Don't wait until your blood is impoverished and you are sick and ailing, but take Hollister's Rocky Mountain Tea. It will positively drive out all impurities. 35 cents, tea o tablets Dr. Stone's Drug Store.

The big watermelons are now coming into the market—weighing from 25 to 50 pounds.

Regulates the stomach and bowels, heals and soothes the little ones' stomachs and gives them a healthy and natural sleep. Hollister's Rocky Mountain Tea is the children's benefactor. 35 cents. Stone's Drug Store.

Do you know? A Salem dealer had a new buggy that cost \$51.25. A man came in and bought the buggy for \$80.00, and traded in an old buggy for \$32.50, giving balance of the purchase price, \$47.50 in a note. It cost \$6.00 to paint the buggy traded in, and it sold for \$50,000. How much was made on the sale of the two buggies. Address Puzzle Editor of The Journal.

A rare musical treat will be given this evening from 7:30 to 10:00 at Fuller & Douglas' confectionery store by the Taylor Bros. The concert is free, and those who enjoy good singing should not miss this event.

Meat bills too high? If they are, it is because you do not buy for cost at Farrington's market.

### Canoeing Party.

Canoeing has become a favorite pastime with a number of the members of Salem's social set. The Thielsen boys have recently purchased a fine new canoe, and a party of four spent all day yesterday on the river. It consisted of Miss Elizabeth Bush, who has been visiting in this city, Miss Vina Abrams, of Boston, and the Messrs. Fred and Edward Thielsen. They took their lunches and went far up the river. To say that they had a jolly time would be stating it all too mildly.

### A Pleasant Way to Travel.

The above is the usual verdict of the traveler using the Missouri Pacific railway between the Pacific coast and the east, and we believe that the service and accommodations given merit this statement. From Denver, Colorado Springs and Denver there are two through trains daily to Kansas City and St. Louis, carrying Pullman's latest standard electric-lighted sleeping cars, chair cars and up-to-date dining cars. The same excellent service is operated from Kansas City and St. Louis to Memphis, Little Rock and Hot Springs. If you are going east or south, write for particulars and full information.

## X-RAYS

Eastern Oregon is to have a development league.

Active work has begun on the Panama canal, but most of it is being done with typewriters and the cable.

The Taggart case shows that Lieut. Fortescue, nephew of President Roosevelt is a strong believer in his uncle's theories about race suicide.

Jefferson Review: The Trail at the exposition is now open on 'Sundays, with all of its varied amusements. This makes Sunday really the best day to attend.

Albany Democrat: The spirit of graft is so intense that there are women in the big cities who make it a business of getting their lunches at demonstration counters.

A southern judge hit the nail on the head when he epitomized the principal causes of the divorce evil as "too much dry goods for the women and too much wet goods for the men."

It was so cold today at Portsmouth, the Russian envoys wore overcoats. Probably the temperature suggested it was a dangerous day in which they might get left.

The experiment was tried in an Astoria hotel of engaging colored waiters and China cooks. It resulted in open war, the Chinese being on the street at the close of hostilities. Even the negro won't mix with the Chinese, and to paraphrase Whittier's poem of Floyd Irson: "Since the nigger won't have him, why should we?"

The last legislature passed a law making 50 pounds a box of hops, and most of our growers announce their intention of paying one cent a pound for picking this season, instead of 50 cents per 9-bushel box, as in the past. An exchange says this is certainly the most satisfactory way, and is absolutely fair to both picker and grower. The picker is paid according to the work he does, and the grower gets what he pays for.

### Hit the Trail on Sundays.

Commencing with Sunday, August 6th, the Trail at the exposition and all the amusement features, as well as the exhibit buildings, were thrown open, and hereafter will be running the same on Sunday as on other days. In fact the exposition will be practically as complete on Sundays as on week days. The Southern Pacific Company have on sale Saturday to Monday excursion tickets, \$2.20 for the round trip, which enables visitors to go to Portland Saturday afternoon and remain until Monday night, or return Sunday evening, as they may desire. 8-7-11

### THE FEMININE FAREWELL.

Lovely Woman Demands Lingering Good-Bye.

It is a fact that women take much longer than men to say good-bye to their own sex. On one of the big liners three women who just hated to part with one small woman turned back four times from the gangplank Saturday evening to say final farewells. The upshot of it all was that the gangplank was hauled inboard before the leaving process could be completed, and the three got as far as the Battery on their way to Boston before their plight was discovered by the officers. Then the steamer lay to and whistled for help. With the assistance of a harbor tug, to which a couple of police boats lent moral support, the dear things were debarked, while the orchestra on the steamer sarcastically played "Kiss Me Goodbye and Go." When a man wants to say good-bye to another man with whom he has been spending an hour or so he just grabs his hat, shakes the other fellow's hand, says "so long," or "see you later," and is off. But a woman, having said good-bye in the parlor, stops at least seven times between there and the vestibule and makes a final stand on the stoop to talk it all over once more. It would be better for men if they would cultivate more leisurely habits in their daily intercourse with one another, which they would be moved to do if they more sedulously observed the lack of precipitancy characterizing the association of women with their own kind.—Brooklyn Eagle.

### Agonizing Burns.

Are instantly relieved and perfectly healed by Bucklen's Arnica Salve. C. Rivenbark, Jr., of Norfolk, Va., writes: "I burnt my knee dreadfully; that it blistered all over. Bucklen's Arnica Salve stopped the pain, and healed it without a scar." Also heals all wounds and sores. 25c at J. O. Perry's, Druggist, Salem Oregon.
