

# GRAND CLOSING RALLY

Mass Meeting of the Anti Cigarette League of Salem

Resolutions Adopted Requesting the Legislature to Enact Stringent Laws

At a mass meeting Sunday afternoon in the First M. E. church, the closing rally of the Anti-Cigarette campaign was held. A feature of the occasion was the presence of the boys' band of the State Reform School. Other special music was given by the choir of the church. Mr. F. A. Wiggins, president of the local Y. M. C. A. presided, and the speakers were: Supt. of City Schools Traver, Rev. W. H. Selbeck, pastor of the M. E. church, and Wallace R. Struble.

Rev. Selbeck introduced the following resolution, which, with his explanations, were passed by a unanimous vote:

Being firmly convinced of the pernicious effects of cigarette smoking by growing youth, and recognizing the necessity for wise protective legislation in the matter, we, the undersigned Anti-Cigarette Leagues, of Salem, with our adult friends, in mass meeting assembled, on this 22d day of January, 1905, do hereby adopt the following resolutions:

Resolved, That we request the legis-

lative assembly of the state of Oregon, now in session, to enact a law covering fully the following points:

First—To absolutely forbid the selling or giving away by any corporation, firm or individual of cigarettes, or cigarette materials to any person within the state of Oregon under the age of 21 years.

Second—To fix the penalty for violation of such law at not less than fifty dollars \$50) fine, or imprisonment in county jail for not less than fifteen (15) days, or by both such fine and imprisonment at the discretion of the court.

Third—To give justices of the peace concurrent jurisdiction with the circuit courts in such cases.

Fourth—To forbid the sale of tobacco in any form to minors under sixteen (16) years of age, with a suitable penalty for violation.

Fifth—To designate the habitual use of cigarettes by minors under sixteen (16) years of age in Oregon as an act of juvenile delinquency to be dealt with by courts having jurisdiction under the juvenile law of the state.

Sixth—To repeal the present anti-tobacco law of the state of Oregon, approved February 1893, and to give the new law herewith suggested operation from and after its approval by the governor.

Resolved, That the chairman of this meeting shall have power to designate a committee of five (5) who shall be authorized to embody these resolutions in the form of a memorial to the legislative assembly, accompanied by a draft of a bill in accordance with the tenor thereof for presentation to the legislature.

### High School Debate.

The debate between the freshmen of the High School and the eighth grade of the East school was a very interesting entertainment Saturday evening. The question was: "Resolved, That Alexander Hamilton was a greater statesman than Daniel Webster." The whole debate was well carried out by either side, and showed good material. The arguments were strong on both sides, and showed much logic. The judges decided in favor of the affirmative. The debaters were: Affirmative, Edward Haslam, leader; William Perkins and Glenn Cooper. Negative, Floyd Graham, leader; Beulah Chase and Hubert Starr.

The High School have elected a debating team, and intend putting on a debating team who will debate with

## WOMEN WHO CHARM

HEALTH IS THE FIRST ESSENTIAL

It Helps Women to Win and Hold Men's Admiration, Respect and Love

Woman's greatest gift is the power to inspire admiration, respect, and love. There is a beauty in health which is more attractive to men than mere regularity of feature.

Mrs. Chas. F. Brown

To be a successful wife, to retain the love and admiration of her husband, should be a woman's constant study. At the first indication of ill-health, painful or irregular menstruation, headache or backache, secure Lydia E. Pinkham's Vegetable Compound and begin its use.

Mrs. Chas. F. Brown, Vice-President Mothers' Club, 31 Cedar Terrace, Hot Springs, Ark., writes:

Dear Mrs. Pinkham:— "For nine years I dragged through a miserable existence, suffering with inflammation and falling of the womb, and worn out with pain and weariness. I one day noticed a statement by a woman suffering as I was, but who had been cured by Lydia E. Pinkham's Vegetable Compound, and I determined to try it. At the end of three months I was a different woman. Every one remarked about it, and my husband fell in love with me all over again. Lydia E. Pinkham's Vegetable Compound built up my entire system, cured the womb trouble, and I felt like a new woman. I am sure it will make every suffering woman strong, well and happy, as it has me."

Women who are troubled with painful or irregular menstruation, backache, bloating (or flatulence), leucorrhoea, falling, inflammation or ulceration of the uterus, ovarian troubles, that "bearing-down" feeling, dizziness, faintness, indigestion, or nervous prostration may be restored to perfect health and strength by taking Lydia E. Pinkham's Vegetable Compound,

the various high schools. This is the first move of the like in the history of Salem, and it is hoped it will be warmly supported.

Andrew Carnegie is said to have bought the Whitaker Wright estate near London for \$3,750,000 for a convalescent home.

## TO CUT HEALTH OFFICERS

Federal Government to Take Complete Control of Ports

U. S. Quarantine Officer H. B. Earle, of the Columbia quarantine station, is before the legislature asking that the state abolish its health officers at four ports, where they are now maintained, and turn over to the quarantine service all of the Oregon Ports to the federal government. This will relieve the state of an expense of about \$2700, and improve the service.

Captain Earle is backed by the department and a telegram was received yesterday from the treasury department offering to assume the entire expense and responsibility, and the whole matter will be laid before the senate today, and the bill will probably pass. The governor recommends this reform in the interest of economy, and the public health. Instead of having four health officers to appoint as a matter of state patronage, the appointments will come from Washington, so that the governor cannot be accused of selfish or partisan motives in urging this reform.

### LOCAL ENTHUSIASM.

On One Subject Salem People Grow Enthusiastic.

The increase of popular enthusiasm on the following subject is almost daily manifested by public expression and local endorsement. Read what this citizen says and discover the cause of the constant showering of praise which follows in the wake of Doan's Kidney Pills.

Jacob Morelock, farmer, residing on Rural Avenue, between Hazel and Laurel streets, in Nob Hill addition, South Salem, says: "Doan's Kidney Pills, procured at Dr. Stone's drug store, did me good. I had been bothered off and on for quite a long time with pain through my back and kidneys. I have always worked hard at farming, and think the trouble was originally caused from a strain. The secretions of the kidneys were annoying at times, and caused me considerable inconvenience. Before I had taken one box of Doan's Kidney Pills the pain in my back and other symptoms of kidney trouble had passed away. I am pleased to recommend this remedy to others."

Sold for 50 cents a box by all dealers. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

### Deserted at Pittsburg.

Through her attorney, John A. Jeffery, Margaret R. Leckie has filed suit for divorce against her husband, Thos. Leckie, on the grounds of desertion, in department No. 2 of the circuit court.

The complaint states that the couple were married in Philadelphia, Pa., September 22, 1903, and that the husband, without cause or provocation, deserted plaintiff May 28, 1902, at Pittsburg, wherefore plaintiff prays for a decree of divorce and judgment against defendants for the costs and disbursements of this suit.

### Bent Her Double.

"I knew no one for four weeks when I was sick with typhoid and kidney trouble," writes Mrs. Annie Hunter, of Pittsburg, Pa., "and when I got better, although I had one of the best doctors I could get, I was bent double and had to rest my hands on my knees when I walked. From this terrible affliction I was rescued by electric Bitters, which restored my health and strength, and now I can walk as straight as ever. They are simply wonderful." Guaranteed to cure stomach, liver and kidney disorders. At J. C. Perry's drug store. Price, 50c.

In spite of statements made by these in New York State opposed to the \$100,000,000 enlargement of the Erie canal, that the work would cost twice that amount, bids on three sections, opened December 15, were much lower than the engineer's estimates for these sections.

### Forced to Starve

R. F. Leck, of Concord, Ky., says: "For 20 years I suffered agonies with a sore on my upper lip so painful sometimes that I could not eat. After vainly trying everything else I cured it with Bucklen's Arnica Salve." It's great for burns, cuts and wounds. At J. C. Perry's drug store; only 25c.
