

Tired, Nervous Mothers

Make Unhappy Homes—Their Condition Irritates Both Husband and Children—How Thousands of Mothers Have Been Saved From Nervous Prostration and Made Strong and Well.

Mrs. Chester Curry

Mrs. Chas. F. Brown

A nervous, irritable mother, often on the verge of hysteria, is unfit to care for children; it ruins a child's disposition and reacts upon herself. The trouble between children and their mothers too often is due to the fact that the mother has some female weakness, and she is entirely unfit to bear the strain upon her nerves that governing children involves; it is impossible for her to do anything calmly.

The ills of women set like a firebrand upon the nerves, consequently nine-tenths of the nervous prostration, nervous despondency, "the blues," sleeplessness, and nervous irritability of women arise from some derangement of the female organism.

Do you experience fits of depression with restlessness, alternating with extreme irritability? Are your spirits easily affected, so that one minute you laugh, and the next minute you feel like crying?

Do you feel something like a ball rising in your throat and threatening to choke you; all the senses perverted, morbidly sensitive to light and sound; pain in the ovaries, and especially between the shoulders; bearing down pains; nervous dyspepsia, and almost continually cross and snappy?

If so, your nerves are in a shattered condition, and you are threatened with nervous prostration.

Proof is monumental that nothing in the world is better for nervous prostration than Lydia E. Pinkham's Vegetable Compound; thousands and thousands of women testify to this fact.

Ask Mrs. Pinkham's Advice—A Woman Best Understands a Woman's Ills.

Mrs. Chester Curry, Leader of the Ladies' Symphony Orchestra, 42 Saratoga Street, East Boston, Mass., writes: Dear Mrs. Pinkham:—

"For eight years I was troubled with extreme nervousness and hysteria, brought on by irregularities. I could neither enjoy life nor sleep nights; I was very irritable, nervous and despondent.

"Lydia E. Pinkham's Vegetable Compound was recommended and proved to be the only remedy that helped me. I have daily improved in health until I am now strong and well, and all nervousness has disappeared."

Mrs. Charles F. Brown, Vice-President of the Mothers' Club, 21 Cedar Terrace, Hot Springs, Ark., writes: Dear Mrs. Pinkham:—

"I dragged through nine years of miserable existence, worn out with pain and nervousness, until it seemed as though I should die. I then noticed a statement of a woman troubled as I was, and the wonderful results she derived from Lydia E. Pinkham's Vegetable Compound, I decided to try it. I did so, and at the end of three months I was a different woman. My nervousness was all gone, I was no longer irritable, and my husband fell in love with me all over again."

Women should remember that Lydia E. Pinkham's Vegetable Compound is the medicine that holds the record for the greatest number of actual cures of female ills, and take no substitute.

Free Advice to Women. Mrs. Pinkham, Lynn, Mass., invites all sick women to write to her for advice.

Mrs. Pinkham's vast experience with female troubles enables her to tell you just what is best for you, and she will charge you nothing for her advice.

VICTORY FOR MINING INTERESTS

Unproductive Properties to Be Relieved From Annual Incorporation Tax

Representative Bingham's bill to relieve mines producing less than \$10,000 a year from the provisions of the incorporation tax, was passed Thursday by the house.

He said his bill would not reduce revenues under the Eddy law. As a man who had followed prospecting for twenty years and knew the hardships that stood in the way of those who wielded the pick and shovel. He made an eloquent plea for relief from the Eddy bill for the unproductive undeveloped mines.

Kay opposed the bill and showed that the Eddy bill was more liberal than in Colorado and California. He produced statistics from the report of Secretary of State Dunbar to prove that no injustice was done the new and smaller miners.

Smith of Baker said that mining was not fostered and encouraged by the Eddy bill. The industry was developed and put on a paying basis before it was taxed, as Mr. Kay had stated to be the fact in Colorado. Capital would not come into this state to develop mines under the operation of the Oregon law.

Bingham closed the debate by saying that his bill was for the best interests of the state. Most mining enterprises had more money when organized than at any time thereafter. He believed the Eddy law was promoting wildcat mining companies. With the big real deal of the secretary of state and unlimited issues of stock, under its provisions the wildcat operators descended on the uninitiated and defrauded them.

Bingham closed with an eloquent appeal for the men who trod the snow-laden mountains and penetrated the wildest fastness of the mountains to explore the hidden sources of wealth that enriched the state and blessed all mankind. The bill passed with 34 votes for it.

This bill means a great relief to the owners of undeveloped mines of Marion county. Hundreds of these properties are expending large sums of money and producing little or no return. The bill will encourage opening of new mines and bring more capital into this industry.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

I Can do all My Own Work

"I feel it my duty to tell you what your medicines did for me," writes Mrs. Blanche Marshall, of Whiting, Jackson Co., Kansas, Box 139. "I was severely afflicted with kidney trouble and female weakness. In less than three months the trouble became so bad I could hardly walk around the house. I suffered almost everything. Seeing your advertisement in our paper concluded to write Dr. Pierce. After receiving your kind advice I immediately began taking your medicine. After taking two bottles of 'Favorite Prescription' alternately with two of 'Golden Medical Discovery,' and using one box of 'Lotion Tablets' I am entirely cured. I can do all my own work without any trouble. I take great pleasure in recommending Doctor Pierce's medicines to all suffering women."

housed in a \$50,000 building. The pavilion, which will be 100 feet square, will be a replica of an old Hindoo temple, and will be decorated with Hindoo carving in exact imitation of the original. In the building will be a display of Indian arts and industries valued at \$200,000. A tea garden, where Hindoo servants, garbed in the picturesque turban and sash of India, will serve the beverage, will be conducted in the temple. Among the exhibits will be rare shawls, brass and silver filigree work, sandal-wood carving and inlaid furniture.

Pretty Safe Rule to Go By.

When there is a feeling that the heart or lungs, blood or liver, brain or nerves are diseased, at once commence to doctor the stomach. That is the foundation of the trouble in 90 cases out of every 100. Commence to regulate the digestive organs, get them in healthy working condition, and the other troubles will leave of themselves. Diseases which have their beginning in the stomach must be cured through the stomach. The medicine for stomach disorders and half the ills of life, is Dr. Gunn's Improved Liver Pills. They are sold by all druggists for 25c per box. One pill is a dose. These pills put all the digestive organs in good condition so that disease has no basis to work upon.
