You walk with
her, you rock her,
you give her sugar,
you try all kinds
of things!

But she coughs
all through the long
night, just the same!

No need spending another
night this way. Just a dose
or two of Ayer's Cherry
Pectoral will soothe the
throat, quiet the cough, insure a good night's rest.

Ask your doctor about the wisdom of your
keeping this remedy in the house, ready for these
night coughs of the children. Doctors have the
formula. They know all about this medicine.

Made by the J. C. Ayer Co., Lowell, Mass.

Humors

They take possession of the body, and are Lords of Misrule. They are attended by pimples, boils, the itching tetter, salt rheum, and other cutaneous eruptions; by feelings of weakness, languor, general debility and what not. They cause more suffering than anything else.

Health, Strength, Peace and Pleasure require their expulsion, and this is positively effected, according to thousands of grateful testimonials, by

Hood's Sarsaparilla
Which radically and permanently drives them out and builds up the whole system.
