A Nightmare

Gives point to the fact that excessive or irregular eating disturbs the digestion. Nightmare or night hag has its day time correspondence in the undue fullness after eating, with the belchings and sour or bitter rising so often experienced after too hasty or too hearty eating.

Dr. Pierce's Golden Medical Discovery cures dyspepsia and other diseases of the stomach and its allied organs of digestion and nutrition. When these diseases are cured, the whole body shares in the increased strength derived from food properly digested and perfectly assimilated.

"Your 'Golden Medical Discovery' and Dr. Sage's Cathartid Remedy have been of great benefit to me," writes (Prof.) Pleasant A. Ower, of Viola, Fulton Co., Ark. "Before I used the above mentioned remedies my sleep was not sound; digestion bad; a continued feeling of misery. I now feel like a new man. Any one in need of medical treatment for nasal catarrh could do no better than to take treatment of Dr. R. V. Pierce. I know his medicines are all right in this class of diseases."

Sometimes a dealer tempted by the little more profit paid on the sale of less meritorious medicines will offer the customer a substitute as being "just as good" as the "Discovery." It is better for him because it pays better, but it is not as good for you, if you want the medicine that has cured others, and which you believe will cure you.

Dr. Pierce's Pleasant Pellets cleanse the clogged system from accumulated impurities.

She is to give some time to Linn county, and then goes to Douglas. An institute will be held at Drain on the 30th and December 1st and 2d. December 4th she will be in Elkton.

Miss Luella Leonard is home from attending school at Eugene, to spend a week.

Five hoboes, who had been having a Thanksgiving feast on four chickens stolen from Art Trask, were caught and made to hold up their hands in front of the Woodburn bank Monday evening by Marshal Beach, Hurley Moore, Edward Erickson, Art Trask and two others. They were searched and two pistols, some razors and knives were taken from them. They were lodged in jail until the trial Tuesday, which was held in Justice Overton's court. They were cleared of the charge of burglary. They were tried for larceny on Wednesday, and fined \$50 and costs.

Drain.

Miss Elva Wimberly, of Roseburg, stopped off on her way home from Portland to visit relatives in Drain for a week or two.

Mr. George Neuner, of Day's Creek, who has been employed for the last six months by the government in surveying the line between the United States and Canada, was a pleasant visitor here last Friday and Saturday. He recounts many interesting incidents connected with his work. He will re-enter the normal next week as a student.

One of the most enjoyable events of the season was the opening of the lecture course of the Zam Zamian literary society Friday evening, November 18, by Hon. O. P. Coshaw, of Roseburg. The Zam Zamians had spared no pains to make this event the most notable of its kind ever held in Drain. Many visitors from abroad were present, among whom were Representative Bingham, of Lane county, and Rev. Wire, from Eugene. The lecture was an eloquent one. It was a stirring appeal for honesty in the public service, the subject being "The True Element of Patriotism." After the lecture about one hundred invited guests repaired to the spacious dining room of the boarding hall, where plates were laid for all present and a bountiful luncheon was served. The tables were beautifully decorated, the senior colors of purple and white prevailing. President W. H. Dempster acted as toast master and the "after dinner" speeches by some twenty guests were full of wit and good humor. All present voted it the most successful entertainment in the history of the normal. The visitors were very high in their praise of the C. O. S. N. S. and the excellent work being done by it.
