

Consumption can certainly be cured

Nearly all cases in the early stages. Many even when far advanced. Fresh air stands first. Good food next. Then a medicine to quiet the cough and control the inflammation—Ayer's Cherry Pectoral. Ask your doctor about this advice.

THE PLYMOUTH

Name of Salem's New Clothing and Furnishing House.

Oscar M. Johnson, who is known to everybody in Salem, and one of her most capable young business men, is about to open a furnishing and clothing concern on State street, and will occupy the room in the Tioga block recently vacated by Haberly's drug store. He is having the room entirely renovated and newly decorated, and proposes to have one of the most attractive stores in Salem, for the size of it. Oscar Johnson has grown up in his father's business, and has for some years been on the road as a traveling man. In this capacity he was accounted one of the best and most successful salesmen in his line. He proposes to run an up-to-date store, and invites all his old friends, as well as everybody else, to visit his new place, which will be open in a few days.

Fiendish Suffering

is often caused by sores, ulcers and cancers, that eat away your skin. Wm. Bedell, of Flat Rock, Mich., says: "I have used Bucklen's Arnica Salve for Ulcers, Sores and Cancers. It is the best healing dressing I ever found." Soothes and heals cuts, burns and scalds. 25¢ at J. C. Perry's drug store; guaranteed.

Portland Lodge Worker.

Protection Lodge, A. O. U. W., Saturday night had the pleasure of entertaining Past Grand Master Feeney. Mr. Feeney is a successful worker in the interests of the order, and gave the Salem lodge an instructive and interesting talk.

A Touching Story

is the saving from death of the baby girl of Geo. A. Eyer, Cumberland, Md. He writes: "At the age of 11 months, our little girl was in declining health, with serious throat trouble, and two physicians gave her up. We were almost in despair, when we resolved to try Dr. King's New Discovery for Consumption, Coughs and Colds. The first bottle gave relief; after taking four bottles she was cured, and is now in perfect health." Never fails to relieve and cure a cough or cold. At J. C. Perry's drug store; 50c and \$1.00 guaranteed. Trial bottle free.

A Pleasant Way to Travel.

The above is the usual verdict of the traveler using the Missouri Pacific railway between the Pacific coast and the east, and we believe that the service and accommodations given merit this statement. From Denver, Colorado Springs and Denver there are two through trains daily to Kansas City and St. Louis, carrying Pullman's latest standard electric-lighted sleeping cars, chair cars and up-to-date dining cars. The same excellent service is operated from Kansas City and St. Louis to Memphis, Little Rock and Hot Springs. If you are going east or south, write for particulars and full information.

SOCIAL EVENTS

Surprise Party.

Miss Ethel Van Patton was the recipient of a delightful surprise party Wednesday evening, when a number of her friends gathered at her home in Yew Park, and made merry during the evening.

Woodmen Social.

The Woodmen of the World gave a most enjoyable social at their hall in the Holman Block Friday evening. A large number of the friends were present, and spent a very pleasant evening. A musical and literary program was rendered. Evans' orchestra furnished music. Miss Mabel DeLong gave a piano solo, Miss Hewitt and Chas. Parrish gave recitations. Oscar Norton the singer, delighted the audience with two vocal numbers. Prof. W. C. Hawley gave a short fraternal address. Ed. Histine and Eric Kleppin gave a laughing comedy, entitled "Is He In?" They also appeared separately and were much enjoyed. Perhaps the best number on the program was the hypnotic exhibition by E. Cooke Patton. He placed several young men in most laughable situations, and kept the audience in a roar of laughter from beginning to end. The whole entertainment was well rendered, and the Woodmen are to be congratulated on giving their friends such an enjoyable evening.

Euchre Club.

Mrs. Claud Gatch entertained the Fortnightly Euchre Club at her home on Oak street Friday afternoon. A number of ladies visiting from other places were present, among those being Mrs. Rosenberg, Seattle; Mrs. Wood, Albany; Mrs. Smith, Pendleton; Mrs. Cooper, Independence; Mrs. Ferrin, Marshfield; Mrs. Holman, Portland, and Mrs. W. E. Vawter, Medford.

In the Social Season.

Schucking gave an informal whist party, which was a most delightful affair. Mrs. A. M. Crawford gave a delightful card party at which a number of the people in attendance at the legislature were present. Wednesday Mrs. Charles Gray entertained a few friends at an informal

What is a Backache?

IT IS NATURE'S WARNING TO WOMEN

Diseases of Woman's Organism Cured and Consequent Pain Stopped by Lydia E. Pinkham's Vegetable Compound

"It seems as though my back would break." Women utter these words over and over again, but continue to drag along and suffer with aches in the small of the back, pain low down in the side, "bearing down" pains, nervousness and no ambition for any task.

They do not realize that the back is the mainspring of woman's organism, and quickly indicates by aching a diseased condition of the womb or kidneys, and that the aches and pains will continue until the cause is removed.

Lydia E. Pinkham's Vegetable Compound for twenty years has been the one and only effective remedy in such cases. It speedily cures all womb and kidney disorders and restores the female organs to a healthy condition.

Here is one case among thousands: "I consider Lydia E. Pinkham's Vegetable Compound the most wonderful remedy in the world for sick women. For a long time I suffered with a severe backache and bearing-down pains; in fact, I had womb trouble. Reading of the remarkable cure your Compound had made I decided to try it, and I am happy to say that it not only cured me entirely of all my troubles but made me a strong, well woman."—Mrs. Elizabeth H. Thompson, Lily Dale, N. Y.

No other medicine holds such a record of cures of female ills as does Lydia E. Pinkham's Vegetable Compound. No other person can give such helpful advice to women who are sick as can Mrs. Pinkham, for none have had such a great experience. Her address is Lynn, Mass., and her advice free.

afternoon, which was one of the pleasant events of the week.

Relief Corps Social.

Mrs. John Knight will entertain the G. A. R. and Relief Corps at her home on East Chemeketa street Tuesday evening of this week.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

The force which is to make this long and interesting voyage, will comprise the following ships, all of the most recent construction: "The Drake, armored cruiser, with a speed of 24 knots and a displacement of 15,000 tons. The crew numbers 900. The Berwick, Cumberland, Cornwall, Essex, and another armored cruiser of the same type, to be assigned, complete the squadron. These five sister ships have a speed of 23 knots, and each mounts 14 6-inch quick-firing guns, besides a number of smaller weapons.

Public Is Aroused.

The public is aroused to a knowledge of the curative merits of that great medical tonic, Electric Bitters, for sick stomach, liver and kidneys. Mary H. Walters, of 540 St. Clair ave., Columbus, Ohio, writes: "For several months I was given up to die. I had fever and ague, my nerves were wrecked; I could not sleep, and my stomach was so weak from useless doctor's drugs that I could not eat. Soon after beginning to take Electric Bitters I obtained relief, and in a short time I was entirely cured." Guaranteed at J. C. Perry's drug store; price 50c.

STATE SOCIAL NEWS

Silverton.

The city council met in regular session last Monday evening. At this meeting the matter of appealing the case against Mrs. Davis was again discussed. Councilman F. M. Brooks and City Attorney L. J. Adams engaged in a heated discussion. When the final vote was taken it showed four vote for and two against appealing the case. Mrs. Davis got the decision over the city in the circuit court, but Mr. Adams is confident of getting a reverse decision in the supreme court.

Dr. George N. Payne and Miss Marguerite Foy, the hypnotist, gave entertainments in Liberal hall Monday, Tuesday and Wednesday evenings. The first two nights they had full houses, but the third evening only about 20 people turned out. Some people say the show was a fake, and those who are in a position to know say it was all right.

The Marguerite Fischer Dramatic Company, which was to have been in Silverton Friday and Saturday has canceled its engagement. They wanted the hall for three nights, but it was engaged for Thursday night, so they would not come.

The "Model" bakery, which ended so disastrously a few weeks ago, is to be started up again. This time a Portland man will run it. He has bought the Model bakery building, and will do business at the old stand.
