FRANK J. MOORE,

Returned to Oregon.

Mr. and Mrs. J. H. Lunn and sons, James and George, arrived yesterday afternoon from San Francisco. Mrs. Lunn is a daughter of Mr. and Mrs. John Holman, and a sister of the late Mrs. Thomas Holman, and they will spend the summer with Mrs. Thomas Holman. They were accompanied by Miss Alice Meyer, of Salem, Mrs. Lunn's niece, who spent a month in the Bay City. Mr. and Mrs. Lunn formerly lived in Salem, where Mr. Lunn was engaged in the drug business. Five years ago he retired from business and moved to San Francisco, and while living in that city his health was very poor. For this reason the family decided to spend the summer in Oregon, and, should he feel better here, they will probably conclude to remain in the Willamette valley permanently. Mrs. Lunn is a popular society lady, and her return to Oregon will be good news to her many friends in all parts of the valley.

THOMAS K. FORD,

WOODMEN DISCUSS EXPENSES

Los Angeles, April 20.—The session of the head camp of Woodmen of the World was occupied with the salaries and allowances in this jurisdiction. J. N. Foley, of Los Angeles, has practically withdrawn from the contest for the head consul, thus insuring the election of I. L. Beak, of Denver.

The Women of Woodcraft elected Mrs. C. C. VanOsdell, grand guardian; J. L. Wright, clerk; Hester Oliver, grand adviser; Mary Hurley, grand banker; Anna Hawkins and Lillian P. Pollock, attendants; Kansas Gooenough, grand magician; Leon Bishop, grand attendant.

The fight for the location of permanent headquarters will probably be won by Oakland, California. The election of head officers of Woodmen will occur this afternoon.

Prune Crop Ruined.

San Francisco, April 20.—The prune crop of California, in all the principal districts, will range from only one-quarter to one-half of the California season output. Ten days ago the outlook was good for a record-breaking prune-producing season. The trees were bearing enough small prunes to give basis for high hope in this direction.

Suddenly a great change has come. A very large percentage of the prunes have fallen from the trees, after the fruit had attained about the size of peas.

Rock beer comes with the flowers of spring, but, alas, does not last as long.
