Dr. Pierce's Golden Medical Discovery cures dyspepsia and other forms of "stomach trouble." It restores the weak and rau-down man or woman to sound

When first to the commenced taking your remedies I was under treatment of a well-known specialist in this city (and had been for four months), for contarts, and especially stomach trouble, and I was rapidly getting worse. Got so bad that I could not eat snything that did not distress me terribly, and I was obliged to quit taking the doctor's treatment entirely. I was greatly reduced in flesh. DOCTORS PRESCRIBE

Following the recent presidential election, it is interesting to read the many opinions advanced by the defeated. The following is from the New York World, a lending Democratic

"Under the able leadership of David B. Hill and William F. Sheehan New York above the Bronx has given a plurality of 210,000 to Roosevelt.

"Under the able leadership of 'Pat' McCarren Brooklyn has given a plurality of 1,800 to Roosevelt. "Under the able leadership of James

Smith, Jr., New Jersey has given a plurality of 75,000 to Roosevelt. "The Republican ticket did not suffer from a lack of able leadership

among the Democrats." Then a correspondent in the Albany Democrat airs his views and says:

"A number of weeks ago Bryan in his Commoner said that Alton B. Parker was put before the people by the izations of Boston and vicinity will same Wall street political machine pay a tribute to the memory of the that nominated Roosevelt, and that no late Senator Hoar at a meeting in true Democrat would vote for him. Now he tells us that Parker did not represent Democracy, but a wing of plutoeracy, consequently our votes must have been east for plutocracy instead of Democracy-we were deceived-they whom we trusted pulled the wool over our eyes! Did not Hearst know before the election as well as after that Parker was the tool of the Wall street machine? It cannot be doubted, Like geese we followed-but they who professed to teach and lead us rightly, led us wrongly, and the marvels of their learning now offer no solace to us, but have confused us, bewildered, stupefied and deceived us, and our weight of sorrow is doubled! The gander who led the geese was a ravening wolf, in sheep's clothing-and if, through our blind faith, we should ever put confidence again in those who have thus deceived us would that not be making fools of we who are stready silly Loese?"
