### The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, causing catarrh of the bladder, or the kidneys themselves break down and waste away cell by cell.

Bladder troubles almost always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's **Swamp-Root**, the great kidney, liver and bladder remedy.

It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.

Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address, Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
