

CHANCE FOR YOUNG MEN OR YOUNG WOMEN TO Earn Easy Money and a Fine Vacation

FREE TRIP TO THE BIG FAIR

Journal Will Give a Free Trip
and Visit to the Lewis
and Clark Fair to Ac-
tive Young Person

The Journal has a contest on it which it wishes to enlist the services of a score of active young men and women. In this work these young people can have paying employment all the time, and the winner in the contest, the one who gets the best results, will receive a free trip and admission to the Lewis and Clark fair. High school pupils, business college graduates and other

young people who want pleasant and profitable occupation for the summer should call at The Journal office at an early date and learn of the exceptional opportunity offered.

The question of profitable employment for the summer, with light, easy and agreeable work, at which you are learning something, and making money easily, is one that is worth considering.

A prize worth working for is a free trip to the Lewis and Clark fair at the end of the summer's work, as the guest of The Journal, as a representative of the press. You need only to be able to write plain English, and have a little knowledge of business, and you are ready to take up the work. Young or middle-aged men or women are eligible to undertake the work. Call at The Journal office and enter this contest, not later than 9 o'clock any day of the week. Contest begins at once, and you can begin work at any time. Only a limited number can be taken, so do not delay applying for terms.

In Mad Chase.
Millions rush in mad chase after health, from one extreme of faddism to another, when, if they would only eat good food, and keep their bowels regular with Dr. King's New Life Pills, their troubles would all pass away. SLENDER MEN strike terror to some clothiers, but we welcome them because we are prepared to please them. Why one man remains thin and another grows fat on the same diet we do not care to discuss.

Why we can do as well by slender men as by any other is something that we do want to talk about. That is a part of our business. If you have doubts upon the subject, put us to the test.
