The Dog Knows

That there is something wrong with his master. They have no more romps and rambles. He tries in vain to coax the listless youth from his chair.

When the lungs are diseased, physical weakness soon begins to show itself and the active outdoor life is given up. Dr. Pierce's Golden Medical Discovery cures diseases of the lungs and other organs of respiration. It cures obstinate, deep-seated coughs, bleeding lungs, emaciation and other conditions which if neglected or unskillfully treated may find a fatal termination in consumption.

"After using about five bottles of Dr. Pierce's Golden Medical Discovery my boy seems to be all right," writes Mr. J. W. Price, of Oark, Monroe Co., Ohio. "He was very bad when I commenced to give him the 'Golden Medical Discovery.' The doctors claimed he had consumption and we doctored with them until he was past walking. It has been ten months since he stopped taking your medicine and he is in good health. We are very thankful to you for saving our son."

Accept no substitute for "Golden Medical Discovery." There is nothing "just as good" for diseases of the stomach, blood, and lungs. Substitution means a little more profit for the dealer but a loss for you.

Dr. Pierce's Pleasant Pellets cure constipation and its consequences.

Why

does the manufacturer put up his article in a valuable glass jar instead of a tin can?

Because

At a very small increase of cost it gives housekeepers a useful receptacle of necessities instead of a worthless tin can.

Eppley's Perfection

BAKING POWDER is the only article so put up, but the reason all housekeepers want it is because it produces the best results for the least expense. Try it for its virtues as well as to get the can.

SOLDIERS HOME REPORT

Commandant W. W. Elder, of the Oregon Soldiers' Home at Roseburg, has filed his sixth biennial report to the Governor of Oregon. He reports in part as follows:

"At the date closing this report, September 30, 1904, the records show a membership of 132 in the aggregate. The record of gains and losses from September 30, 1902, to the corresponding date of 1904, exhibits an actual gain of 36 members, and shows an aggregate membership September 30, 1902, of 96. The gains for the 24 months were 104, making a total gain of 200. The losses were 68, leaving 132 as of September 30, 1904. In this connection notice is directed to the significance of the small number discharged because of violation of the rules, being but 5, and the loss because of absence without leave being but 4. This record showing is very creditable to the character of membership, especially when compared with the number of discharged by request, and of course honorable, amounting to 33. The losses by death were 16. This record of gains and losses includes members who were mustered into the service of the United States, and for whose maintenance the state receives aid from the government, as well as the Indian war veterans, for whose maintenance no government aid is received. The Indian war veterans at the home September 30, 1902, numbered 26. The increase by admission and readmission was ten. Losses by request, discharges, absent without leave and death number ten, leaving 26, the same as at the beginning of the two years hereby covered."

Deafness Cannot Be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When the tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and, unless the inflammation can be taken out, and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY, & CO., Toledo, O. Sold by Druggists, 75c.

The schedule arranged by the intercollegiate league extends up to the middle of February. The membership comprises the teams of Yale, Harvard, Columbia, Brown and Princeton.

Faster Trains to Mexico.

The service will consist of two trains, both of which will handle mail.

The Diamond Cure.

The latest news from Paris is that they have discovered a diamond cure for consumption. If you fear consumption or pneumonia, it will, however, be best for you to take that great remedy mentioned by W. T. McGee of Vanleer, Tenn. "I had a cough for 14 years. Nothing helped me until I took Dr. King's New Discovery for Consumption, Coughs and Colds, which gave instant relief and effected a permanent cure." Unequalled quick cure for Throat and Lung Troubles. At J. C. Perry's drug store. Price 50c and \$1, guaranteed. Trial bottle free.
