**White Rotary
Sewing Machines**

Mr. Husband:
You've promised your wife a new
machine a great many times. Now's
the time to "make good."

Our White Rotary combines more
good features than any you'll find.
You'd like a chance to show you, and
we can demonstrate to your satisfac-
tion that the above statement is a
fact, else you needn't buy.

In fact, you needn't buy anyhow,
unless you're ready, for we are always
ad to show our machines to anyone,
even if your buying time comes
later.

Non-clogging rotary shuttle, instant-
ly moveable, without screwdriver or
anything else save the fingers.
Tension indicator in plain sight
shows the degree of tension even to a
blind person.

Automatic tension release permits
threads to be easily withdrawn soon as
stitcher foot is raised.
Stitch instantly changed without
loosening a screw, by simply shifting
lever.

Treble feed that permits narrow
stitches to be fed from either side with
equal facility.
Lock and chain stitch all in one ma-
chine by slipping in the chain stitch
spider.

Inlaid measure in the stand, always
at your service, and never misplaced.
Handsome golden oak stand with
automatic head lift that never gets
out of order.

For those who want cheaper ma-
chines we have the Queen drop head,
vibrating shuttle, made by the White
Sewing Machine Company that is low-
priced and durable.

Come and see these machines. We
take your old machine in exchange
and sell you new ones on easy install-
ments. New machines for rent by the
week or month.
Best needles, 25c a dozen, for all
machines.
Best quality sperm oil for sewing
machines and typewriters.

His Bad Day.
"I was surprised," said the Rev.
Dr. Goodman sternly, "to see you
playing golf last Sabbath. I should
think you'd do better."

"Oh," replied Hardcase, "I usually
do. I was in wretched form last Sun-
day."—Philadelphia Press.

A Pleasant Way to Travel.

The above is the usual verdict of
the traveler using the Missouri Pacific
railway between the Pacific coast and
the east, and we believe that the ser-
vice and accommodations given merit
this statement. From Denver, Color-
ado Springs and Denver there are two
through trains daily to Kansas City
and St. Louis, carrying Pullman's lat-
est standard electric-lighted sleeping
cars, chair cars and up-to-date dining
cars. The same excellent service is
operated from Kansas City and St.
Louis to Memphis, Little Rock and Hot
Springs. If you are going east or
south, write for particulars and full in-
formation.
