

THE OLD FOLKS AT HOME

Are Never Without Peruna in the House for Catarrhal Diseases.

MR. AND MRS. J. O. ATKINSON, INDEPENDENCE, MO.

UNDER date of January 10, 1897, Dr. Hartman received the following letter:

"My wife had been suffering from a complication of diseases for the past 25 years.

"Her case had baffled the skill of some of the most noted physicians. One of her worst troubles was chronic constipation, of several years' standing.

"She also was passing through that most critical period in the life of a woman—change of life. In June, 1895, I wrote to you about her case. You advised a course of Peruna and Manalin, which we at once commenced, and have to say it completely cured her. She firmly believes that she would have been dead only for these wonderful remedies.

"About the same time I wrote you about my own case of catarrh, which had been of 25 years' standing. At times I was almost past going. I commenced to use Peruna according to your instructions and continued its use for about a year, and it has completely cured me.

"Your remedies do all that you claim for them, and even more. Catarrh cannot exist where Peruna is taken according to directions. Success to you and your remedies."

John O. Atkinson.

In a letter dated January 1, 1900, Mr. Atkinson says, after five years' experience with Peruna:

"I will ever continue to speak a good word for Peruna. In my rounds as a traveling man I am a walking advertisement for Peruna and have induced many people during the past year to use Peruna with the most satisfactory results. I am still cured of catarrh."

John O. Atkinson, Box 272, Independence, Mo.

When old age comes on, catarrhal diseases come also. Systemic catarrh is almost universal in old people.

This explains why Peruna has become so indispensable to old people. Peruna is their safe-guard. Peruna is the only remedy yet devised that meets these cases exactly.

Such cases cannot be treated locally; nothing but an effective systemic remedy could cure them. This is exactly what Peruna is.

If you do not receive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.

ATTORNEY GENERAL SETTLES FOR RIGHT OF WAY

Attorney-General Crawford went to Portland last night and started for The Dalles this morning to get the deeds and outer judgment on the land for the right of way for The Dalles-Celilo canal. The land belonging to the O. R. & N. Co., which was condemned through the friendly proceedings instituted by the board, is valued at \$20,337, for which sum the general has a warrant on the state, which he will turn over to the company today. He will also make a tender in the amount of \$15,112 to Taffe, but this is expected to be refused, as he has entered appeal. Deeds will also be given to The Dalles Packing Company in the sum of \$35,000; Seufret Bros. Co., for \$21,000; Leopold F. Schmidt, \$1500; Mishelle and wife, \$2090; T. C. Keithley, \$525, and G. C. Green, \$25. This completes the right of way, which will be wholly in the possession of the state of Oregon when these sums are paid today, and will be turned over to the United States at a later date. The

total cost of the land taken in the right of way for the canal is \$64,089, exclusive of \$5366.75 additional amount paid to the O. R. & N. Co. This amount was not used entirely in the interests of the canal, it being also connected with the portage road to a certain extent.

A brilliant reception took place at the parlors of the Commercial Club in The Dalles last evening to celebrate the occasion of the signing of the contract for the building of the portage road between that city and Celilo. Following the calling of a meeting for this purpose by Mayor Seufert, President Wheelton, on behalf of the Commercial Club, tendered a reception to the visitors and residents of the Dalles, making the occasion a memorable social one as well as a business meeting. Judge W. J. Marriner, of Blalock; Henry Hahn, L. A. Lewis and J. N. Teal, of Portland, members of the Open River Association, were at present, as well as about 300 residents of The Dalles and its neighborhood.

TO END RANGE WARS

Dr. R. E. L. Steiner, member of the lower house of the Oregon legislature, and a physician of Lakovien, will introduce a bill, which, he believes, if enacted, will stop range fights in Eastern Oregon. His plan is to make counties and municipalities responsible for destruction of property within their limits, whenever perpetrated through lawless depredations and mob violence. Dr. Steiner has drafted the bill, but not completed it in all its details.

The bill, if enacted, would require counties to make good the losses which sheep owners might hereafter sustain through raids on their herds by cattle-men. And in case property should be destroyed in cities by mobs, as in labor riots, the city would have to pay for the loss.

"Such a law has been in force in California," said Dr. Steiner, "and has been a very effective preventative of range conflicts. Communities which have had to pay had to pay for damage once or twice rarely do so again."

because they require their peace officers to enforce the law. When a law touches the pocketbooks of taxpayers, it goes nearest their hearts of anything else."

The Diamond Cure.

The latest news from Paris is that they have discovered a diamond cure for consumption. If you fear consumption or pneumonia, it will, however, be best for you to take that great remedy mentioned by W. T. McGee of Vanleer, Tenn. "I had a cough for 14 years. Nothing helped me until I took Dr. King's New Discovery for Consumption, Coughs and Colds, which gave instant relief and effected a permanent cure." Unequaled quick cure for Throat and Lung Troubles. At J. C. Perry's drug store. Price 50c and \$1, guaranteed. Trial bottle free.

Forced to Starve

B. F. Leek, of Concord, Ky., says: "For 20 years I suffered agonies with a sore on my upper lip so painful sometimes that I could not eat. After vainly trying everything else I cured it with Bucklen's Arnica Salve." It's great for burns, cuts and wounds. At J. C. Perry's drug store; only 25c.

When Your Cold Catches You

Just There

There is No Time to Wait.

It is not a "little thing." It's a deadly thing. It will not "get well by itself" if you let it alone. Whiskey and quinine and such things brace you up for the time, but they don't cure you.

Ask any intelligent doctor why you catch cold so easily. He will say, "Because you are a bit run down." He means that the force which nature placed in your body to keep out disease germs—the resistive force—is weakened. The door is open a little way toward disease.

There is not a gravestone in any cemetery in the world caused by consumption or pneumonia or any lung trouble whatever, which did not start with what you call "Nothing but a cold."

A cold should not be beaten back or drugged over—it should be cured, and the general health should be built up.

ACKER'S ENGLISH REMEDY

should be taken at the first symptoms of cold. It is a tonic for the whole body, a specific for sudden colds, coughs or sore throats. It doesn't matter where the cold is or how it got there, we know that Acker's English Remedy will reach it and cure it. It is sold on a positive guarantee.

NO CURE NO PAY. If you have a cold—no matter how slight—it means something. Take Acker's English Remedy at once. Keep it in the house. If it does not relieve you almost instantly, we will refund you the price paid.

"ACKER'S ENGLISH REMEDY saved my life. A cough, slight at first, grew constantly worse and I finally had to give up my work in the Knife Factory at Walden. I had frequent bleeding spells. Was examined by local doctors, prominent physicians in New York and at a Medical College. They all pronounced my case hopeless. I began using Acker's ENGLISH REMEDY and a few bottles cured me. I am today a perfectly well man." (Signed) A. H. SIMPSON, Walden, N. Y.

Acker's English Remedy is sold on a positive guarantee that the purchase money will be refunded in case of failure. 25c., 50c., and \$1.00 per bottle.
