New Register of the University of Oregon

The University of Oregon has just issued a general register of the officials and alumni of the university, compiled by J. A. Gamber, registrar. It is the first general register to be published by the University of Oregon, and gives a history of the personnel of the university, as to officers, faculty and graduates, from the date of organization, October 19, 1872, to July 1, 1904. A short historical sketch gives the principal events in the growth of the institution. This is followed by a list of the members of the board of regents, and names of the men who have served the board, with addresses, dates, etc. A complete list is given of the officers of administration and instruction with degrees, dates of service and changes of titles. The larger part of the bulletin is devoted to the alumni association. This includes the officers of the association, the honorary alumni, and graduates of all departments, including the school of music, law and medicine. The graduates are listed by degrees, and the data concerning each includes present address and occupation, degrees received and principal position held since graduation. A summary

WORKINGMEN, busy all day, do not have time to keep posted about materials and styles. Let a workingman should get full and good style for every dollar he pays for clothing. We get both here. We have no stock to work off.

RETURNED FROM THE CONFERENCE

The Willamette delegation returned last evening on the Albany local from the third annual session of the Students' Northwest conference of the Y. M. C. A., held at Gearhart Park, Oregon. The conference, which was the most helpful ever held, lasted ten days, and came to a close Sunday night. Delegates numbering over 100 were present from every college and university in Oregon, Washington, Idaho and Montana. Willamette's delegation, consisting of 12 men, was the largest single delegation present.

The Willamette men also distinguished themselves in the big interstate field meet, which is one of the features of the conference. Washington and Montana defeated Oregon and Idaho by the score of 56 to 38, but of the 38 points made for Oregon and Idaho, 29 were scored by Willamette.

The forenoon and evenings of the session were used in the furtherance of religious work among the colleges, but the afternoons were given over to recreation.

The Willamette delegation consisted of E. K. Miller, A. R. Marker, Eugene Whipple, Lloyd Whipple, George Lounsbury, George Simpson, Lloyd Phillips, H. W. Keys, Bruce Robbins, H. C. Feusack, Ross Soward, Wallace and Colbert.

Rheumatism

Like Neuralgia, is now known to be a nervous disease. The kidneys become weak through lack of nerve energy, and fail to filter the uric acid from the blood; this acid attacks and burns the nerves and muscles, and consumes the oil in the joints, producing inflammation, fever, swelling—pain.

To cure Rheumatism, then, you must restore the kidney nerves and muscles, and neutralize the effect of the acid upon the joints and tissues with Dr. Miles' Restorative Nerve, which has made many cures of this painful disease. Nerve strengthens the kidney nerves and increases the circulation, and relief is assured.

"Before I took Dr. Miles' Nerve, I had been looking for a cure for Rheumatism for 15 years. The last time I was laid up for several months could not get out of bed or set foot on the floor. I tried remedies to rub in, to drink, doctors' prescriptions, etc., but none of them had any effect. One day I read about Dr. Miles' Nerve and got a bottle. After the first dose I had a good night's rest, and after taking half a bottle the pains disappeared, and I went out and walked all around the town. In a week I went to work, and was perfectly cured, but continued to take the medicine for a time, to make sure the pains would not come back."

213 N. Chatham St., Racine, Wis.
Dr. Miles' Nerve is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails, he will refund your money.
