### SOME MORE TROUBLE

In fact, we have it every year when the Holiday Season approaches. We haven't the room—the space that we desire to give our goods a showing that they deserve. We get tired of the same "old trouble" and we are going to get desperate and make room,—get rid of our big stock of dolls, and have so instructed our force of sales-people to run this department as if they owned it.

**Dolls Reduced to a mere nothing price.** Of course we expect some of our investment back, but not all. We are willing to lose and are willing you should make the difference. We want room and room we will have. If you want a doll, buy quickly.

## STOLE GIRLS HATS

The Albany Herald relates the following:

A funny incident at the depot yesterday afternoon created considerable merriment while a number of people were awaiting the arrival of the afternoon train, which had been delayed. It seemed that a couple of young ladies visiting here from Salem, had played some pranks on a young man residing here, and, to get even, it was stated he had taken the young ladies' hats and locked them up in the trunk, and, being unable to get at them, sent a drayman after the trunk, had it hauled to the depot and checked it to Salem. The owner got wind of the affair, went to the depot and demanded the trunk from the baggageman, and finally secured it when he had been given the check by the girl. The trunk was again loaded in an express wagon and returned to the young man's rooms. Meanwhile the girls left for home without their hats. There was some ill feeling as a result of the episode, and, it is said, the end is not yet, as the girls are out their winter hats, which they declare were in the trunk. The crowd at the depot enjoyed the discussion of the matter very much.

### He Used It After Shaving.

Not being able to wear gloves while delivering mail, my hands became horribly chapped during the bad weather we had this fall. Some one recommended your Curiosa Cream (Rose & Cucumber Jelly). I got a bottle of it, and in one night my hands were as well as ever. I am also using it after shaving, and find it very cooling and healing. It is the greatest thing I ever saw.

## KITTY CAUSED TROUBLE

The card room of a local cigar store was the scene of a lively fracas yesterday afternoon when two solo players got into a dispute over the "kitty." One of the young men claimed that the other looked at the concealed, and when the other denied it hot words followed, which ended in a fistie encounter, the result of which was a black eye for one, and a badly bruised face for the other. The combatants were quickly separated by the bystanders, and after a little more "jawing" they concluded that it was just as easy to be friends as enemies, and so shook hands and continued with their game, while the proprietor of the store set about repairing the broken furniture.

### Home Treatment.

We have a medicine for such troubles as are caused by stomach disorders, resulting in dyspepsia, sick headache and general weakness, that will put the organs of digestion in first-class working condition. Eat wholesome food, have it properly digested, and you have taken away the cause of more than half the ills of life. This medicine is called Dr. Gunn's Improved Liver Pills. Sold by all druggists for 25c per box. Only one for a dose. They do not digest the food you eat, but do the very best possible thing, put the stomach in condition so that the food you eat is turned into strong rich blood, driving out and preventing disease. Women write us that they use nothing else for the complexion. They keep the skin clear, preventing pimples and liver spots from appearing on the face, and purify the blood.
