Edison—Vaudeville.

DON'T MISS THE BIG SHOW.

Edison Has a Vaudeville Bill That Pleases All.

Holmes and Holmes, Teed and Lazell, the great Forest, P. J. Byrd and Teed in a single act, again pleased at Salem's popular vaudeville theatre. All who see this show say it is the best that has been seen in Salem for a long time, as every act is a feature act, and is appreciated as such by the large audience. The large fans installed by the management keep everybody cool and comfortable, adding much to the enjoyment of the performances. Next week, Monday, Tuesday and Wednesday only, Manager Byrd has slated such well-known teams as Adams Bros., Ward and Simonds, and jolly Myrtle Franks, also Helen Vance and new motion pictures, making a great bill, and one seldom equaled.

College Rehearsal.

The graduates of the College of Oratory, Miss Gertrude Johnson and Mr. Edgar F. Averill, will give a recital at the chapel Monday evening. They will be assisted by several other students, and a good program is assured. An aesthetic physical drill will be given by a number of students, Miss Nina Johnson will sing a solo and Miss Nina Bushnell will give an instrumental solo. There will be no admission charged and everybody is invited to attend. The graduates will not receive their diplomas until June 8th.

Gave the Money Back.

Frank Burgett, the bell boy in the Willamette hotel, who skipped out Thursday with a purse containing \$5 that had been entrusted to his care by one of the guests, Miss Mabel Jones, of "Lambert Meadows," returned today to the hotel, and gave up the purse, with its contents. He said he misunderstood Miss Jones when she gave him the purse, and thought she meant for him to keep the money. The boy was allowed to go by the officers, as he seemed sorry for what he had done, and no warrant had been issued for his arrest.

Basket Social.

The Willamette University co-eds gave a basket social last evening at the society hall, and a very pleasant time is reported. It was for the benefit of the baseball team.

Rode on Prohibited Walk.

George Weaver was arrested yesterday evening, and fined \$2.50 for riding on a prohibited walk.

SUDDEN DEATH OF G.W. PUTNAM

One of Salem's Well Known Business Men Dies After Short Illness

George W. Putnam, one of Salem's well-known and most respected citizens, died suddenly at his home on Center and Cottage streets at 10 minutes past 12 o'clock last night. Notwithstanding the fact that Mr. Putnam had been in ill health for some time, there was no thought that death would come at this particular time, and his death is therefore a heavy blow to his family and friends.

All of yesterday, until late in the afternoon, Mr. Putnam stayed in his place of business, and not until his friends insisted upon his going home would he leave. Arriving at his residence he rapidly became worse, and in a few hours, surrounded by his loving wife and children, his spirit passed away.

At the time of his death Mr. Putnam was 62 years of age, having been born in the state of New York July 30, 1843. He came west when about 22 years old, and has lived here ever since. The deceased leaves a wife and two children, one daughter, Marguerite, and a son, Ivan, to whom the sincerest sympathy of the whole community is extended in this their bereavement.

During the deceased's long residence in Salem he had built up a prosperous and successful drug business, all his dealings being upright and above reproach. Of his family he was ever

Hobo Climbs Telegraph Pole to Get a Message from Portland.

Deluded with the idea that some one was trying to send him money from Portland, over the telegraph wires, Miles Burke, a tramp, yesterday evening, about 5 o'clock, climbed pole out near the Southern Pacific depot, in order that he might receive the money. About this time Sheriff Culver hap-

pened along, and, noticing him on top of the pole, talking to himself, he inquired the cause and was informed that a man in Portland was sending him a message. Seeing that the man was not in his right mind, Culver took him in charge, and locked him up in the county jail until this morning, when County Judge Scott examined him and committed him to the asylum. It is thought the delusion is only temporary, being induced by drink, and will cease in a short time.

Champion Binder

THE GREAT SUCCESS OF THE CHAMPION BINDER IS DUE TO ITS ABILITY TO SATISFACTORILY HARVEST THE CROPS UNDER THE DIFFERENT AND OFTEN DIFFICULT CONDITIONS FOUND FROM YEAR TO YEAR ON THE SAME FARM. THE IMPROVEMENTS WHICH IT EMBODIES GIVE IT AN ADVANTAGE IN DIFFICULT AND EXTREME CONDITIONS OF GRAIN, YET IT IS EQUALLY WELL ADAPTED TO THE ORDINARY AND FAVORABLE CONDITIONS. IT IS, BESIDES, A DURABLE, A LIGHT DRAFT AND A CONVENIENT MACHINE.

THE FORCE-FEED ELEVATOR OF THE CHAMPION, THE POWER-GIVING ECCENTRIC WHEEL ON ITS BINDING ATTACHMENT, AND THE MANY OTHER IMPROVEMENTS ON THIS REMARKABLE MACHINE MUST BE LOOKED AT ON THE MACHINE ITSELF IN ORDER THAT THEIR USEFULNESS MAY BE FULLY UNDERSTOOD. IT WOULD BE EXTREMELY DIFFICULT TO GIVE AN ADEQUATE IDEA OF THEIR VALUE BY MEANS OF A PRINTED DESCRIPTION.

THE CHAMPION KNOTTER IS A SURE-TIE, AND IS ADJUSTABLE TO TAKE UP WEAR.

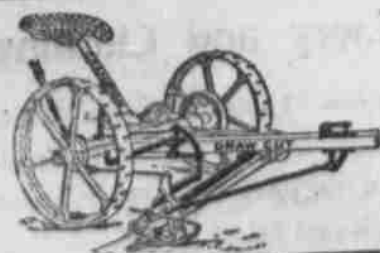

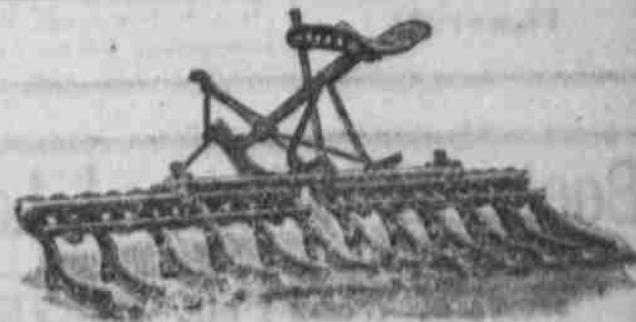

Champion Binder With Tongue Truck

CUTTING A SWATH EIGHT FEET IN WIDTH IN HEAVY GRAIN IS A GOOD TEST OF A BINDER'S CAPACITY. THE CHAMPION IS AMPLY CAPABLE OF DOING THIS, FOR ITS FORCE-FEED ELEVATOR AND ECCENTRIC WHEEL ARE OF SPECIAL ADVANTAGE IN PREVENTING CLOGGING AND CHOKING UNDER SUCH CIRCUMSTANCES. THE CHAMPION 8-FOOT BINDER IS PROVIDED WITH A TONGUE TRUCK WHICH CARRIES ALL THE WEIGHT IN FRONT, TAKING ALL NECK WEIGHT FROM THE TEAM. THE TRUCK WHEELS ARE FLANGED TO KEEP THEM FROM SLIPPING SIDEWAYS, THUS PREVENTING ANY SIDE DRAFT. THE 8-FOOT CHAMPION IS A MOST ECONOMICAL AND SATISFACTORY MACHINE FOR USE IN LEVEL FIELDS. IT IS SPECIALLY BRACED AND STRENGTHENED, AND IS SPEEDED HIGHER THAN THE REGULAR BINDER.

THE CHAMPION TONGUE TRUCK MAY BE USED ALSO TO ADVANTAGE WITH THE 7-FOOT AND 6-FOOT BINDERS. IT IS INCLUDED IN THE PRICE OF THE 8-FOOT BINDER, BUT IS SHIPPED AS AN EXTRA WITH THE NARROWER SIZES.

Acme Hop and Pulverizing Harrow, Clod Masher and Fern Exterminator. The Best Tool Ever Used in a Hop Yard

The Acme is not a special tool, but, as its name implies, a general purpose harrow that will do the whole business, viz: it will crush, cut, lift, turn, smooth and level, all in one operation. While pre-eminently adapted for heavy stubborn land, it can be adjusted by means of levers and runners to do perfect work on the lightest soil. The peculiar shape and arrangement of the coulters insure the cutting over of the entire surface of the ground, and, owing to the absence of spike, springs or pointed teeth, there is little, if any, tendency, to disturb sod or trash that has been turned under by the plow. A variety of sizes, working 3 feet to 13½ feet wide, adapted to small as well as large farms, and to the orchard, berry patch and garden.

The Champion Draw Cut Mower

It has the strength and cutting power of the old rear-cut, with all the conveniences of the modern front-cut. The wheels will not lift from the ground. It is simple and cannot get out of order. Come in and let us explain its workings to you.
