**WILLAMETTE MEETS
PACIFIC ON GRIDIRON**

At 2 o'clock this afternoon the Willamette and Pacific University football teams lined up to decide the question of their supremacy. Evenly matched in weight, with the field in ideal condition, and genuine football weather, by far the best game so far this season is now in progress.

This is the one big game for Pacific this year, and the one for which she has been saving herself. Her lineup has been greatly strengthened for this game, by the appearance of big Captain Philbrook at his old position of fullback, and Shannon at tackle. These men have been out of the game all season because of injuries received in practice before the season opened.

The Willamette lineup averages about 164 pounds to the man, and is as follows:

Center, Nelson; right guard, Marker; right tackle, Pollard; right end, Hinkle; left guard, James; left tackle, Rader; left end, Patton; quarter, Beach; right half, Capt. Long; left half, Nace; fullback, Lounsberry.

The Pacific lineup is: Center, G. Philbrook; right guard, Mason; right tackle, Dimick; right end, Spagle; left guard, Ward; left tackle, James; left end, Purdin; quarter back, Brown and Sparks; right half, Shannon and Peterson; left half, Neil; fullback, Captain Philbrook.

At the end of the first half the score stood Willamette 22 to 0.

The visitors were unable to withstand the heavy rushes of the home team, although they put up a good defensive game. A large crowd was in attendance.

Faith and Fact.

Faith is one thing and fact another, it sometimes takes any amount of faith to produce one fact. Years of earnest work and faith have produced one fact about medicine that is deserving of mention here. If people who are troubled with general weakness through overwork, dissipation or exposure can get a remedy that will make rich red blood from the food they eat, their return to health is assured. Good blood is the life of the body as well as the nerves. Weak, sickly, pale people who suffer with indigestion, dyspepsia, sick-headache, loss of strength and ambition, having dizzy spells and always tired, can be cured sound and well with Dr. Gunn's Blood and Nerve Tonic. Sold by druggists for 75c per box, or 3 boxes for \$2. This tonic acts in a common sense way, curing disease by giving strength to resist it. For sale by Dr. S. C. Stone, druggist.

Life Preservers Condemned.

San Francisco, Nov. 18.—The steamship Geo. W. Elder was inspected yesterday by Rear-Admiral Kempf and Captains Guthrie and Dolan, assistant United States local inspectors. Some of the cork life preservers were found to be unable to sustain the prescribed weight of 27½ pounds in the water, and were accordingly condemned. Two lifeboats were found to need some repairs, and the repairs were ordered. Three metal liferafts were pronounced defective and were condemned.

**SALEM
SCHOOL
BOARD**

**Finds Itself in Very
Favorable Circumstances**

**Possibility of a New Structure
Going Up During the
Coming Year**

With no debt that falls due or can be paid until 1910, the Salem board of education finds itself in the very comfortable circumstance of having an increasing cash surplus, without increased taxation.

With three additional rooms required next year, and a full course high school established by vote of the people, there is a possibility of handling the finances so as to erect a high school building on some suitable site in this city.

If that is done it will be without creating a dollar of debt, and when the building is complete it will be paid for. The last meeting of the board appointed a committee to formulate the annual report that is to be submitted to the taxpayers' meeting in December. If the board finds it practicable to erect a new building for the high school building it will go up during the coming world's fair year, and will be a great source of pride to the community.

Hop Case Argued.

Department No. 2, of the circuit court was occupied this afternoon hearing the arguments in the case of Lillenthal Bros. vs. Mike Keppinger, a specific performance. This case will be finished today, and the decision will probably be handed down some time during this term of court.

The cause of the case was a hop contract entered into between plaintiff and defendant, and which plaintiff claims was not fulfilled, while the defendant sets forth that the contract was only provisional upon his securing a lease on a certain hop yard, which lease he was unable to secure, thus falling to make the delivery of the hops contracted for.

An Albany Wedding.

A quiet but pretty wedding was solemnized in this city yesterday afternoon at 2 o'clock, when Mr. Virgil A. Weddle, of Jefferson, and Miss Hilda Stora Watkins, of Linn county, were united for life by Rev. S. A. Douglas, of the First Baptist church. The pretty ceremony was witnessed only by a few of the relatives and intimate friends of the young couple, at the home of Mrs. J. C. Banks, a sister of the bride. Miss Leona Francis played the wedding march when the bridal couple entered the parlor, which had been decorated in autumn leaves and white chrysanthemums. The bride was beautiful in a white tulle wedding gown. Miss Tessie Hale was bride's maid, and Walter Watkins, brother of the bride, was best man.

Following the ceremony the bridal couple was escorted to the afternoon train, leaving for Portland for a few days' stay. They will return in a few days, and reside in Jefferson, where they will be at home to their friends after December 5th.—Albany Herald.

Burglary in Corvallis.

David Osborn, the nightwatchman at Corvallis, at an early hour yesterday morning passed Weasterfeldt's saloon, on Main street, and saw a man in a crouching position, searching the papers and shelves under the bar. Osborn fired his revolver through two windows and the prowler fled. He had entered by a back window. A quantity of blood was found on the window he escaped from, and officers are searching for the man, who is thought to be wounded. Both public school buildings were also ransacked during the night. The locks were broken. There is no clue to the identity of the burglar.

Inheritance Tax Opinion.

Attorney-General Crawford has handed down an opinion that bequests to charitable institutions are not subject to the inheritance tax law, in the case of the estate of Amanda W. Reed, which was submitted from Multnomah county. He also holds that the bequest to the Portland Art Association is not subject to the tax, for the reason that the study of art is educational in character.

OH FUDGE

Another "card craze" upon us. It is "Bunco" and "Sherlock Holmes." Last year Pit, Panic and Pinch had the rage, but it is different now. "Bunco" far exceeds "Pinch"—more to it, more science, more fun, while "Sherlock Holmes" keeps you busy playing "Hawk Shaw" and capturing the various "Crooks." You'll want it. The craze is coming. We have them in abundance. Fifty cents per deck.
