A FALSE FACE.

When dyspepsia fastens on a man it changes his feelings and it changes his looks. He frowns now instead of smiling. His expression is harsh instead of kindly. He is wearing a false face—a face which does injustice to the real nobility of his nature.

Dr. Pierce's Golden Medical Discovery cures dyspepsia and other diseases of the stomach and allied organs of digestion and nutrition, and the record of the cure is written both in the face and the feelings of the person cured.

"Golden Medical Discovery" is not a stimulant or temporary tonic. It cures the diseases that are the cause of ill-health and builds up the body with sound flesh.

Accept no substitute for "Golden Medical Discovery." The sole motive for substitution is to enable the dealer to make the little more profit paid on the sale of less meritorious medicines.

"Last spring, early, I wrote you my feelings and condition," says Mr. A. J. Vanderwater, of 673 West Division Street, Chicago, Ill., "and you advised me to take Dr. Pierce's Golden Medical Discovery, and then write how I felt. I am happy to say I am getting to feel fine. In all I have taken six bottles of the 'Discovery' and four or five vials of the little 'Pellets.' They have done me worlds of good. All my friends say, 'Vanderwater, how well you are looking.' The medicines have made the great change in me: from the slow mope of a man that could hardly crawl, tired and sick all the time, could do no work, to a man who can work, sleep, eat, and feel fine, and that tired feeling all gone away. I am very thankful that I wrote to Dr. Pierce. His 'Golden Medical Discovery' and his little liver 'Pellets' have almost made a new man of me. I feel young as I did at thirty years."

Dr. Pierce's Pleasant Pellets cleanse the clogged bowels.

Why

does the manufacturer put up his article in a valuable glass jar instead of a tin can?

Because

At a very small increase of cost it gives housekeepers a useful receptacle of necessities instead of a worthless tin can.

Eppley's Perfection

BAKING POWDER is the only article so put up, but the reason all housekeepers want it is because it produces the best results for the least expense. Try it for its virtues as well as to get the can.
