps for the volume bound in cloth. Address Dr. R. V. Pierce, Buffalo, N. Y.

COURT SOBER BUT FULL

The police court was pretty well filled again this morning. Ben Henry, who was beastly drunk, getting 10 days; Jim Turner, who was begging, getting five days; James Bennett, who also wanted the price of a drink, getting five days, and Ed. Lang, who was drunk again, getting five days.

Lang is one of the regular boarders at the expense of the city. While getting over one of his jags, in the city jail, December 14, 1903, he wanted to reform, and signed a pledge, which is now in the hands of Judge Judah, and which was shown him this morning, swearing that he would not take another drink for one year. Since then he has been arrested five times for being drunk, and has been overlooked twice that many times by considerate officers. The only way to defend Lang's veracity, and prove that he had not taken a drink, but at the same time explain the periodical jags, is that he has become a member of that ancient order, "The Funnel Gang."

The Proper Thing.

Hon. J. G. Graham, in a letter from Chicago, to The Journal, heartily endorses the plan to gather an exhibit from Marion county for the Lewis and Clark fair. In closing he says: "I trust the matter will be kept before the citizens of the county, and that an exhibit will go forward to the fair that will be a credit, not only to Marion county, but the state as well. Marion county is all right. Keep up the good work. Wish I was with you to assist in the good work."

Not a Sick Day Since.

"I was taken severely sick with kidney trouble. I tried all sorts of medicines, none of which relieved me. One day I saw an ad of your Electric Bitters and determined to try that. After taking a few doses I felt relieved, and soon thereafter was entirely cured, and have not seen a sick day since. Neighbors of mine have been cured of Rheumatism, Neuralgia, Liver and Kidney troubles and General Debility." This is what B. F. Bass, of Fremont, N. C., writes. Only 50c at J. C. Perry's drug store.

Blybach Plead Guilty.

Earl Blybach, who was taken to Silverton yesterday by Sheriff Culver for stealing a bicycle, pleaded guilty, and was fined \$25 and costs, the whole amounting to \$63.25. Blybach returned to his home at Tillamook last night, and, while in Salem, he expressed his intention of settling down and trying to make something of himself.

Work for "Poison Squad."

Washington, Nov. 1.—The volunteer "poison squad" which Chemist Wiley of the department of agriculture has been using in experiments to determine the effect on the human system of food preservatives, etc., today entered upon their work for the third year. There are 12 men, all employees of the department, who subscribe to strict diet rules. Dr. Wiley says that while the tests made by means of the squad may be concluded at the end of the present term, it is possible they may extend for another year.

Disastrous Wrecks.

Carelessness is responsible for many a railway wreck, and the same causes are making human wrecks of sufferers from Throat and Lung troubles. But since the advent of Dr. King's New Discovery for Consumption, Coughs and Colds, even the worst cases can be cured, and hopeless resignation is no longer necessary. Mrs. Lois Cragg, of Dorchester, Mass., is one of many whose life was saved by Dr. King's New Discovery. This great remedy is guaranteed for all Throat and Lung diseases by J. C. Perry, druggist. Price 50c and \$1. Trial bottles free.
