COMPANY FILES ARTICLES

Incorporate With Nominal Capital of \$100,000 to Build Electric Line

The Portland-Salem Electric Railway Company this morning filed articles of incorporation with the secretary of state. A nominal capital of \$100,000 is stated in the papers as the working stock of the corporation.

W. J. Walsh, L. H. Corlies and H. Dunn are given as the incorporators of the company. All three of these men are unknown, both in Salem and Portland, which city is stated in the papers as the home office of the company.

The incorporation papers state that the purpose of the company is to construct, maintain and operate electric railways between the cities of Salem and Portland; to carry on such business as is customary with transportation companies; to buy, lease and maintain, dispose of, sell and operate franchises and electric light plants in the state of Oregon; to own and develop water powers; to own, sell and exchange property of whatever description, and to borrow money, issue bonds and conduct any other financial operations as shall become necessary in the operation of the project.

It is plain from the incorporation papers that the company intends to engage extensively in the transportation business, and that it also proposes to control water power and electric light plants along its line and in the cities in which it operates. The capital of \$100,000 would not, of course, be sufficient to carry out even such plans as the projectors have made public through their agents.

The life of the company, as stated in its papers, is to be perpetual. The filing fee paid the secretary of state was \$67.00. The papers were witnessed by J. B. Wetherell and C. H. Miller.

City Will Build Walks

Bids will be immediately advertised for by the city of Salem for the construction of 1144 1/2 feet of five-foot-cement walks. The walks are to be laid in front of the property of delinquent holders, who have failed or neglected to heed the notices of the city, that the walks must be built.

The pavements were ordered constructed by the council last August, which then directed that notice should be served on about 90 property owners to build cement pavements.

Faith and Fact

Faith is one thing and fact is another, it sometimes takes any amount of faith to produce one fact. Years of earnest work and faith have produced one fact about medicine that is deserving of mention here.

If people who are troubled with general weakness through overwork, dissipation or exposure can get a remedy that will make rich red blood from the food they eat, their return to health is assured. Good blood is the life of the body as well as the nerves. Weak, sickly, pale people who suffer with indigestion, dyspepsia, sick headache, loss of strength and ambition, having dizzy spells and always tired, can be cured sound and well with Dr. Gunn's Blood and Nerve Tonic.

Warm But Not Scientific Game

An interesting and amusing, if not scientific, game of football was played on the University field last evening, when the third University team defeated the Yew Park team by a score of 6 to 0.

The game became so exciting that the spectators crowded onto the field in such a manner that the players had barely room to make their end runs. Fumbles were the ruling feature of the game, and in this particular the third team is only rivaled by the varsity. The winners were heavier than their opponents, and had no difficulty in making their required yardage straight through the line or around the end, while the Park boys were only successful in making yardage a few times.

One feature of the game was the great variety and color of the uniforms worn by the players. Some, who were not fortunate enough to have a uniform, were compelled to go home with their coats buttoned up close around their necks, because their shirts were torn off in the battle.

SOCIAL EVENTS

"Kitchen Shower"

Mrs. Edward Weller gave a "Kitchen Shower" yesterday afternoon for Miss Bess Tillson, whose marriage to Mr. Clyde Spooner, of Portland, will take place soon. The affair was in keeping with the occasion, hearts being in evidence in all the decorations.

Mrs. Weller was assisted by Mrs. George Burnett and Mrs. Charles Weller.

Progressive hearts were played, in which Mrs. Chas. E. Fuller was the first prize, a large bouquet of carnations, while Miss Jessie Holmes was awarded the consolation prize, a small Indian basket filled with candy hearts.

The presents were useful, as well as ornamental, and will be a source of pleasure to the bride in her new home. Among them was a mop, with a bright red handle, tied with an elaborate yellow ribbon, and was the gift of Mr. Edward Weller.

Those present were: Mrs. A. L. Lovelace, Mrs. Charles E. Fuller, Mrs. Wm. F. Babcock, Mrs. William Thielson, Mrs. Bertha Darby, Mrs. Charles Tillson, Mrs. Homer Smith, Mrs. Chas. A. Fraeland, Mrs. Carey F. Martin, Mrs. W. D. McNary, Mrs. Rose Chamberlain, and the Misses Claire and Jessie Holmes, Annie Biesen, Nan Wagner, Gertrude Moore, Sue Tillson, Elma Weller, Dot Berry and Kate Carmichael.

Honor Salem Lady

Mrs. A. T. Steiner, of Roseburg, held a very pleasant reception at her home at that place Wednesday afternoon in honor of her sister-in-law, Mrs. F. H. Berger, of this city.

Immediately preceding the ceremony Mrs. H. S. Gile, of Salem, sang "Oh, Promise Me," in a very beautiful manner. Promptly at 2 o'clock, the strains of Lohengrin's march, the contracting parties entered the parlor, which had been very tastefully decorated for the occasion.

During the performance of the ceremony the room was filled with harmonies of wedding music. Mrs. F. W. Cliffe, of Salem, presiding at the piano. The bride was beautifully gowned in simple white, with trimmings of Oriental lace, and carried a shower bouquet of white chrysanthemums.

The decorations were the work of Miss Nina McNary and Mrs. H. S. Gile, both intimate friends of the bride, and were profuse and beautiful.

After the ceremony and congratulations the guests repaired to the dining room, where a bounteous wedding dinner was served. Miss Leoline Skafie, Miss Lina Phillips, Miss Alice Shepard and Mrs. Frank Crawford served at the tables.

The couple were the recipients of many handsome and valuable presents. They took the afternoon train for Portland, and from there will go to Washington to make a tour of the Sound cities. On their return they will take up their residence at the home of Mr. and Mrs. C. D. Henry, who expect to move out town and leave the farm in the care of their son. They will thus have one of the finest country homes in the state.

The bride is a graduate of the normal department of Willamette university, and was one of the most popular students at that institution.

The groom is one of Polk county's most popular and progressive young farmers, and is a leader in his community. They begin their wedded life with the best wishes of a host of well-wishers.
