Half and Half.

The dyspeptic may well be represented pictorially as being half masculine and half feminine, and combining the least desirable characteristics of either sex. He has all the stubbornness of the man with the peevish irritability of a sick woman. He's not pleasant company at home or abroad.

Dr. Pierce's Golden Medical Discovery cures dyspepsia and other diseases of the stomach and associated organs of digestion and nutrition. It renews physical health which carries with it cheerfulness of temper, and makes life a pleasure instead of a penance.

The "Discovery" purifies the blood by eliminating the corrupt and poisonous accumulations from which disease is bred. It increases the activity of the blood-making glands, so increasing the supply of pure rich blood, which gives life to every organ of the body. It gives new life and new strength.

"Your 'Golden Medical Discovery' has performed a wonderful cure," writes Mr. M. H. House, of Charleston, Franklin Co., Ark. "I had the worst case of dyspepsia, the doctors say, that they ever saw. After trying seven doctors and everything I could hear of, with no benefit, I tried Dr. Pierce's Golden Medical Discovery and now I am cured."

Accept no substitute for "Golden Medical Discovery." There is nothing "just as good" for diseases of the stomach, blood and lungs.

The Common Sense Medical Adviser, 1008 large pages in paper covers, is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

RADIANT STORIES

A Scotch minister who was in need of funds thus conveyed his intentions to his congregation: "Weel, friends, the kirk is urgently in need of siller, and as we have failed to get money honestly we will have to see what a bazaar can do for us."

It happened in Corvallis, according to a report, that a pastor complained that his congregation had the habit of looking around at late comers and, while he thought it natural enough, he saw that it disturbed their religious duties and so determined to announce by name those persons who came in late. Accordingly he several times paused during the prayers and said: "Mr. S., with his wife and daughter," then again, "Mr. C. and William D." This went on for awhile, and the congregation kept their eyes fixed on their books, but when it was given out, "Mrs. M. in a new bonnet" every feminine head in the church was turned.

It was a curate who read in the lesson for the day:
"He spoke the word and cathoppers came and grasspillars innumerable."

The story is told that on a certain occasion when a company of persons were discussing in a crowded room sacred subjects and certain prominent men, one suddenly exclaimed:
"I should like to meet that bishop of Litchfield. I'd put a question to him that would puzzle him."
"Very well," said a voice out of another corner, "now is your time, for I am the bishop."

The man was somewhat startled and taken aback, but presently recovered himself and said:
"Well, my lord, can you tell me the way to heaven?"
"Nothing easier," answered the bishop; "you have only to turn to the right and go straight ahead."

Senator Tillman tells a story of an old negro whom he knew, and who was taken quite ill and called in a colored doctor. After a week a white doctor was called in, there having been no improvement in the man's condition. Soon after arriving the doctor felt the old man's pulse and then examined his tongue.

"Did your other doctor take your temperature?" was the first question he asked.
"I don't know, boss," replied the darkey; "I hain't missed anything but my watch as yet."

A Natural Result.
It is very reasonable to suppose if the foundation of a structure was removed that the building itself is bound to come down. This same principle can be applied to disease. Take medicine into the system that will remove the cause of sickness, and illness will leave of itself. Dyspepsia, indigestion, sick-headache and biliousness have their foundation in stomach disorders. Remove this weakness and the other symptoms are no more. There is one cure for this that all druggists sell for 25c per box. It is Dr. Gunn's Improved Liver Pills. They get right at the beginning of these diseases and make the cure by taking away the cause.
For sale by Dr. S. C. Stone, druggist.

Exhibition of Picture Postcards.
Paris, Dec. 3.—An international exhibition of illustrated picture postcards opened at Anvers today and will continue for a month. Besides the postcards the exhibition includes an exhibit of artistic posters, in which many artists of prominence are represented.

A Frightened Horse
Running like mad down the street, dumping the occupants, or a hundred other accidents, are every day occurrences. It behooves everybody to have a reliable Salve handy and there's none as good as Bucklin's Arnica Salve Burns, Cuts, Sores, Eczema and Piles, disappear quickly under its soothing effect. 25c at J. C. Perry's drug store.

Steamer Quarantined.
The steamer Ellerie is now in quarantine at the Astoria quarantine station and is being disinfected for small-pox by Quarantine Officer Dr. Baylis H. Eearle, of Astoria. Every member of the crew will be treated to an anti-septic bath, and will then be vaccinated.

A Costly Mistake.
Blunders are sometimes very expensive. Occasionally life itself is the price of a mistake, but you'll never be wrong if you take Dr. King's New Life Pills for Dyspepsia, Dizziness, Headache, Liver or Bowel troubles. They are gentle yet thorough. 25c at J. C. Perry's Drug Store.
