Stole Four Wheels,

Fred E. Prentiss was arrested Monw night for stealing a bicycle from Mack Bean. He sold it to Conrad Dillman for \$10. The boy has been out of the reform school for a few months, and admits having stolen four bicycles in that time. He is not at all generous that the full list of thefts is not given. He was bound over to await the action of the district court, and will undoubtedly go to swell the roll call at the penitentiary.
