STATE BANK SHORT

As Usual, the Cashier Has Been Speculating

Kansas City, Mo., May 2.—The State Bank, at Waverly, was closed by the secretary of state today. The state bank examiner found a discrepancy of \$30,000, twice the bank's capital, in the accounts of the cashier, Lewis, who left town a week ago. It is reported that Lewis has been speculating.

WEST TO HAVE A SHARE

Chicago, May 2.—John E. Wallace, chief engineer of the Panama canal, said today to officials of the Illinois Central railroad that an order would be issued stating that hereafter all deliveries of shipments from this country would be at Colon. This order, it is said, will open the door to Western and Southern manufacturers, enabling them to enter into competition for the supplies needed in the canal zone.

BIG FELLOWS RESIGN

New York, May 2.—President Alexander, it is stated today, has been asked to resign from the Equitable by the Frick committee, and that he should induce Vice-President Tarbell to resign in the interest of the welfare of the society. It is understood it is promised Hyde's retirement will follow shortly after.

MAD WOMAN PLANS

Omaha, Neb., May 2.—Miss May Wood, who sued ex-Postmaster General Wynne, William Loeb and J. M. Miller, consul to Aix La Chapelle, Germany, for \$35,000 for conspiring to obtain her manuscript book "Love Letters of a Boss," claimed to have been written by Senator Platt, this morning announced that she would file charges with the state department against Wynne and Miller, and endeavor to have them removed.

DOGS RIGHT TO BITE.

Seattle Jury Finds Mr. Croft Provoked the Brute.

Seattle, Wash., May 2.—A jury in Judge Gilliam's court returned a verdict which established a precedent that a dog has a right to bite a man in self-defense.

A dog belonging to Benjamin Piggott bit a piece out of William C. Croft's leg, which Mr. Croft valued at \$10,000, and he went to law to collect that sum. Mr. Piggott allowed his dog would never have bitten Mr. Croft except after a great provocation, and he set up the defense that the dog had a right to bite in self-defense. The jury took the same view of the matter, for, after a short deliberation, a verdict was returned in favor of the defendant, and Mr. Croft will have to get his \$10,000 in some other way.

There have been numerous suits for damages growing out of attacks made by dogs in this county, but this is the first time a jury has held the dog justified.

Development Convention.

Walter Lyon, secretary of the Willamette Valley Development League, was in the city today.

He is getting out a splendid Polk County Development edition of his paper, to be published May 12th.

About the last of May or the first week in June a Willamette Valley Development Convention will be held at Independence or Albany. The date and place are not yet determined.

It is expected at the same time and place to hold a good roads convention.

ARNOLD SUMMER SHOW

The opening of the Arnold Summer Show was attended by a large crowd, and they were well pleased with the performance. It was voted a good show—highly moral and amusing, and it is drawing large crowds of country people. The price of admission, 10 cents, to almost a circus is remarkable. There was the trick diving dog, "Dollie," the big circus band, the Kohers, who do double trapez work; DeElmer, on a single trapez; Sam Kitchi, the Japanese juggler, trained dogs, acrobats, the famous Dore family, and many other marvelous and fascinating acts.

To Enlarge Business.

The Fleur de Lis Confectionery store, on State street, will remove from their present quarters to North Commercial street. The building which they leave has been leased by Fuller & Douglas, and, when certain improvements, which are now under way, are completed, they will move in. A door has been cut between the buildings they now occupy and the Fleur de Lis, so that, with the addition of the new room, their quarters will be greatly improved.
