EYES SPEAK

Volumes, at times, of woman's happiness or misery. The dull, sunken eye, with its dark circles almost surely speaks of womanly ill-health, and its attendant suffering. With the dull eye goes usually the sallow, sunken cheek, the drawn mouth, the shrunken form—the whole glory of woman's beauty marred by the effects of disease.

Dr. Pierce's Favorite Prescription cures the diseases which undermine the health and mar the beauty of women. It establishes regularity, dries weakening drains, heals inflammation and ulceration, and cures female weakness.

Sick women are invited to consult Dr. Pierce by letter first, and so obtain the advice of a specialist upon their disease. All correspondence is strictly private and sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

"With pleasure I send a few lines to let you know that I feel much better than for eight years before taking your medicine," writes Mrs. Pierce Getse, of 82 West Phila. Street, York, Pa. "I will recommend Dr. Pierce's medicine to every person who may inquire as to what it has done for me. I was troubled with female weakness, and began to think I would never be well. If I had continued the treatment prescribed by my doctor I don't know what would have become of me. When your treatment was commenced my weight was not pounds, at present it is 130. Have healthy color and my friends say I look well. My best thanks to you and my best wishes, too, for what you have done for me."

"Favorite Prescription" makes weak women strong, sick women well. Accept no substitute for the medicine which works wonders for weak women.

Dr. Pierce's Pleasant Pellets cleanse the clogged system from accumulated impurities.

Giolitti Expects to Win.

Rome, Nov. 4.—According to the predictions which are being made in political circles here, a substantial majority for the existing cabinet will be returned at the parliamentary election day after tomorrow, which, of course, would be the success of Premier Giolitti. The situation growing out of the preparations for the election, which at one time looked serious, has become calmer, and there is now no expectation of serious trouble. The government has not failed, however, to take precautionary measures and is prepared to immediately repress every provocation to disorder.

A substantial government victory will be greeted with intense satisfaction and also with a feeling of relief by all supporters of the monarchy and of existing institutions. The campaign of the Republicans, Socialists and other radical elements opposed to the ministry has been the fiercest in the political history of the United Kingdom. The radicals have been gaining in strength for several years past. Of late they have become conscious of their power and recently they seized an opportunity to display it in the great strikes in Milan, Genoa and other cities of the kingdom, when they succeeded in paralyzing all industry for the time being.

The supporters of the government declare that the conflicts between the military and the mobs during these recent strikes were seized upon as mere pretexts for spreading and strengthening the flames of discontent which have been sedulously fanned by the Socialists and all radicals for years, and that now the real object of their propaganda is not the mere overthrow of Giolitti and his cabinet, but that a serious movement to overthrow monarchical government, to attack existing Italian institutions, and to turn the country upside down has at last come to a head. It is the terror which this movement has aroused, and the uncertainty of the outcome that has led to the government leaving no stone unturned to insure victory at the elections next Sunday.

Faith and Fact.
Faith is one thing and fact another, it sometimes takes any amount of faith to produce one fact. Years of earnest work and faith have produced one fact about medicine that is deserving of mention here. If people who are troubled with general weakness through overwork, dissipation or exposure can get a remedy that will make rich red blood from the food they eat, their return to health is assured. Good blood is the life of the body as well as the nerves. Weak, sickly, pale people who suffer with indigestion, dyspepsia, sick-headache, loss of strength and ambition, having dizzy spells and always tired, can be cured sound and well with Dr. Gunn's Blood and Nerve Tonic. Sold by druggists for 75c per box, or 3 boxes for \$2. This tonic acts in a common sense way, curing disease by giving strength to resist it. For sale by Dr. S. C. Stone, druggist.

Disastrous Wrecks.
Carelessness is responsible for many a railway wreck, and the same causes are making human wrecks of sufferers from Throat and Lung troubles. But since the advent of Dr. King's New Discovery for Consumption, Coughs and Colds, even the worst cases can be cured, and hopeless resignation is no longer necessary. Mrs. Lois Cragg, of Dorchester, Mass., is one of many whose life was saved by Dr. King's New Discovery. This great remedy is guaranteed for all Throat and Lung diseases by J. C. Perry, druggist. Price 50c and \$1. Trial bottles free.

Ready for Pimlico Meeting.
Baltimore, Nov. 4.—What promises to be one of the greatest meetings in the history of the Maryland Jockey club opens at the old Pimlico track tomorrow. It will continue seven days. Never before has there been such an abundance of high-class horses on hand, and the jockey talent is of the very best. A half dozen good stakes are to be run during the meeting, and steeple-chasing will be an additional feature of interest.

Don't Respect Old Age.
It's shameful when youth fails to show proper respect for old age, but just the contrary in the case of Dr. King's New Life Pills. They cut off maladies no matter how severe and irrespective of old age. Dyspepsia, Jaundice, Fever, Constipation all yield to this perfect Pill. 25c at J. C. Perry's drug store.

Greatest of Efficiency.
See the Jumbo two-horse stump and grub machine, with telescope sweep. Four times the power, twice the weight, and one-half the money asked for any other machine. Something new. Call and see it at Salem branch Mitchell, Lewis & Staver Co. 10-19-tf
