## SOCIAL EVENTS

### Delightful College Event.

The open meeting given by the Coleman Literary Society and the Clara Coleman Sorosis, of Willamette University, was a decided success last evening. The chapel was filled with a large number of the students and friends. The program was very interesting, and each number was well rendered. A. R. Marker, Willamette's young orator, opened the program with a fine address which was filled with humorous and interesting remarks. Miss Grace Oliver then gave a delightful instrumental number, after which Miss Olive Riddell gave a reading entitled "Dorothea's Must'nts," which was rendered in a most pleasing manner.

The farce was the concluding number of the program, and the main feature of the evening's entertainment. It was a laugh from beginning to end, and the young people in their first made good in their respective parts. Miss Mabel Robertson and E. K. Miller sustained the leading roles in a most pleasing manner, while Paul Beach and Ralph Rader, as the two Englishmen, were exceptionally fine, and brought forth much applause in their use of the dialect. Others who took part in the play were A. G. Nace, Lenta Young, Ida Stevens and Lila Swafford, who handled their rôles in a most creditable manner.

After the entertainment a social was given the Philodorian and Philodorian societies in the new hall, and was largely attended by the faculty and students. Refreshments were served during the evening, and the whole was a most enjoyable affair.

At the close of the game the score stood 18 to 0 in favor of the boys from Asylum avenue. The "Eagles" seemed to be unable to connect with Pitcher Ostrander's curves.

### After Many Years.

George Kinner, of Seattle, is in the city visiting friends. Yesterday afternoon while he was inspecting the state house, and had entered the elevator to descend, he recognized the operator, Samuel Kleffman, as an old acquaintance and comrade in arms during the Civil War.

At that time they both served in the same regiment, the 47th Illinois. Mr. Kinner was the captain of company F, while Kleffman had served in Company C.

It was in the fall of 1864 when they parted company, 41 years ago, so that the reunion of these two long-separated friends at this time was indeed a pleasurable one.

### What Time Proves.

This thing of being sick and looking for a cure is a mighty serious business. People are not given to joking even at the first symptom of the approach of the Grim Destroyer. They do not want to be the subjects of experiment, but want medicine that has had the test of years behind it. A medicine that has been made and used for 20 years gives assurance of its worth, and can be taken with a faith that they have the very best cure the world affords. All this can be said about Dr. Gunn's Improved Liver Pills as a remedy for sick headaches, dyspepsia and indigestion. It begins right at the source of the trouble and removes the cause. Sold by all druggists for 25c per box. One pill a dose.

For sale by Dr. S. C. Stone, druggist.

## The Hand That Wards Off Coughs, Colds, Grip And Restores Nervous, Dyspeptic Catarrh Wrecks

LIKE A DEMON grip has crossed our country, leaving behind scores of physical wrecks.

Victims of catarrh of the head, catarrh of the throat, catarrh of the lungs, catarrh of the stomach, catarrh of the kidneys, catarrh of the pelvic organs, are to be counted by hundreds of thousands.

Grip is epidemic catarrh, and sows the seed of chronic catarrh within the system.

This is so true that few grip sufferers are able to make a complete recovery until they have used Peruna.

Never in the history of medicine has a remedy received such unqualified and universal eulogies as Peruna.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case, and he will be pleased to give you his valuable advice gratis.

### Cured of Obstinate La Grippe.

Henry Distin, the inventor and maker of band instruments for the Henry Distin Mfg. Co., at Williamsport, Pa., is probably the most active old man in Philadelphia today. He writes from 141 S. 9th street, Philadelphia, Pa.:

"I write to inform you that I had a bad attack of la grippe last December which lasted more than three months, and which left me with catarrh, and several of my friends advised me to try your wonderful medicine, Peruna.

"I began with a bottle the first week in March and it certainly did me a great deal of good.

"I was so well satisfied that I purchased another bottle, and followed your directions which you furnish with every bottle, and I am glad to say that it has cured me. I shall certainly recommend the Peruna to all my friends."—Henry Distin.

### Congressman Powers of Vermont Uses Pe-ru-na in His Family.

Hon. H. Henry Powers, writes from Morrisville, Vt.:

"Peruna I have used in my family with success. I can recommend it as an excellent family remedy, and very good for coughs, colds and catarrhal affections."—H. Henry Powers.

### Pe-ru-na For Catarrhal Nervousness and Stomach Troubles.

Hon. W. J. Purman, ex-member of Congress from Florida, writes from 122 Q street, N. W., Washington, D. C.:

"From representations to me, and from my own experience, I feel justified in recommending your Peruna to any and all persons suffering with catarrhal nervousness or stomach troubles."—W. J. Purman.
