Introducing Bee Line Buggies

UP TO SEVEN YEARS AGO WE HAD SOLD BUGGIES AND OTHER LIGHT VEHICLES OF THE MANUFACTURERS' REGULAR CONSTRUCTION AND GRADE. OUR EXPERIENCE, HOWEVER, LED US TO THE POINT OF DETERMINING THAT A BUGGY OR OTHER LIGHT VEHICLE FOR THIS NEW COUNTRY, TO GIVE PERFECT SATISFACTION, MUST BE MADE DIFFERENTLY FROM THE BUGGIES OF THE EAST. MUST BE BUILT UP AND CERTAIN PARTS GRADED UP TO MEET THE DIFFERENT REQUIREMENTS OF THIS COUNTRY, AS COMPARED WITH MORE IMPROVED CONDITIONS OF THE EAST. AS A RESULT WE HAVE FOR THE PAST SEVEN YEARS HAD OUR BUGGIES BUILT TO OUR ORDER IN SUCH A WAY AS WE KNOW WILL MAKE THEM STAND UP AND GIVE SATISFACTION. IN DOING THIS WE HAVE DISTINGUISHED THEM FROM THE COMMON RUN OF BUGGIES OF EASTERN GRADE AND CONSTRUCTION, BY GIVING THEM A NAME OF OUR OWN WHICH WE HAVE COPYRIGHTED AND USED AS A TRADE MARK.
