

WOMAN ELECTED SENATOR

Miss McCarthy Chosen to Represent State at Washington

Hon. Frank Davey Presided at Merry Mimic Session

Merry and witty were the members of the third house, which convened last night in the hall of representatives.

Hon. Frank Davey was unanimously elected speaker, and the manner in which he carried his many honors did great credit to his wit and fertile Irish brain. All kinds of astounding questions, points of order and motions were fired in bunches at Mr. Speaker, but a ready answer was always waiting, and when Mr. Perkins, of the Portland Journal, made his great speech against the bill to cause all women to tell their true ages upon being married, Mr. Speaker quickly replied to it by stating that a man was brave indeed who would confess to having been refused 19 times.

Smith of Josephine, as represented by Reading Clerk Pat McArthur, was a source of much merriment, when he would ponderously pound his desk and argue with Lithicum, of Multnomah,

PALACE PHAR.

in the person of W. Lair Thompson, erstwhile chief clerk of the second house, or Calendar Clerk J. A. Finch, who held down Bailey's chair in a most efficient manner.

Speaker Davey saying that decorations were needed for the speaker's platform, called Speaker Mills, of the second house, and President Koykendall, of the senate, to his side, amid great applause, which the Hon. Frank graciously allowed the lesser lights to share with him, and even went so far as to tell the assembly that they should appreciate the honor of sitting before "three" such good looking men.

On motion of the Hon. James Finch, Senator Malarkey was appointed assistant reading clerk, which difficult position he filled in a splendid manner.

After several thousand bills and resolutions had been disposed of the seventeenth order of business was taken up, and nominations were in order for the office of United States senator. Numberless candidates were put before the house, which was resolved into a joint session, but one after another they were withdrawn until the contest lay between the Superintendent of Stenographers Miss McCarthy and Mrs. Woodcock, of Portland, the latter be-

BAD BABIES

Are often only hungry babies. They cry and fret because they are ill-fed. The healthy mother is sure to have good babies: babies that coo and sleep and grow. Mothers who use Doctor Pierce's Favorite Prescription, are generally healthy and happy, and have healthy, happy children. "Favorite Prescription" prevents nausea, soothes the nerves, promotes the appetite and causes sleep to be sound and refreshing. It gives a great physical vigor and muscular elasticity so that the baby's accident is practically painless. It is the best tonic for nursing mothers, restoring strength and promoting an abundant flow of nutritive secretions.

It is as cheerfully recommended by Dr. Pierce's Favorite Prescription as one of the best medicines for women. writes Mrs. Mary Munick, Marlock, of 242 Woodland Ave., Topeka, Kan.: "I consider the best medicine made. I know it has no equal. I am the mother of ten children and only one living—the tenth one. She is one year old and is as well and hearty as can be. She is a beauty. Of my other babies, one lived to be one year old but she was always feeble. I tried different doctors, but none of them could tell me what my trouble was. They said I was well and strong. I was examined by surgeons but they found nothing wrong, and they were puzzled to know what my trouble was. I did not know what to do, so I thought this time I would try Dr. Pierce's Favorite Prescription. I took it the entire nine months and now have a fine baby girl, and I cannot praise your medicine enough for the good it did me."

"Favorite Prescription" makes weak women strong, sick women well. Accept no substitute for the medicine which works wonders for weak women. Dr. Pierce's Pleasant Pellets are easy and pleasant to take. A most effective laxative.

Neary vs. Sayers.
Milwaukee, Wis., Feb. 10.—The local sporting contingent is on edge in anticipation of the fight tonight between Charlie Neary, the idol of Milwaukee fight followers, and Maurice Sayers, of Chicago. Efforts to get the two together in the ring have been making for some time, and it was only with much difficulty that the club succeeded in getting their signatures to an agreement. The fight will be a six-round affair at 130 pounds.

Prominent Speakers to Be Heard.
Bridgeport, Conn., Feb. 10.—The Bridgeport Board of Trade has completed arrangements on an elaborate scale for its annual banquet tonight. The list of speakers is headed by Congressman Cushman, of Washington, and Lloyd, of Missouri.

CERTAIN RESULTS.
Many a Salem Citizen Knows How Sure They Are.

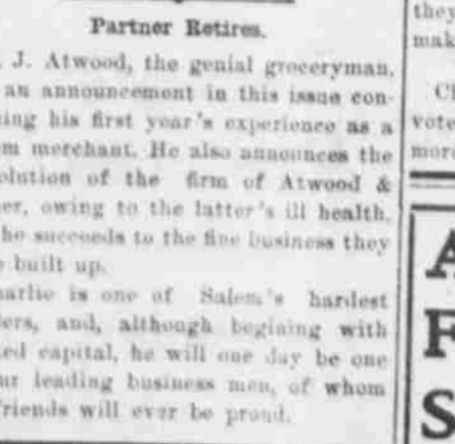

Nothing uncertain about the work of Doan's kidney pills in Salem. There is plenty of positive proof of this in the testimony of citizens. Such evidence should convince the most skeptical doubter. Read the following statement:

James Tanner, farmer, corner of 13th and Lewis streets, says: "So many suffer from kidney complaint that for a time I was alarmed about myself for I was troubled with my back aching in the region of my kidneys. I think it was caused first by a strain from heavy lifting I did two years ago. I kept getting worse, instead of better, and finally consulted a doctor. He told me I had gall stones in the bladder, but trouble with kidney secretion existed, their too frequent action disturbed my rest from 15 to 20 times a night. This was very annoying and I was in a bad way when I read of Doan's Kidney pills, and procured a box at Dr. Stone's drug store. To say that I was surprised at the speedy effect of their use is putting it mildly. I have recommended Doan's kidney pills to others, and will always have a good word for them."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other. 20
