**Do You Believe in Signs.**  
A mark, note, token or symptom, indicates that by which anything may be known, that is, we are forewarned if evil is to befall us, or we have the pleasure of anticipation if the signs betoken a fortunate occurrence. Accidental occurrences all have their signs, every disease has its symptoms. The point is to heed the former, and counteract the effect of the latter. Spells of sick headache follow indigestion and stomach disorders, belching, biliousness and dyspepsia are signs of sickness. People that believe in these signs and know that they are true from experience, can get immediate relief and a speedy cure by the use of Dr. Gunn's Improved Liver Pills. Sold by druggists for 25c per box. Only one for a dose.

**Whist Party.**

**LIKED THE FAIR**

Captain D. O. Basey, of Brunswick, Me., is visiting his brother, Robert Basey, and other relatives here and in Portland. The captain has just returned from the Yukon River, where he has been running a steamer. He went up first in 1898 and has been going up most every year since. He visited the Lewis and Clark Exposition and was delighted with the great show. He took a great interest in it. His grandfather, Isaac Basey, was a member of that famous expedition, and the captain, being an old pilot on the Missouri river, knows the great difficulties they had to encounter with their canoes in paddling up it. Captain Basey will return to Alaska next June.

**"COSTLY THY APPAREL AS THY PURSE WILL BEAR"**

OUR OLD FRIEND, W. SHAKESPEARE, MAKES POLONIUS SAY THIS TO HIS SON. GOOD ADVICE—AND AS WE HAVE NO EVIDENCE THAT POLONIUS WAS A TAILOR, WE DON'T BELIEVE HE WAS ADVERTISING HIMSELF. HOWEVER, NOWADAYS, "COSTLINESS" DOES NOT MEAN "QUALITY," AS POLONIUS EVIDENTLY IMPLIED. HAD HE LIVED IN 1905 HE WOULD SAY:

**SON! GET THEE S. W. N. CLOTHES**

THIS WOULD HAVE BEEN GOOD ADVICE BECAUSE HE WOULD GET QUALITY, STYLE AND FIT AT A MODERATE PRICE. WHILE HE WOULD HAVE A CHOICE OF GOODS RANGING FROM \$10.00 TO \$25.00, HE WOULD BE ASSURED THAT THE \$10 SUIT WOULD HAVE AS MUCH STYLE TO IT AS THE HIGH GRADE, BETTER QUALITY, \$25.00 CLOTHES.

A young kindergarten teacher, who is made much of by her pupils, frequently meeting their parents, has a very affable manner, says an exchange, and upon entering a car recently, exclaimed in her most cordial way to one of the passengers, "Why, how do you do, Mr. Brown?" As the old man spoken to evidently did not know her and looked rather dazed, she noticed the mistake and apologized: "I beg your pardon, I thought you were the father of one of my children." Everyone looked so amused that the young lady left the car at the next stop.

**GOING TO BED HUNGRY.**

**It Is All Wrong and Man Is the Only Creature That Does It.**  
The complete emptiness of the stomach during sleep adds greatly to the amount of emaciation, sleeplessness and general weakness so often met with. There is a perpetual change of tissues in the body, sleeping or waking, and the supply of nourishment ought to be somewhat continuous and food taken just before retiring, adds more tissue than is destroyed, and increased weight and vigor is the result. Dr. W. T. Cathall says: "All animals except man eat before sleep and there is no reason in nature why man should form the exception to the rule."

If people who are thin, nervous and sleepless would take a light lunch of bread and milk or oatmeal and cream and at the same time take a safe, harmless stomach remedy like Stuart's Dyspepsia Tablets in order to aid the stomach in digesting it, the result will be a surprising increase in weight, strength and general vigor. The only drawback has been that thin, nervous, dyspeptic people cannot digest and assimilate wholesome food at night or any other time. For such it is absolutely necessary to use Stuart's Dyspepsia Tablets, because they will digest the food, no matter how weak the stomach may be, nourishing the body and resting the stomach at the same time.

Dr. Stevenson says: "I depend almost entirely upon Stuart's Dyspepsia Tablets in treating indigestion, because it is not a quack nostrum, and I know just what they contain, a combination of vegetable essences, pure pepsin. They cure Dyspepsia and Stomach troubles, because they can't help but cure." Stuart's Dyspepsia Tablets are sold by druggists everywhere at 50 cents per package. They are in lozenge form, pleasant to take, and contain nothing but pure pepsin, vegetable essences and bismuth, scientifically compounded. Your druggist will tell you they give universal satisfaction.

**The Modern Version.**

Mary had a little lamb, that time has passed away. No lamb could follow up the gait that Mary goes today. For now she rides on air-shod wheels, in skirts too short by half; no lambkin shares her airy flight, but you can see her calf. But is there one who can complain or cry in woe, "Alas!" so long as Mary's calf's all right, the lamb can go to grass. So all the men delight to gaze, their joy is not a sham, for while the other critter's out, they have no use for lamb.
