

THE TURN OF LIFE

A Time When Women Are Susceptible to Many Dread Diseases—Intelligent Women Prepare for It. Two Relate their Experience.

The "change of life" is the most critical period of a woman's existence, and the anxiety felt by women as it draws near is not without reason.

Every woman who neglects the care of her health at this time invites disease and pain. When her system is in a deranged condition, or she is predisposed to any organ, the tendency is at this period likely to become active—and with a host of nervous irritations, make life a burden. At this time, also, cancers and tumors are more liable to form and begin their destructive work.

Such warning symptoms as sense of suffocation, hot flashes, headaches, backaches, dread of impending evil, timidity, sounds in the ears, palpitation of the heart, sparks before the eyes, irregularities, constipation, variable appetite, weakness and inquietude, and dizziness, are promptly heeded by intelligent women who are approaching the period in life when woman's great change may be expected.

These symptoms are all just so many calls from nature for help. The nerves are crying out for assistance and the cry should be heeded in time.

Lydia E. Pinkham's Vegetable Compound was prepared to meet the needs of woman's system at this trying period of her life. It invigorates and strengthens the female organism and builds up the weakened nervous system. It has carried thousands of women safely through this crisis.

For special advice regarding this important period women are invited to write to Mrs. Pinkham at Lynn, Mass., and it will be furnished absolutely free of charge.

Read what Lydia E. Pinkham's Compound did for Mrs. Hyland and Mrs. Hinkle:

Dear Mrs. Pinkham:— "I had been suffering with falling of the womb for years and was passing through the Change of Life. My womb was badly swollen; my stomach was sore; I had dizzy spells, sick headaches, and was very nervous.

Lydia E. Pinkham's Vegetable Compound Succeeds Where Others Fail.

Mrs. A. E. G. Hyland

"I wrote you for advice and commenced treatment with Lydia E. Pinkham's Vegetable Compound as you directed, and I am happy to say that all those distressing symptoms left me and I have passed safely through the Change of Life, a well woman. I am recommending your medicine to all my friends."—Mrs. Annie E. G. Hyland, Chestertown, Md.

Another Woman's Case. "During change of life words cannot express what I suffered. My physician said I had a cancerous condition of the womb. One day I read some of the testimonials of women who had been cured by Lydia E. Pinkham's Vegetable Compound, and I decided to try it and to write you for advice. Your medicine made me a well woman, and all my bad symptoms soon disappeared.

"I advise every woman at this period of life to take your medicine and write you for advice."—Mrs. Lizzie Hinkle, Salem, Ind.

What Lydia E. Pinkham's Vegetable Compound did for Mrs. Hyland and Mrs. Hinkle it will do for any woman at this time of life.

It has conquered pain, restored health, and prolonged life in cases that utterly baffled physicians.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.
