The beauty of the Schloss Overcoats is in the fit of the neck and shoulder; graceful lapel, and perfect collar, together with the general air of smartness that lifts them out of the ready-made class and identifies them with the work of the finest tailor. Many men cling to the costly merchant-tailor habit on their Suits, but rush into the nearest clothing store at the first touch of winter and walk away with an OVERCOAT. What need is there to pay a fancy price to a "merchant tailor" when you can buy a Schloss Overcoat of unapproachable style and incomparable workmanship for a great deal less? The picture shows two exceedingly popular styles.
