## THE MAN IN ARMOR

Was no match for the microbes. Giants he might slay but this microscopic organism defied him, and in many a campaign more men were destroyed by camp diseases than by the enemy's sword.

The one way to arm against microbial disease is to keep the blood pure. Impure blood both breeds and feeds disease.

The signs of impure blood are easy to read. Pimples, boils, and eruptions generally proclaim the blood to be impure. Scrofulous sores and swellings, salt-rheum, eczema, etc., are other signs of a corrupt condition of the blood. Doctor Pierce's Golden Medical Discovery purifies the blood and cures diseases caused by the blood's impurity. It cures scrofulous sores, boils, pimples, eczema and other defiling and disfiguring diseases.

"It gives me great pleasure to express my faith in the virtue of Dr. Pierce's Golden Medical Discovery," writes Mr. Ezekiel Floro, of Graytown, Ottawa Co., Ohio. "I suffered everything for two years with humor on my face, which baffled the skill of some of the most noted physicians. Was at once advised to go to the hospital; was doctored there for three months without success. Came home discouraged. Then began to doctor with a 'chemist.' He also failed to help me. Then I began Dr. Pierce's Golden Medical Discovery, with no faith whatever in it. Did it only to please my wife; but I am happy to tell you that after taking five bottles I am entirely cured."

FREE. Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send 21 one-cent stamps for the book in paper covers, or 31 stamps for the cloth-bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.

Don't worry about what to buy for your little presents. Give a nice fancy box of candy from the Spa; some as low as 35 cents. 11-19-1w

## STATE SOCIAL NEWS

### Fruitland.

Ellis Walton is at home again. He will probably stay until after the holidays.

Mrs. Edna Bramlet is dangerously ill, having suffered a hemorrhage of the lungs last Tuesday evening. At last report she was resting easier.

Ross Ficklin, of Howell Prairie, was visiting friends in Fruitland Sunday. Last Wednesday evening Miss Mabel Jones treated her friends to a "taffy-pull." Quite a number were present, and all report a splendid time.

The Sunday School convention was quite a success. A large crowd attended, and much interest was taken in the discussion of every subject. Music was rendered by choirs from Haysville, Auburn and Fruitland. It was decided by the convention to hold the next Sunday School convention at Hazel Green.

The Fruitland Literary and Debating Society met as usual last Tuesday evening. A crowd is always present. The debate was very interesting. The subject for debate next Tuesday evening is in connection with a certain school law that is being talked of much at the present. "Resolved, That the section of the school law should read 'shall,' instead of 'may.'" The program promises to be the best yet given.

Preaching services will be held Christmas day at the Fruitland church. Rev. Crooks will preach at 3 o'clock p. m.

The Christmas entertainment is to be held next Saturday evening at the Fruitland church. The Literary and Debating Society have prepared an elaborate program for the occasion. There will be a Christmas tree for those who wish to distribute their presents in that way, also a treat for the children.

### Suspect Foul Play.

Herman Ensley, who bought the Albert Baker place something over a year ago, not being very well satisfied, sold it to other parties some time in October and concluded to move to Washington, says the Junction Times. He sent his wife and children by train and rigged up a good four-horse team and with a new wagon loaded up his most valuable household goods and started for Washington. He passed through here on election day and voted in the South precinct.

Below here a few miles he met a stranger and finally took him along. Every few days he mailed a letter to his wife, informing her of his progress along the way. He also mentioned the stranger he had picked up and stated that they were getting along famously, as the stranger was a good cook.

Since then nothing has been heard from him and it is feared that he met with foul play. No trace can be found of either him or the team, although diligent inquiry is being made. Mr. Ensley's parents reside near Eugent.
