THE TRYING TIME

In a young girl's life is reached when Nature leads her uncertain steps across the line which divides girlhood from womanhood. Ignorance and neglect at this critical period are largely responsible for much of the after misery of womanhood. Not only does Nature often need help in the regular establishment of the womanly function, but there is almost always need of some safe, strengthening tonic, to overcome the languor, nervousness and weakness, commonly experienced at this time.

Dr. Pierce's Favorite Prescription establishes regularity. It is a strengthening tonic, soothing the nerves, encouraging the appetite and inducing restful sleep. It contains no alcohol, neither opium, cocaine or other narcotic. "I wish to tell you the benefit we have received from using your remedies," writes Mrs. Dan Hall, of Broadhead, Green Co., Wis. "Two years ago my daughter's health began to fail. Everything that could be thought of was done to help her but it was of no use. When she began to complain she was quite stout; weighed 170, the picture of good health, until about the age of fourteen, then in six months she was so run down her weight was but 120. She kept falling and I gave up, thinking there was no use, she must die. Friends all said, 'You will lose your daughter.' I said I fear I shall. I must say, doctor, that only for your Favorite Prescription my daughter would have been in her grave today. When she had taken one-half bottle the natural function was established and we bought another one, making only two bottles in all, and she completely recovered. Since then she is as well as can be."

Dr. Pierce's Common Sense Medical Adviser, in paper covers, is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

COOS COUNTY AT CENTENNIAL

Enterprising County Will Erect Special Pavilion.

One enterprising county of Oregon, that of Coos, is taking unusual interest in the Lewis and Clark exposition. Besides making extensive exhibits in all departments, Coos county will erect a special pavilion for the comfort of its visitors at the centennial, and in which to display many of its exhibits. The building will be 50x60 feet in size, and will be constructed entirely of Coos county woods and elaborately finished in the hard woods of that section. Thus the building will be in itself an exhibit of Coos county's timber resources.

The pavilion will stand in the center of an advantageous plot of ground 100 x100 feet in size, and the surrounding lawns will be beautified with Coos county shrubs and flowers. The county will occupy about 50 square feet of floor space in the main exhibit palace, and much benefit will be derived by this wideawake county from its extensive displays.

Willamette Annual.

The management of the University Annual are rejoicing because of the generosity of Major Lee Morehouse, of Pendleton. Major Morehouse has become famous for his Indian photos and he has very kindly offered the art editor of the Willamette editor of the Willamette her choice of his best pictures to be used as a front piece in this year's book. This is a very kind offer and one greatly appreciated by the management.

The staff and the students in general are working hard to make this annual a success in every particular. The different classes in every department of the university are organizing and each will endeavor to make the best representation in the book. The junior and sophomore classes in the College of Liberal Arts met and organized yesterday afternoon. The officers are as follows:

Juniors—President, Frank Grannis; vice-president, Sylvia Jones; secretary, Howard H. Markel; treasurer, Gustena Randall.

Sophomores—President, Alvin N. Nace; vice-president, Lena Schindler; secretary, Loyd Whipple; treasurer, John Elliott.

His Second Run.

Not satisfied with his wonderful racing powers he displayed a few days ago, Lou Dillon, Jr., the speedy young delivery horse belonging to A. Daue, of South Salem, cut a terrible gash in his speed record of a few days back by making a hundred-yard dash in something less than four seconds, although carrying heavy weights (these being attached to a four-foot strap).

As Elmer Daue, who was driving him, jumped from the wagon the horse thinking he was getting in, decided it was about time for his morning run, therefor proceeded down Leffelle street with his old-time lightning speed. He was just getting started on the home stretch when he discovered the driver missing and in his effort to wait for him, as Elmer supposes, he made a miss step and the consequences were the noble animal landing on terra firma and the wagon doing a graceful giant swing overhead, breaking off a shaft, otherwise neither horse or wagon was seriously damaged.

PROOF IN SALEM.

Should Be Decidedly More Convincing to Salem People Than Testimony From Utter Strangers.

This statement which follows, like all that have preceded it on this subject, is from Salem. It is not from some distant corner of the Union. Salem people cannot dispute testimony like this:

Frank V. Muller, living on East State street, Salem, Ore., says: "Without question Doan's Kidney Pills is the best remedy for the kidneys that I ever used, and I recommend it with confidence to anyone looking for a good cure. I was subject to attacks of backache for more than six years, having heavy bearing down pains through the loins and kidneys and it hurt me when I lifted anything. I always got up in the morning with a lame and sore back. In addition to these annoyances there was an irregularity in the action of the kidneys which was very exasperating. I used several remedies, but nothing seemed to do me any good. Finally hearing about Doan's Kidney Pills I got a box at Dr. Stone's drug store. The first box did me so much good that I got a second. I was soon relieved of the pain in my back and the other annoying difficulties entirely disappeared."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

The Publisher's Claims Sustained

UNITED STATES COURT OF CLAIMS.
The Publishers of Webster's International Dictionary allege that it "is in fact, the popular unabridged thoroughly re-edited in every detail, and vastly enriched in every part, with the purpose of adapting it to the larger and severer requirements of another generation."
We are of the opinion that this allegation most clearly and accurately describes the work that has been accomplished and the result that has been reached. The Dictionary, as it now stands, has been thoroughly re-edited in every detail, has been corrected in every part, and is admirably adapted to meet the larger and severer requirements of a generation which demands more of popular philological knowledge than any generation that the world has ever contained.
It is perhaps needless to add that we refer to the dictionary in our judicial work as of the highest authority in accuracy of definition, and that in the future as in the past it will be the source of constant reference.
