## "I had headache and pain in the side."

If you will read the letter of Mrs. McKenzie, given below, you will find that she says—"I had uterine disease, also headache and pain in the side." Uterine disease is a common cause of headache, backache, sideache, nervousness and other womanly ills.

Dr. Pierce's Favorite Prescription cures uterine disease, and, therefore, cures the headache, sideache, etc., which result from a diseased condition of the womanly organism. "Favorite Prescription" is the best medicine for women. It establishes regularity, dries weakening drains, heals inflammation and ulceration and cures female weaknesses.

Sick women are invited to consult Doctor Pierce by letter, free. All correspondence held in strict privacy and sacred secrecy. Address Dr. R. V. Pierce, Buffalo, N. Y.

"I took two bottles of your 'Favorite Prescription' and two of the 'Golden Medical Discovery' and am feeling well," writes Mrs. Dan McKenzie of Lowry Mines, Cape Breton Co., Nova Scotia. "I had uterine trouble, also headache, and pain in the side. After taking your medicine I got well. You may publish this or use it in any way you think best, as I cannot speak too highly of Dr. Pierce and his medicines."

Dr. Pierce's Common Sense Medical Adviser, paper covers, containing 1008 large pages, is sent free on receipt of 21 one-cent stamps, to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

Rev. G. S. O. Humbert, field secretary of the Eugene Divinity School, who has spent several days in the city, went to Portland yesterday.

Why Because At a very small increase of cost it gives housekeepers a useful receptacle of necessities instead of a worthless tin can.

Eppley's Perfection BAKING POWDER is the only article so put up, but the reason all housekeepers want it is because it produces the best results for the least expense. Try it for its virtues as well as to get the can.

In an interview in the Meriden (Conn.) Journal, Henry C. Bibben, grocer and one of the most successful merchants in that place, said: "Of course every one knows that times are not as good just now as they were a little while ago, and a great many merchants are retrenching in their advertising, putting up the plea that they cannot afford increases. That is an entirely wrong view to take. Since the 1st of June I have tripled my advertising in the daily papers, and the results are surprisingly good. The time to retrench in your advertising is when your departments are doing all they can. It isn't necessary to advertise then."

"I am now using more space than I ever used, and the result is more than satisfactory."

"People always respond to good advertising, and one need have no fear of the efforts going amiss."

"I keep a separate record of each department, and when one of them shows a falling off I give it a dose of medicine in the shape of ads, which always proves effective."

This direct testimony on an important point should interest advertisers who are in the habit of dropping out in the dull season.
