BIG TIME AT WEST STAYTON

Farmers' Institute Will Be Held There Tomorrow and Saturday

The farmers' institute, which is scheduled to take place Friday and Saturday of this week in West Stayton, is already attracting a great deal of attention among all classes of people interested in the agricultural welfare of Oregon, and especially of the Willamette Valley. A large number of merchants and citizens of Salem are planning to attend, as they realize how much the prosperity of themselves depends upon the success of the farmer in his agricultural pursuits.

The institute is under the auspices of the Oregon Agricultural College and the citizens of West Stayton. There will be five sessions during the two days of the institute, and at that time subjects relating to the farm, home, and the dairy will be presented by such men as Dr. James Withycombe, of the Agricultural College Experiment Station, and Hon. J. W. Bailey, of the State Food and Dairy Commission, F. W. Kent, of the Agricultural College, and others of equal note.

The institute will open Friday morning at 10 o'clock in the large warehouse in West Stayton, and the address of welcome will be given by Hon. H. C. Porter, of that place. The second session will begin at 1:30 Friday afternoon, and the evening session will take place at 7:30. Saturday there will be but two sessions, one in the forenoon at 10 o'clock, and the closing meeting at 1:30. It is assured that all who can attend will be entertained royally.

There will be recitations and plenty of music, which will be furnished by the Turner orchestra and quartet. On both days there will be a picnic dinner and entertainment for those who come from a distance. Those coming from places near by are expected to bring well filled baskets to assist in the good work.

The program for the entire two days is as follows:

Deafness Cannot Be Cured

By local applications, as they cannot reach the diseased portions of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

BIG STRAWBERRY CROP.

Arkansas Crop So Large It Is Impossible to Pick It.

This is berry picking time in Arkansas, and thousands of men, boys, women and little girls are busy. Cars full of strawberries are shipped from Arkansas at the rate of 40 per day, yet so great is the crop that even this number is insufficient. The early berries were killed by a frost, but those which are due to ripen now more than compensate for the loss, as they are exceptionally fine. Thousands of acres in Arkansas are now devoted to berry raising and so great is the crop this year that it is impossible to pick it. Many farmers are picking their first crops this year and are realizing thousands of dollars. Berries sell at the cars at 75 cents a crate. Where the farmer in Arkansas buys land and expects to remain there the custom is to plant an orchard with the strawberry plants between the rows of trees.

Man's Unreasonableness.

Is often as great as woman's. But Thos. H. Austin, manager of the "Republican," of Leavenworth, Ind., was not unreasonableness when he refused to allow the doctors to operate on his wife, for female trouble. "Instead," he says, "we concluded to try Electric Bitters. My wife was then so sick, she could hardly leave her bed, and five (5) physicians had failed to relieve her. After taking Electric Bitters, she was perfectly cured, and can now perform all her household duties." Guaranteed by J. C. Perry, druggist, price 50c.

NO MORE BASE BALL

Executive Committee of the Eugene High School Stops Further Ball Playing

Eugene Guard, 17th: This morning, when the students of the high school entered the building they were confronted with the following on the bulletin board:
"Owing to the continued course of insubordination, both toward the school authorities and the executive committee, and repeated acts of faithlessness on the part of its management and various other members of the team, the executive committee, finding no other course remaining, have seen fit to discontinue baseball in the high school for the remainder of this season, and this shall be notice unto those concerned, and their authority for bringing the baseball season to a close.
"Executive Committee."

The above notice was a great surprise to all the students, as nothing of the sort was even dreamed of by them. They state that the only acts of insubordination were when the team stayed one day over in Portland, and that the grounds were rented to an outside team on Sunday last. When the team left for Portland it was understood that they were to play H. M. A. on Wednesday, P. H. S. on Thursday, and return on Friday for their classes. However, during the game between E. H. S. and P. H. S. on Thursday the management arranged a game with Columbia University on the following day, never thinking that the arrangement would meet with opposition from the school authorities.

All the students are very much wrought up over the acts of the different bodies in power for causing athletics in the school to be suspended. There were seven more games scheduled for the rest of the season four of them being championship games. They were with Salem high school tomorrow and Saturday at Eugene, and during the next two weeks games were to be played here with Portland high school, Columbia University, Hill Military Academy, University of Oregon and Willamette University. All of the most important games were left toward the last of the season, so the team could play at its best.

The board locked up the dressing quarters, thereby cutting out the practice of the team. The record of the team so far this season is as follows:

- E. H. S. 9, Oregon 4.
- E. H. S. 9, Oregon 7.
- E. H. S. 23, A. H. S. 1.
- E. H. S. 5, Willamette 3.
- E. H. S. 4, Willamette 8.
- E. H. S. 2, S. H. S. 6.
- E. H. S. 2, Chemawa 3.
- E. H. S. 8, H. M. A. 7.
- E. H. S. 7, P. H. E. 2.
- E. H. S. 2, Columbia 6.

Brain Workers.

Brain workers suffer from headache because they over-tax and exhaust the brain nerves. Tired, irritated, turbulent brain nerves throb and ache; this weakens the brain power, and robs the memory.

Dr. Miles' Anti-Pain Pills bring tranquility to the excited nerves and stop the pain. If not relieved, this nerve disturbance is frequently extended to the stomach, causing nausea, vomiting—sick headache.

Dr. Miles' Anti-Pain Pills are convenient to take—just a little tablet, that in a few moments relieves the pain; they leave no disagreeable after-effects, as they contain no opium, morphine, cocaine or chloral in any form.

"From personal experience I can testify that Dr. Miles' Anti-Pain Pills are a most excellent remedy for headache and neuralgia. I have been a great sufferer from both diseases for the past three years. A friend who had also suffered from neuralgia handed me some of the Anti-Pain Pills. I took them and they gave me almost instant relief. Since then I have a package at home and another at the office, and they never fail to relieve me."

Second Operation.
Corvallis Times: Physical Director Trine, of the O. A. C., college submitted Monday to a surgical operation, the second within a month. It was an affection of the chin, which was sought to be cured by the former operation. It consisted of an incision in front and the scraping of the bone. Mr. Trine suffered untold pain with his malady during the past several months.

Arrived from Iowa.
Jonathan Iddings and family, who recently purchased and moved into the Wiggins residence on East Court street, have been made happy by the arrival of their two sons from Iowa. Fred J. Iddings has been in the drug business, but sold out and came to Oregon to make his home, and his younger brother, Elmer, has for several years been a bank employe, and also hopes to make his home here. The family are from Mapleton, Iowa, and will be a welcome addition to the large Iowa colony at this place.
