

HOOD RIVER PAPER FORECASTS POLITICS

The Hood River Glacier has the following political item:

Among those who are being mentioned for the Republican nomination for Governor next year are C. A. Johns, of Baker City, Judge L. B. Webster, of Portland, L. L. Patterson and T. T. Geer, of Salem, Dr. James Withycombe, of Corvallis, M. A. Moody, of The Dalles, Dr. W. Kuyken, of Eugene, Judge H. L. Benson, of Klamath Falls, and our own E. L. Smith, of Hood River.

Mr. Smith modestly declares he has no gubernatorial aspirations. He has never sought political honors. Nevertheless he stands well in the lead among the prominent men of the state. He would be a credit to Oregon in the governor's chair.

Claude Gatch, F. T. Wrightman, and Let. L. Pierce, of Salem, are being boomed by their friends for secretary of state, while W. H. Hobson, of Stayton (Marion county), E. V. Carter, of Ashland, and Dr. R. E. Lee Steiner, of Lakeview, are talked of for state treasurer. It is also understood that J. B. Whitney, state printer, will be a candidate for re-election.

There are numerous would-be candidates for the Republican nomination for congress in the first district. It is generally understood that Binger Hermann will not be a candidate for re-election. Walter L. Tooez, "the man that made Woodburn famous," Colonel E. Hofer, editor of the Capital Journal

(Salem), and Wm. I. Vawter, representative from Jackson and Douglas counties are said to be candidates for congress in the first district, and the little birds say that I. H. Bingham, of Lane county, and P. R. Kelly, of Linn county, are listening with attentive ears to the buzz of the congressional bee. Should Judge Harris, of Eugene, decide to enter the race he could doubtless secure the nomination without much trouble.

As "Bob" Veatch and J. K. Weatherford are tired of being trotted out for the biennial slaughter, Bob Glen Smith, the "gentleman from Josephine," will probably be the Democratic candidate for congress in the first district.

In the second district it would be presumptuous to make forecasts at this distant date. That there will be a shaking up in this district seems apparent. There may be a turning over in Wasco county. When the welfare of a community is thwarted to assist the interests of an individual politician there is frequently a revolt in this day and age. Any sort of a Democrat would be preferred to certain Republicans, if it must be certain Republicans.

With two congressmen, a governor, a full state ticket, and a legislature due to select a United States senator—all to be nominated and elected next year, there certainly will be big things doing in Oregon politics.

Distress After Eating

Nausea between meals, belching, vomiting, flatulence, fits of nervous headache, pain in the stomach, are all symptoms of dyspepsia, and the longer it is neglected the harder it is to cure it.

Hood's Sarsaparilla and Pills

Radically and permanently cure it—strengthen and tone the stomach and other digestive organs for the natural performance of their functions.

Accept no substitute for Hood's. "I had dyspepsia twenty-five years and took different medicines but got no help until I began taking Hood's Sarsaparilla. Have taken four bottles of this medicine and can now eat almost anything, sleep well, have no cramps in my stomach, no burning and no distress." Mrs. WILLIAM G. BARRETT, 14 Olney St., Providence, R. I. Hood's Sarsaparilla promises to cure and keeps the promise.

Davenport Will Exhibit.

Pearl W. Geer, who was vice-president of the Liberal University, at Silverton a few years ago, and who now has charge of Homer Davenport's farm at Morris Plains, N. J., sailed from New York for London Saturday with a shipment of Oregon quail and wild turkeys, and will bring back with him a lot of water fowl to be exhibited at the Lewis and Clark fair.

Rivers on Rampage.

Pittsburg, March 20.—An ice-laden torrent this morning rushed down the Allegheny river, and threatens during the day to inundate the lowlands of the valley of Pittsburg and Allegheny city with the flood at a stage of 28 to 30 feet. Warnings have been sent out and many of the factories are closed.

Come a Going.

Chicago, March 20.—A child was born in a sleeping car on the Chicago & Alton railroad, to Mrs. H. H. Shinar, 1308 Golden avenue, San Francisco. She arrived here this morning, and was taken to Grace Hospital. Physicians boarded the train in Missouri, and took charge of the woman. She was on her way to Toledo to visit relatives.

Synagogue Reopened.

Moscow, March 20.—The great synagogue, which the Grand Duke Sergius forcibly closed 14 years ago, has been reopened and reconsecrated with thanksgiving service.

Burglars Want New Trial.

Albany, Or., March 18.—The attorneys for Ed. Dunn and J. A. Crossley, found guilty on the charge of robbing the Lebanon bank, filed a motion for a new trial yesterday afternoon. This is understood to be a preliminary step toward carrying the case to the supreme court.

It is alleged in the motion that, on account of irregularities in the proceedings of the court the defendants were prevented from securing a fair and impartial trial. Judge Burnett will probably act on the motion Monday, when he reconvenes court for the purpose of sentencing the prisoners.

Albany Wins.

Albany, Or., March 18.—Albany college won from Pacific College in the intercollegiate debate held in this city last night. The decision of the judges was unanimous in favor of the Albany debaters, who defended the negative of the question: "Resolved, That reciprocity is a better method of regulating our internal commercial intercourse than a protective tariff."

Romantic Wedding.

A wedding in the Hot Springs jail had all the picturesque Arkansas features hadn't it? The groom was in for disorderly conduct and the bride for carrying a pistol; the best man was there for petty larceny and the maid of honor for loitering; the bride was given away by a cocaine fiend who had to be revived for the occasion, but was the only man who possessed the required dignity. The groom spent his last cent for a license and is now impatient to get out and earn enough to pay the fine of his blushing bride.

When Baby was sick, we gave her Castoria. When she was a Child, she cried for Castoria. When she became a Woman, she clung to Castoria. When she had Children, she gave them Castoria.

NEVAGELISTIC SINGERS

The Misses Oliphant, who begin a ten days' service of meetings at the First Methodist church tonight, are popular gospel singers. They have attracted large crowds at the leading churches of Portland. A year or more ago they made a pilgrimage through our own and foreign lands, singing their way into the hearts of thousands of hearers. They will meet with a cordial reception in Salem.

Smith to Be General Inspector.

Washington, D. C., March 20.—Rear-Admiral Addison Baxter Smith reached the retiring age today, but the navy department in line with a policy which it has followed in numerous cases of late years, has decided to retain him in active service. He has been detached, however, from the steam engineering department of the New York navy yard to become general inspector of the bureau of steam engineering at the shipbuilding plants at Bath, Me.; Fore River, Mass.; Morris Heights, N. Y.; Rayonne, N. J.; Camden, N. J.; Newport News, Va., and Philadelphia.

Rear-Admiral Smith was promoted to his present rank under the navy personnel act by virtue of his Civil War Record. After long service on the water he became a member of the naval advisory board, and later was detailed as inspector of the engineering construction work on the cruisers Philadelphia, Baltimore and No. 9. In 1899 he became a commander of the line, and was promoted to a captaincy in 1902. During the war with Spain he frequently remained on duty day and night, getting the men-of-war in commission.

CHILDREN CRY FOR
FLETCHER'S CASTORIA.

What Time Proves.

This thing of being sick and looking for a cure is a mighty serious business. People are not given to joking even at the first symptom of the approach of the Grim Destroyer. They do not want to be the subjects of experiment, but want medicine that has had the test of years behind it. A medicine that has been made and used for 20 years gives assurance of its worth, and can be taken with a faith that they have the very best cure the world affords. All this can be said about Dr. Gunn's Improved Liver Pills as a remedy for sick headache, dyspepsia and indigestion, it begins right at the source of the trouble and removes the cause. Sold by all druggists for 25c per box. One pill a dose.

Has a License to Ask Questions.

Recently a young school girl called at the office to get some Bristol board to be used in an entertainment at school. The editor asked numerous questions about the time and place of the entertainment, all of which the little lady answered. When she returned to school she said to the teacher: "Miss —, that man at the printing office asked me all kinds of questions about our entertainment, and don't you know, I wasn't well enough acquainted with him to tell him that it was none of his business."—Lakeview Herald.
