

STOCKTON & CO. The Old White Corner

Green Tag Sale

This Green Tag sale will be a memorable event—in fact it is so unusual, so extraordinary, that we know our statements sound exaggerated. Don't look at it in that light, but take the standpoint of human nature and of legitimate merchandising. It is human to plunge, and to endeavor to outdo others. It is legitimate to sell goods at less than original wholesale cost, especially when you have bought enormous quantities at half cost. We figure close, and figures show that we still have a big margin to work on. Our enormous purchases have placed us in a position to undersell all competition.

Watch Us, Believe Us, Trust Us!
We will never deceive you.

**WE DO
Do What we Say we Do.**

FREE Talking Machine

The more our competitors talk about our talking machines, the more machines talk in our customers' homes. **STILL THEY GO.** Every one is satisfied except—you know who. Everyone whose cash purchases amount to \$15.00 by May 15th will get a machine. **NO DRAWING, NO GUESSING, NO VOTING, NO SIGNING OF AGREEMENTS, NO STRINGS.**

Aumsville.

The Speer Bros. assignment has taken that firm into bankruptcy, and the business will be wound up by a referee. L. M. Reeder, who has been postmaster for a month, will be relieved by Louis Bleakney, who has given a bond for \$3500. The new Nasby is a Grand Army man, and had a strong petition and the proper endorsements.

The shortage in the accounts of Postmaster Lon Speer has been made good by the bondsmen, Thomas Johnson, Peter Dunker and G. W. Merrifield, who were on a bond for only \$3000. They paid the full amount and went to Salem today to try to get legal advice to recover all they paid above the bond. They claim they were threatened with criminal proceedings by the post-office inspector.

A MEASURE OF MERIT.

Salem Citizens Should Weigh Well This Evidence.

Proof of merit lies in the evidence. Convincing evidence in Salem. Is not the testimony of strangers. But the endorsement of Salem people.

That's the kind of proof given here. The statement of a Salem citizen. William H. Spayd, living at the corner of North Winter and D streets, says: "Words cannot express my opinion half strong enough of Doan's Kidney Pills. I have known their remarkable merits for the last eight years having used them in Clinton Co., Mich., where I was living. My kidneys were a source of annoyance for quite a number of years. I had much pain across my loins and the secretions from the kidneys were irregular in action, causing me to rise often in the night, and at times there was a scalding. I also had more or less dizziness. I procured Doan's Kidney Pills from Dr. Stone's drug store and gave some to a person visiting us and they gave her wonderful relief, and in my case I was benefited in every way. My backache was relieved and the trouble with the kidney secretions was corrected. You are at liberty to refer to me as one who can endorse the claims made for Doan's Kidney Pills and I also know of a great many others who have used them with the best of results."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
