

# KING OF SPAIN VISITS ENGLAND

London, Nov. 12.—A Lisbon dispatch says that King Carlos and Queen Amelie, accompanied by the Portuguese minister of foreign affairs and a numerous suite, left the capital today en route to England, where they are to spend a fortnight as guests of King Edward. The visit of the Portuguese ruler to England at this time possesses no political significance, so far as can be learned. It may be regarded as merely an interchange of those amenities in which European monarchs are wont to indulge in which King Edward has always taken keen delight.

Not infrequently, however, the coming of these royal visitors to the English court is regarded as something of a bugbear by the royal family and the court officials upon whom devolves the task of providing accommodation and

entertainment. But this is not true of King Carlos, who is "hail fellow well met" in every sense of the word and one of the most democratic monarchs of Europe. His tastes are in many respects similar to those of King Edward and because of this fact, as well as for reasons of state, there exists a really cordial friendship between the two.

King Carlos is a first rate shot, can use his fists in the most approved style, is an adept with both the pencil and the brush and is a splendid swimmer and diver. Then, too, his political ideas are distinctively liberal and progressive. He has been generously encouraged in his liberal tendencies by Queen Amelie, who has the reputation of being one of the best-informed women of Europe. She is the daughter of the Comte de Paris, who served on

the staff of General McClellan throughout the greater part of the war between the American States.

### Home Treatment.

We have a medicine for such troubles as are caused by stomach disorders, resulting in dyspepsia, sick headache and general weakness, that will put the organs of digestion in first-class working condition. Eat wholesome food, have it properly digested, and you have taken away the cause of more than half the ills of life. This medicine is called Dr. Gunn's Improved Liver Pills. Sold by all druggists for 25c per box. Only one for a dose. They do not digest the food you eat, but do the very best possible thing, put the stomach in condition so that the food you eat is turned into strong rich blood, driving out and preventing disease. Women write us that they use nothing else for the complexion. They keep the skin clear, preventing pimples and liver spots from appearing on the face, and purify the blood.

For sale by Dr. S. C. Stone, druggist.

### Dispersal of Thomas Stable.

New York, Nov. 12.—Horsemen flocked to the Aqueduct track today to attend the dispersal sale of the stable of race horses belonging to E. H. Thomas. The horses to go on the block include all those that raced for the partnership between Messrs Thomas and Shields, except the five-year-old horse Hermis, and the three-year-old colt Stalwart which Mr. Thomas will keep as his own property for breeding purposes.

The sale terminates the partnership between Mr. Thomas and Alex Shields, but under arrangements made, Trainer Shields will continue to handle the Thomas stable, which the owner intends to strengthen by purchasing desirable horses through the winter and in the spring.

Mrs. Lois Cragg, of Dorchester, Mass., is one of many whose life was saved by Dr. King's New Discovery. This great remedy is guaranteed for all Throat and Lung diseases by J. C. Perry, druggist. ### THE VALUE OF CHARCOAL.

Few People Know How Useful It Is in Preserving Health and Beauty.

Nearly everybody knows that charcoal is the safest and most efficient disinfectant and purifier in nature, but few realize its value when taken into the human system for the same cleansing purpose.

Charcoal is a remedy that the more you take of it the better; it is not a drug at all, but simply absorbs the gases and impurities always present in the stomach and intestines and carries them out of the system.

Charcoal sweetens the breath after smoking, drinking or after eating onions and other odorous vegetables.

Charcoal effectually clears and improves the complexion, it whitens the teeth and further acts as a natural and eminently safe cathartic.

It absorbs the injurious gases which collect in the stomach and bowels; it disinfects the mouth and throat from the poison of catarrh.

All druggists sell charcoal in one form or another, but probably the best charcoal and the most for the money is in Stuart's Charcoal Lozenges; they are composed of the finest powdered Willow charcoal and other harmless antiseptics in tablet form or rather in the form of large, pleasant tasting lozenges, the charcoal being mixed with honey.

The daily use of these lozenges will soon tell in a much improved condition of the general health, better complexion, sweeter breath and purer blood, and the beauty of it is, that no possible harm can result from their continued use, but on the contrary, great benefit.

A Buffalo physician in speaking of the benefits of charcoal, says: "I advise Stuart's Charcoal Lozenges to all patients suffering from gas in stomach and bowels, and to clear the complexion and purify the breath, mouth and throat; I also believe the liver is greatly benefited by the daily use of them; they cost but twenty-five cents a box at drug stores, and although in some sense a patent preparation, yet I believe I get more and better charcoal in Stuart's Charcoal Lozenges than in any of the ordinary charcoal tablets."

## CURED WHEN OTHERS FAILED

1056 Winnemac Avenue.  
CHICAGO, ILL., Oct. 25, 1902.

Wine of Cardui can always be relied upon to cure when everything else fails. It is a certain cure for female diseases in their worst forms. I suffered for years with abortion, intense pains in the womb and ovaries and dreadful headaches unfitted me for my work. Finally I grew so ill that I had to keep to my bed. The pains were so intense at times as to cause spasms and a disagreeable discharge drained my life forces. In my extremity after all else had failed, I tried Wine of Cardui. After using it for two weeks I began to improve so rapidly that I felt encouraged to keep up the treatment, which I did for eighteen weeks, but at the end of that time I was entirely cured. What a relief was mine and how new and beautiful life looked to me when my health was restored. Only those who have passed through such a siege of sickness as I have will understand how much I value Wine of Cardui. It is indeed a boon to sick women.

*Frances Mitchell*  
Secretary, North Chicago Frauen Verein.

Every weak woman needs Wine of Cardui. Wine of Cardui cures disordered and painful menstruation, periodical headaches, falling of the womb and leucorrhoea. It cures extreme cases of these troubles. It strengthens girls approaching womanhood, helps bring children to barren homes, makes pregnancy and childbirth easier, prevents miscarriages and is the best medicine ever made for use during the change of life. Why permit the good women in your home to suffer another day? Every druggist has \$1.00 bottles of Wine of Cardui.
