AMUSEMENTS.

TONIGHT.

Edison—Vaudeville.

Large Crowd at Edison.

The change in the program last night brought out the regular first nighters, and was the magnet that drew an audience that nearly tested the capacity of house. Salemites laughed and applauded and settled back in their seats with a look of satisfaction on each and every face. Pat and Fannie Kelley are funny enough to make a crutch laugh, and Zeigler, the ventriloquist, had some new ideas in his act. Madame Hoffman, magician, exhibited some new tricks, and Nellie Emerson repeated her former success. Miss Cosette sang an excellent illustrated song, and was warmly welcomed. Lend a few of your spare moments to Father Time, and get the Edison habit quick.

Sues Southern Pacific.

R. H. Dakin, a recent arrival from Illinois, who intends establishing a bank and a drug store at Springfield, has sued the Southern Pacific for \$500 damages. Dakin is having trouble with the railroad company in securing the delivery of a carload of household goods, store fixtures, etc. According to his story, when the car left his home town in the East he paid \$16 freight on it to take it to Portland. When the car arrived at Springfield he found that there was \$171 due for hauling the car from Portland to Springfield. This he refuses to pay. Besides the \$500 damages alleged to have been incurred by the detention of the goods by the company, Dakin demands the delivery of the goods or their value in cash, \$4000.

TORMENTING RHEUMATISM

Columbus, Ohio, May 20, 1903.
Six years ago I had a severe attack of inflammatory Rheumatism. I was laid up in bed for six months, and the doctors did me no good. They changed medicines every week and nothing they prescribed seemed to help me. Finally I began the use of S. S. S. My knee and elbow joints were swollen terribly, and at one time my joints were so swollen and painful that I could not close them when opened. I was so bad that I could not move knee or foot. I was getting discouraged, you may be sure, when I began S. S. S., but as I saw it was helping me I continued it, and to-day I am a sound well man and have never had a return of the disease. S. S. S. purified my blood and cured me of this severe case of Rheumatism after everything else had failed. I have recommended it to others with good results.

R. H. CHAPMAN.
1355 Mt. Vernon Ave.

The poisonous acids that produce the inflammation and pain are absorbed into the blood and Rheumatism can never be conquered till these are neutralized and filtered out of the blood and system. S. S. S. goes directly into the circulation and attacks the disease itself. It purifies and restores the blood to a healthy, vigorous condition. It contains no potash, alkali or other irritating ingredients, but is guaranteed entirely vegetable. Write us and our physicians will advise without any charge whatever. Our book on Rheumatism sent free.

HOME ENDORSEMENT.

Hundreds of Salem Citizens Can Tell You All About It.

Home endorsement, the public expression of Salem people, should be evidence beyond dispute for every Salem reader. Surely the experience of friends and neighbors, cheerfully given by them will carry more weight than the utterances of strangers residing far-away places. Read the following:

Mrs. Needham, wife of W. S. Needham, painter, residing at the corner of Fouth street and Jefferson avenue, North Salem, says: "Like almost all painters my husband, has been troubled with his kidneys for years. The exposure, the reaching and stooping, combined with the turpentine and materials in the paint, all tending to put the kidneys out of order. His back often ached badly a night when he came home from work, and when he caught cold it always aggravated the trouble. He read an advertisement about Doan's Kidney Pills, and procured a box at Dr. Stone's drug store, and used them. They did good work by helping him at once, and he continued their use until relief was obtained."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

Will Have Plenty of Room.

MADE FIRST FLAG

Mrs. Susan Looney Steiwer, who was buried in the Looney cemetery yesterday, was one of Oregon's earliest pioneer women. She and her mother, Mrs. Mary Holden, had the honor and distinction of making the first American flag ever made in Oregon. This flag was used by the first company of volunteer infantry organized in the state. The company was captained by Charles Bennett, and every week the members would meet for drill on the farm of Daniel Walso, in Marion county. On the Fourth of July, 1846, what was probably the first actual celebration held in Oregon took place here in this city, and the company so lately formed participated in the parade. The new flag was carried at the head of the company, lending a touch of color to the scene. At the close of the parade the crowd collected in the public square and listened to the reading of the Declaration of Independence by J. S. Smith. This was followed by an address by W. G. Tibaut, after which Father Leslie offered prayer over the barbecued meat. Daniel Waldo next read the toast. This concluded the program. Primitive as this celebration now seems to us in these days of monster parades and fetes; yet to those hardy pioneers the commemoration of the greatest event in national history in this simple manner meant more to them than do the costly celebrations of our time mean to us.

Enjoyable Fishing Trip.

Hollister Chamberlain and Ross Flower, two of Salem's young sports, have just returned from a fishing trip to Siletz Basin, having walked both ways, making the trip in four days. They left Salem last Saturday morning, and returned Tuesday evening. They report catching lots of fish and also having a fine time, although they had to go one whole day without grub.

They were fishing up a small stream, and, as the way was rather rough, they tied their provision sack to the branch of a tree, thinking they would return that way and get it. When they did return all that remained of the grub was the sack that it was wrapped in. Some animal evidently needed the meal worse than they did, but the boys are none the worse for it, as they say they had all the fish they could eat.

He Pleads Guilty.

A special from Jacksonville says: Albert Johnston, at this time serving a term of 15 years in the penitentiary from Jackson county for criminal assault, and for whom there is a report of a pardon in prospect, is serving his second term in the Oregon penitentiary, having been sent up some 20 years ago for larceny. The affidavit made by the Indian girl on whom he committed the crime that Johnston is innocent does not seem borne out by the records for Jackson county, which shows that he was not convicted after a jury trial, but that he entered a plea of guilty, and in pursuance of this plea was sentenced. Johnston's standing in the community is anything but good.

Will Meet in Guthrie.

The National Editorial Association will meet in Guthrie, Oklahoma, June 6th, 7th and 8th, and President R. J. Hendricks, of the Oregon State Press Association, is anxious to make appointments of delegates to that convention. Any of the members of the organization in this state who can attend, and would like to be appointed, are requested to at once send their names to President Hendricks. After the meeting at Guthrie an excursion will be taken to Oregon.

Pianos Arrive in Large Lots.

Today another car of pianos arrived for Geo. C. Will. There is an unheard of demand for pianos around Salem just now. The car, as former cars, is a 40-foot car containing 18 pianos, and these pianos come harnessed, not boxed, making the same freight on 18 pianos as 12 would cost boxed. This saves the price of freight on six pianos. It is only five weeks since Mr. Will received a carload, which are all sold.

Sold Bootblack Stand.

L. A. Geier, Salem's veteran bootblack, has sold his stand at 112 Commercial street to E. Anderson, and will leave today for Oregon City, where he will locate.

Mr. Geier says he will establish a six-chair bootblack stand in that city, and expects to remain there. He will send for his family in a few days.

Farmer's Institute.

Mr. J. H. Rhoten was in the city today looking after some details relative of the holding of a farmer institute at West Station about May 19th and 20th. The plan is to have some of the best speakers obtainable on their program and to hold about five sessions. The meetings will be held in the depot at West Station. Particulars as to the time and program will be given later.

THE TEACHER'S FOE

A LIFE ALWAYS THREATENED BY NERVOUS PROSTRATION.

One Who Broke Down From Six Years of Overwork Tells How She Escaped Misery of Enforced Idleness.

"I had been teaching in the city schools steadily for six years," said Miss James, whose recent return to the work from which she was driven by nervous collapse has attracted attention. "They were greatly overcrowded, especially in the primary department, of which I had charge, and I had been doing the work of two teachers. The strain was too much for my nerves and two years ago the crisis came."

"I was prostrated mentally and physically, sent in my resignation and never expected to be able to resume work. It seemed to me that I was the most miserable woman on earth. I was tortured by nervous headaches, worn out by inability to sleep, and had so little blood that I was as white as chalk."

"After my active life, it was very hard to bear enforced idleness, and it was terribly discouraging to keep paying out the savings of years for medicines which did me no good."

"How did you get back your health?"

"A bare chance and a lot of faith led me to a cure. After I had suffered for many months, and when I was on the very verge of despair, I happened to read an account of despair, I happened to read an account of some cures effected by Dr. Williams' Pink Pills. The statements were so convincing that I somehow felt assured that these pills would help me. Most people, I think, buy only one box for a trial, but I purchased six boxes at once, and when I had used them up, I was indeed well, and had no more need of more medicine."

"Dr. Williams' Pink Pills enriched my thin blood, gave me back my sleep, restored my appetite, gave me strength to walk long distances without fatigue, in fact freed me from all my numerous ailments. I have already taught for several months, and I cannot say enough in praise of Dr. Williams' Pink Pills."

Miss Margaret M. James is now living at No. 1233 Clay street, Dayton, Ohio. Many of her fellow teachers, profiting by her experience, have also used Dr. Williams' Pink Pills, and are enthusiastic about their merits. These pills have a truly wonderful record for restoring health wrecked by overwork of brain or body. Stomach, blood and nerves feel the good effects almost immediately. Sound digestion, strength, ambition and cheerful spirits quickly follow from their use. They are the best remedy for all persons who are debilitated. They are sold in every drug store in the world.

MARION COUNTY LEAGUE

There is some talk of organizing a county baseball league, to consist of Gervais, St. Paul, Woodburn, Hubbard, Mt. Angel and Chemawa. The towns mentioned have always turned out good baseball clubs, and there is no reason why some fine games should not be witnessed in the county this summer. Salem might arrange to have a part of the games pulled off in this city, providing arrangements can be made for grounds. The Marion County Amateur League should be a success.
