OFFICIAL CENSUS SALEM, MAY, 1904, 13,287.

CLEAN THE CITY.

The depot grounds of this city, where the passenger trains arrive, are being cleaned up.

The state and county and the city public grounds are being put in order, and so far as the public places are concerned there is nothing left to do but use water on them generously during the summer.

The school grounds still need attention. There are too many woodpiles, and rubbish and untrimmed trees on the grounds to present a really neat appearance.

The appearance of the school house grounds could be much improved by the co-operation of the teachers and the janitors. But it seems almost cruel to ask any more work of the teachers.

Property owners about the school houses might take some interest in this feature of cleaning of the city. Old boards, barrels, tinware and scraps of all kinds should be removed.

If Arbor Day were devoted to this, instead of planting more shade trees it would be far more beneficial. The general cleaning up of the city cannot be neglected any longer.

THE BUILDING ERA.

Salem is having a building boom, not in the sense of an inflation of the real estate market, but today there are almost 100 new dwellings under construction.

The same reports come from almost every section of the Willamette valley, and at the rate that houses are going up it is safe to say that the population is increasing rapidly.

There are several causes for this sudden change in the western part of the state. The Lewis and Clark fair has brought to Oregon a large number of people who come to make homes. They desire to build and become a part of the great commonwealth.

They are not alone, however, in this building era, for the people of the state who have lived here feel the spirit of permanency, and are erecting substantial homes. This indicates that the people who have resided here for years are satisfied with conditions, and are ready to spend their remaining years in the valley. The valley is on the verge of a period of prosperity and development and within five years will double in population and wealth.

ELECTRIC FAN VENTILATION.

The electric fan system of ventilation adopted for the new Salem High School building is said to be the best and most progressive system in use.

It provides a circulation of pure air at all times, besides distributing the heat all over the large building. It is in use in the largest and best schools of the country.

There are other good systems of heating and ventilation, but the electric fans are the latest thing of the kind, and recognized as up-to-date in every respect.

A current of fresh air is constantly forced through every room in the building, and this is of the utmost importance to large gatherings of young people.

There are more people going about with congested lungs and bloodless complexions for lack of fresh air than any other cause. So long as God made air and plenty of it, no one should be without it.

Store Changes Hands.

J. W. Harritt has purchased the store of Steiner & Company, on State street, and will take possession May 1st.

"The way to wealth, if you desire it, is as plain as the way to market."

No said wise old Ben Franklin one hundred and fifty years ago. It is as true today as then.

He points the way with this homely advice:

Be honest. Work hard. Save some.

OUR SAVINGS BANK DEPARTMENT WILL HELP YOU SAVE. "Remember," said Franklin, "that money is of a prolific, generating nature. Money begets money, and its offspring can beget more, and so on."

We receive deposits of one dollar or more any time, and pay interest at the rate of 3 per cent per annum, compounded semi-annually.

I CURED MY RUPTURE

I Will Show You How to Cure Yours FREE.

I was helpless and bed-ridden for years from a double rupture. No truss could hold. Doctors said I would die if not operated on. I fooled them all and cured myself by a simple discovery. I will send the cure free by mail if you write for it. It cured me and has since cured thousands. It will cure you. Write to-day. Capt. W.A. Collins, Box 797, Watertown, N. Y.

OBSERVATION CAR SERVICE POSTPONED

On Saturday The Journal published a telegram from Chas. S. Fee, general passenger and freight agent at San Francisco of the Harriman lines, saying that the observation car service had been extended from Glendale to Portland, and that the day trains in the Willamette valley would be equipped, both ways, with the improved service. This was very gratifying to all the people of Western Oregon, as the present service does not show the traveling public who ride in the observation cars the beautiful country north of Glendale by daylight.

The Oregonian today says the service cannot be established, on account of lack of turn-table facilities at Portland. It publishes the following statement:

No Cars at Present.

General Manager Worthington, of the O. R. & N. and the Oregon lines of the Southern Pacific, says that the dispatch from Traffic Manager C. S. Fee, of San Francisco, announcing the establishment of observation-car service through the Willamette valley on the day trains of the Southern Pacific is a mistake, and that the service will not be established at this time, for the reason that there is no way of turning the cars at this end of the line, and, therefore, they cannot be used in and out of Portland until such time as changes may be made in the track. In speaking of the matter yesterday, Mr. Worthington said:

"It was our original intention to run these cars through on trains 15 and 16, and if we were able to turn them here we should be running these cars. We should be extremely glad to oblige the people of the Willamette valley in this matter if we could, but at the present time find we are not able to do so. Some time later we may be able to introduce this attractive feature on daylight trains through the Willamette valley, and when we are able to do so, they will not find us wanting, as we are anxious, indeed, to do everything we can that will add to the comfort or pleasure of the trip through this beautiful valley."

What Can Be Done.

The officers of the Willamette Valley

PAINLESS EXTRACTION ABSOLUTELY FREE

In order to convince those who have not tried my painless method I will, on Friday, April 21st, and that day only, extract teeth by my painless method. It doesn't matter whether you have one or thirty to extract, I will do it absolutely painless and free of cost. Reason, simply to prove my statements. When you see an assertion ever my name you can depend upon it. This is no exception. Come on that day and be convinced.

DR. B. E. WRIGHT

The Painless Dentist. Steusloff building, Court St., Phone Main 2391. Hours, 8 a. m. to 8 p. m., 7 p. m. to 8 p. m. Sundays, 10 a. m. to 12 m.

Development League will not let the matter rest with this. It is well known that there are "Y" tracks at Albany, Salem and Woodburn, and the cars can be run north from Roseburg or Glendale by daylight and show the best part of Western Oregon, and render this service until a turn-table can be built at Portland. It will be noticed that Mr. Worthington says this service may be put on later, so the matter has not been given up by the railroad men. The managers are not indifferent to the needs of Western Oregon, and may be able to find shorter cars that can be turned at Portland. The effort to show the beautiful region known as the Willamette valley to the millions who will come and go from the fair will not be given up by the business men of Western Oregon, nor by the railroad officials.

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, causing catarrh of the bladder, or the kidneys themselves break down and waste away cell by cell. Bladder troubles almost always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmner's Swamp-Root, the great kidney, liver and bladder remedy. It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.

Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address, Dr. Kilmner & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmner's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

WAR ON HIGH PRICES. Eilers Piano House the Aggressors—A Two Weeks' Campaign Sale of High Grade Pianos

Will Be Relentlessly Waged for the Remainder of This Month at Our Temporary Quarters, Corner of Liberty and Court Streets, at the House Furnishing Company's Store.

As a finale to our closing out of the bankrupt stock of Gilbert Bros, in Salem, we will continue to make war on high prices for the next ten days or two weeks.

In our stock is included the most famous pianos made, such as the old reliable Chickering, of Boston; the Weber, of New York; the popular Hobart M. Cable; Schuman, Story & Clark, Baus, Jacob Doll, Marshall & Wendell, and the Weiser Bros., with the mandolin and harp attachments, and many others. All to be sold on our low-priced, easy-payment plan. Never has there been such piano values obtained in Salem, and we predict a record-breaker in the winding up of this remarkable sale.

Don't put off buying until tomorrow, but come today, while there is such an elegant variety to select from; prices will astonish you. No need to be without a piano now; terms can be arranged to suit you; in fact, we can leave you without a single expense. Mr. Lovelace will explain the wonderful Pianola and entertain you with music every night.

The magnificent Aeolian piano, combining in a single case a fine piano and the means of playing it, is on exhibition and for sale. Don't miss this opportunity of seeing this wonderful invention and perfection in Piano Pianola player combined.

Store opened every evening. Corner Liberty and Court streets.

STATE FIELD MEET

The governing board of control of the Inter-College Athletic Association of Oregon held a meeting at Salem Monday, and set Saturday, June 10th as the time for the annual field meet at this city, and the state fair grounds as the place for making the try-outs between the different colleges.

W. L. Whittlesey, of the University of Oregon, was chosen president; Willard H. Wirtz, of Pacific University, secretary and treasurer, and George Simpson, of Willamette, manager.

The Yale-Harvard plan of counting was adopted, providing four places, and giving the first man five points, the second man three points, the third two points, and the fourth one point. There will be gold and silver medals for the first and second places.

Special trains will be run from Eugene, Portland and Corvallis, and a large number of men prominent in athletics will be present. Experts have been secured as judges and referees. The board of control will ask the Salem business men to give employees a half-holiday on the day of the try-out from 1 to 4 o'clock. The event will bring large crowds to the city.

Secretary Fechter Resigned.

John Fechter, secretary of the Y. M. C. A., has resigned and B. F. Muller has been appointed to act in his place until a permanent secretary is elected. Mr. Fechter will visit with his parents in California before commencing active duties again. He has been secretary of the local branch for five years.

They Would Wed.

County Clerk J. W. Roland issued marriage licenses to the following couples today: Nellie E. Hoover and Lloyd Craft; Mary Coldren and Herbert Platts.

Regents Appointed.

Governor Chamberlain today appointed Hon. G. W. Probstel, of Weston, Oregon, and Hon. Jerry Stone, of Athena, Oregon, as regents of the Weston normal school.

City Council Meets.

The city council will hold a regular session this evening, and it is said that an application will be made for a franchise for a new electric company.

Large Hop Ranch.

J. H. Peterson, who owns the old Ankeny place, near Jefferson, has just set out 100 acres of hops on his ranch.

H. I. McCann succeeds W. C. Hagerly as editor of the McMinnville Telephone-Register. That is a very bright and able local paper and will not deteriorate under the new management.

New Cure for Cancer.

All surface cancers are now known to be curable by Bucklen's Arnica Salve. Jas. Walters, of Duffield, Va., writes: "I had a cancer on my lip for years, that seemed incurable, until Bucklen's Arnica Salve healed in, and now it is perfectly well." Guaranteed cure for cuts and burns. 25c at J. C. Perry's drug store.

STOP! WOMEN

AND CONSIDER THE ALL-IMPORTANT FACT

That in addressing Mrs. Pinkham you are confiding your private ills to a woman—a woman whose experience with woman's diseases covers a great many years. You can talk freely to a woman when it is revolting to relate your private troubles to a man—besides a man does not understand—simply because he is a man.

Many women suffer in silence and drift along from bad to worse, knowing full well that they ought to have immediate assistance, but a natural modesty impels them to shrink from exposing themselves to the questions and probably examinations of even their family physician. It is unnecessary. Without money or price you can consult a woman whose knowledge from actual experience is great.

Mrs. Pinkham's Standing Invitation:

Women suffering from any form of female weakness are invited to promptly communicate with Mrs. Pinkham at Lynn, Mass. All letters are received, opened, read and answered by women only. A woman can freely talk of her private illness to a woman; thus has been established the eternal confidence between Mrs. Pinkham and the women of America which has never been broken. Out of the vast volume of experience which she has to draw from, it is more than possible that she has gained the very knowledge that will help your case. She asks nothing in return except your good-will, and her advice has relieved thousands. Surely any woman, rich or poor, is very foolish if she does not take advantage of this generous offer of assistance.—Lydia E. Pinkham Medicine Co., Lynn, Mass.

Following we publish two letters from a woman who accepted this invitation. Note the result.

First letter.

"Dear Mrs. Pinkham— For eight years I have suffered something terrible every month with my periods. The pains are excruciating and I can hardly stand them. My doctor says I have ovarian and womb trouble, and I must go through an operation if I want to get well. I do not want to submit to it if I can possibly help it. Please tell me what to do. I hope you can relieve me."—Mrs. Mary Dimmick, 90th and E. Capitol Sts., Benning P. O., Washington, D. C.

Second letter.

"After following carefully your advice, and taking Lydia E. Pinkham's Vegetable Compound, I am very anxious to send you my testimonial, that others may know their value and what you have done for me."

No mercury, no minerals, no danger in Hollister's Rocky Mountain Tea. The greatest family tonic known. Brings good health to all who use it. 35 cents, Tea or Tablets. Stone's Drug Store.

Walding, Kinman & Marvin, Wholesale Druggists, Toledo, Ohio. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system. Testimonials sent free. Price 75 cents per bottle. Sold by all druggists. Take Hall's Family Pills for constipation.

CHILDREN CRY FOR FLETCHER'S CASTORIA.

"As you know, I wrote you that my doctor said I must have an operation or I could not live. I then wrote you, telling you my ailments. I followed your advice and am entirely well. I can walk miles without a ache or a pain, and I owe my life to you and to Lydia E. Pinkham's Vegetable Compound. I wish every suffering woman would read this testimonial and realize the value of sending to you and your remedy."—Mrs. Mary Dimmick, 90th and E. Capitol Sts., Benning P. O., Washington, D. C.

When a medicine has been successfully in restoring to health so many women whose testimony is so unquestionable you cannot well say, without trying it, "I do not believe it will help me." If you are ill, don't hesitate to get a bottle of Lydia E. Pinkham's Vegetable Compound at once, and write Mrs. Pinkham, Lynn, Mass., for special advice. It is free and always helpful.
