TONIGHT.
Edison—Vaudeville.

ROYAL TIME AT THE EDISON.

Country and City People Flock to See
Vaudeville.

Yesterday at the popular vaudeville
theatre was a busy day. The visitors
all wanted to see the entertainment
provided by the management of the
Edison for the holiday crowds. All
expressed themselves as delighted, and
went away thoroughly satisfied. Loring
and Howell, in their grotesque comedy
contortion work and dancing,
seemed to be just what the people
wanted, and their act was one long
laugh from start to finish. Romaine
and Pitch, in a dramatic sketch, also
scored, their comedy being neat and
refined. Signa Roberts, as "Signa,
the girl from Norway," made good
with a Swedish specialty. She is a
beauty, and has a great wealth of
blonde hair. The illustrated song re-
ndered by Helen Vance was enjoyed, and
the Edisonoscope brought to a finish
a real good vaudeville performance.

Got It Anyhow.

The head barkeeper in a big hotel
is being gayed on account of a trick
of which he was the victim. A few
mornings ago, when there were but
few people at the bar, a stranger en-
tered and asked him if he would give
him a drink of whisky, explaining
that he was very much in need of it.
On being refused, the stranger turned
to a group of three or four men who
had overheard the request and asked
if some one would not lend him 15
cents, as he really must have a drink.
One of the men gave him the money.
"Now," said the stranger, "will you
sell me a drink?"

"Certainly," replied the barkeeper,
setting out the bottle and the glasses.
"I'll sell it to anyone who has the
money to pay for it."

The stranger helped himself liberally
and then, turning to the man who had
given him the money, placed the 15
cents in his hand and remarked: "In
settling my debts I have always made
it a point to return borrowed money
first. I thank you for the loan."

CITY NEWS

A Collection of Important Para-
graphs for Your Consideration.

The Journal is always read, but Mon-
day it was red, white and blue.

I'll brave the storms of Chilkoot Pass,
I'll cross the plains of frozen glass,
I'd leave my wife and cross the sea,
Rather than be without Rocky Moun-
tain Tea.

Dr. Stone's drug store.

Why complain of the heat, when the
delicious, long, cool drinks of the Red
Cross drug store fountain are at your
disposal?

Constipation and piles are twins.
They kill people inch by inch, sap life
away every day. Hollister's Rocky
Mountain Tea will positively cure you.
No cure no pay. 35 cents, Tea or Tab-
lets. Dr. Stone's drug store.

Plenty of Cherries.

E. N. Savage brought to this office
this morning a cherry limb measuring
six inches in length, on which there
were nearly fifty cherries. They were
of the Royal Ann variety, and un-
usually large and highly colored. He
picked them off a tree at his home in
this city, and says the limb is only one
of many hundreds.

Greatly in Demand.

Nothing is more in demand than a
medicine which meets modern require-
ments for a blood and system cleanser,
such as Dr. King's New Life Pills. They
are just what you need to cure stomach
and liver troubles. Try them. At J. C.
Perry's drug store, 25c., guaranteed.

A Pleasant Dance.

A dance was given at the Liberty
Hall, four miles south of this city,
last evening, which was attended by
all the surrounding residents, and
many people from town went out and
had a good time. Good music was pro-
vided and the affair was a very pleas-
ant one.

The greatest system renovator. Re-
stores vitality, regulates the kidneys,
liver and stomach. If Hollister's
Rocky Mountain Tea fails to cure get
your money back. That's fair. 35
cents, Tea or Tablets. Dr. Stone's drug
store.

Died.

Mrs. Elizabeth Barton Hall, wife of
H. G. Hall, died at her home in Turner,
July 4, 1905, of a complication of dis-
eases. Deceased was born in Posey
county, Indiana, October 24, 1828, and
came from Wisconsin to Oregon in
1870, where she has since resided. She
was well and favorably known, and her
death is mourned by a large circle of
friends.

She leaves a husband and four chil-
dren, Sarilda Smith, of Salem; Orilla A.
Roach, Pendleton, Or.; Maggie Ramp,
Salem, Or.; Willard Hall, Turner, Or.
The funeral services will be held at the
home in Turner at 10 o'clock Thurs-
day. Interment will be had in Twin
Oak cemetery, near Turner.

Sickening Shivering Fits

of ague and malaria, can be relieved
and cured with Electric Bitters. This
is a pure, tonic medicine; of especial
benefit in malaria, for it exerts a true
curative influence on the disease, driv-
ing it entirely out of the system. It is
much to be preferred to quinine, hav-
ing none of this drug's bad after-ef-
fects. E. S. Munday, of Henrietta,
Tex., writes: "My brother was very
low with malarial fever and jaundice,
till he took Electric Bitters, which
saved his life. At J. C. Perry's drug
store; price 50c guaranteed."

SALEM SPREADS HERSELF

(Continued from page three.)

The carnival of sports, which was
run off in the afternoon, contributed
largely to the success of the day. While
no records were broken in the races,
many sides were almost split with
laughing, and the purpose of the ar-
rangement was thus accomplished. The
entries in the events were numerous,
and the competition was keen in every-
thing except the horse show. In that
the mule "Maud" was an easy win-
ner. The owner of the animal uses
her for a hat rack in his hall on every
day but Monday, and on that day the
lady of the house uses her ribs for wash
boards.

The summary of events follows:
Pony race, won by W. P. Loyd, 2d
Bert Valkenburg.

Boys' race, won by Myron Clinton;
2d, Stanley Ostrander.

othy Smith; 2d, Dryphis Welch

Oats."

Whip."

ricks and B. Coffey.

McClaren, 2d, Dimick.

A Celebration Victim.

The only victim of the Fourth of
July celebration in this city was Roy
Brown, who lives out on the Garden
Road about three miles from town, and
it is not thought that his injury will
prove serious. He was badly burned
about the eyes by an exploding cart-
ridge on Commercial street. The cart-
ridge was discharged from a 22-calibre
revolver in the hands of another young
boy, who held the pistol close to the
face of the Brown boy and fired. Dr.
D. F. Lane was summoned and re-
moved most of the powder from the
face of the injured boy, but the eyes
are still in bad shape.

Lots of Picnics.

The Fourth of July was celebrated
in a great many different ways yester-
day, by a great many different people.
Fairmount Park was a scene of pleas-
ant festivities, there being several
family parties, and a large delegation
from the M. E. Sunday school held
picnics there yesterday. There was
also a picnic at Savage's Grove,
Pringle Creek, and Bybee Lake, and
the good old Fourth was a round of
pleasure to all.

A Merry Party.

About 25 young people from this city
spent the Fourth at the pleasant home
of Horace and Nellie Sykes, on the
Polk county hills, west of this city.
They went over on a large hay rack,
and the trip was a most pleasant one.
Well filled lunch baskets accompanied
the party, and a big picnic spread was
enjoyed at noon. Mr. and Mrs. L. S.
Rowland chaperoned the crowd.

A Grim Tragedy

is daily enacted, in thousands of homes
as death claims, in each one, another
victim of consumption or pneumonia.
But when coughs and colds are prop-
erly treated, the tragedy is averted. P.
O. Huntley, of Oakland, Ind., writes:
"My wife had the consumption, and
three doctors gave her up. Finally she
took Dr. King's New Discovery for
consumption, coughs and colds, which
cured her, and today she is well and
strong." It kills the germs of all dis-
eases. One dose relieves. Guaranteed
at 50c and \$1.00 by J. C. Perry, drug-
gist. Trial bottle free.

Epworth League at Denver.

Denver, Colo., July 5.—The seventh
international convention of the Ep-
worth League is proving to be as big
a religious demonstration as the most
sanguine had expected. Many of the
bishops of the Methodist church, both
north and south, are here. More than
a score of special trains have arrived
with delegates from every state and
territory of the Union and from nearly
all of the Canadian provinces. Thou-
sands of visitors are already on the
grounds and trains bearing thousands
more are on the way.

Denver is proving herself equal to
the emergency. Visitors are being as-
signed to comfortable quarters as fast
as they arrive. Special excursion

MINSTRELS AT PRISON

A large crowd of invited guests as-
sembled in the large dining room of
the penitentiary last night to witness
a very successful minstrel show, which
was presented by the convicts. It last-
ed nearly two hours and a half, and,
though the seats were not constructed
exactly for comfort, the audience dis-
played no weariness whatever. Every
number was well received, and each
man on the program was compelled to
respond to an encore.

The jokes were all good and now the
singing good and the acting all that
could be desired. The show was much
better than many minstrel shows which
have been seen in the opera house. The
members of the troupe were all arrayed
in the regulation minstrel uniform
and presented a very pleasing appear-
ance. No small part of the success of
the evening was due to the good work
of the orchestra, under the leadership
of C. W. Walton, who also composed
the words and music to one of the songs
that was sung.

A great many of the jokes were ap-
plied to the state prison officials, and
thus created a great deal of amusement
for the audience.

One of the most impressive parts of
the program was an original song pre-
sented just before the close, and the
chorus to which was: "I was happy
till I came here, and the fault is up to
me, for I was led away by whisky,
when I should have stuck to tea."

A long and interesting program fol-
lowed, the numbers of which were
heartily applauded. In fact it was a
thorough success in every way.

THE SECRET OF SUCCESS

"No, Sir! You cannot palm off any substitutes
on me. I've been using August Flower since
I was a boy, and I'll have no other."

Forty million bottles of August Flower
sold in the United States alone since its
introduction! And the demand for it is
still growing. Isn't that a fine showing
of success? Don't it prove that August
Flower has had unflinching success in the
cure of indigestion and dyspepsia—the
worst enemies of health and happiness?
Does it not afford the best evidence that
August Flower is a sure specific for all
stomach and intestinal disorders?—that it
is the best of all liver regulators?
August Flower has a matchless record
of over 35 years in curing the ailing mil-
lions of these distressing complaints.
Two sizes, 25c and 75c. All druggists.
Sold in Salem by S. C. Stone.

trains carried hundreds of visitors to-
day to Colorado Springs Glenwood
Springs and other points of interest
near-by.

The formal opening of the conven-
tion took place this afternoon. An
inspiring song, led by a chorus of sev-
eral hundred, started the great conven-
tion to work. There were formal
greetings, roll call, reports and other
business of a routine character. To-
night the hallelujah chorus will be ren-
dered by a choir of 500 voices.
