

Great waves of heavy hair!  
Oceans of flowing tresses!  
Beauty, elegance, richness!

Ayer's Hair Vigor is a hair-food. It feeds the hair and the hair grows. That's all there is to it. And it is a splendid tonic to the hair, giving the hair follicles tone and strength. This is why the checks falling hair so promptly. As a dressing, it keeps the hair soft and smooth and prevents splitting at the ends.

**OPPORTUNITY.**  
Hours that I have lost unwittingly—  
Years that through my careless fingers slid  
Babylon's waves and there lie hid  
Returning to restore to me  
Useless gift, winged opportunity.  
How men grasp and keep, and few  
Still  
Folly! Oh swiftly hours, had I  
Been wise  
A year to fling year your worth  
To prize,  
Other paths of those of grief and  
Ill  
Glance beneath the shining  
Of opportunity.

Of calm philosophy with clearer ken  
I might now walk and see the hearts of  
men  
And nature's face and teach my soul  
from these.  
Some little knowledge of God's mys-  
teries.

**CARDUI BABIES**

Many homes are mere lonely abodes because no children are there. Barrenness exists in almost every case because female diseases have paralyzed the organs of womanhood.

Wine of Cardui imparts health and strength to the diseased parts and makes motherhood possible in thousands of cases where barrenness is supposed to be incurable. Wine of Cardui regulates the menstrual flow and also prevents miscarriage and cures bearing down pains. Wine of Cardui removes the cause of barrenness by making the female organism strong and healthy.

Go to your druggist and secure a \$1.00 bottle of Wine of Cardui. The use of Wine of Cardui will bring happiness to your home.

In cases requiring special directions, address, giving symptoms, "The Ladies' Advisory Department," The Chattanooga Medicine Co., Chattanooga, Tennessee.

AMETHYST, COLO., Feb. 24, 1902.  
Wine of Cardui is worth its weight in gold. It does more than you claim. It has saved my life and caused me to become a mother when everything else failed. MRS. DORA I. E. LE FEVRE.

BRANT, VA., Feb. 18, 1902.  
My daughter-in-law, Lizzie Giles, found great benefit in Wine of Cardui. She had a miscarriage in March 1901, before using your medicine. She was in very bad health, so I persuaded her to try Wine of Cardui. Since then she has had a fine baby boy. Soon he will be three weeks old. She highly recommends Wine of Cardui.

My daughter, Fannie Hudson, also has a fine baby boy by your treatment. She highly appreciates Wine of Cardui. MRS. LOUISA GILES.

**COUNCIL WILL PREPARE SUNDAY CLOSING LAW**

The regular meeting of the city council, which was postponed from last Tuesday was held last night, with all of the aldermen present, except Aldermen Young, Smith, Walker and Sims.

After the reading of the minutes the bills of the Citizens' Light & Traction Company, for \$208.33, for street lighting was submitted, and a warrant ordered drawn for the amount. On account of the loss of the original application and bond for license for his saloon, Alex Cornoyer was issued permission to file a duplicate, and Recorder Judah was instructed to receive same, with power to issue renewal of license.

One of the horses used in the fire department was reported sick and unfit for work, and the committee on fire and water was instructed to purchase a new horse to fill the place.

Mayor Water, who, at the last meeting of the council, was appointed a committee of one to confer with Judge Scott in the matter of the repair of the bridge between Polk and Marion counties, reported that the expert who was engaged to examine the structure, has unofficially reported that the bridge is in very good repair.

A committee which sometime ago was appointed to investigate the validity of the ordinance relating to the Sunday closing of the saloons, and to draft a new ordinance reported that an attorney will be secured to draft a new ordinance, the validity of which will be assured.

The special committee in that matter reported that statements of account have been made out and sent to the county courts of Marion and Polk counties as to their share in the maintenance and repair of the steel bridge.

A four-foot walk on the west side of Highland avenue and a six-foot walk on the west side of South Commercial street abutting lots 5, 7 and 8, block 8, Jones' addition to Salem, were ordered built.

On information from Alderman Bayne that the city reservoir was being used as a swimming tank in summer, and is very dangerous to children who play in that vicinity, the council resolved to request the Salem Water Company to construct a fence around it.

On application of property owners of that vicinity, the committee on fire and water was instructed to investigate the advisability of installing fire hydrants at the corners of Commercial and Meyers streets and Commercial and Miller streets.

The street commissioner was instructed to remove a pile of posts which are now on the corner of Mill and Trade streets.

The application of E. S. Lamport to build a two-story brick addition to his building at 289 Commercial street was referred to the committee on fire and water.

The matter of a Liberty street sewer was referred to the committee on streets.

R. D. Olinger entered complaint of two large trees growing in front of his property, and asked to have them removed they being dangerous. Referred to committee on streets.

A grade was ordered established on Owen street.

Two petitions for street lights in Englewood were referred to the committee on lights.

One light is to be placed at the corner of 17th and D streets, and one at 17th and Nebraska. Petition for a light at the corner of 15 and Court streets was referred to the same committee.

Recorder Judah was instructed to issue notice of the coming election, and the following polling places were selected:

First ward—Walker's barn.  
Second ward—Police court.  
Third ward—Simpson's barn.  
Fourth ward—Low's stable.
