Smiles

Which would you rather have, ladies, a fine complexion, or the ballot?

You can tell the ladies who go out into the Oregon mist—they have fine complexions.

Williams, the leader of the Democracy of the house, is right in wanting the Democrats to compose the minority of committees in congress to be harmonious and agree on important policies. There is no other way to secure important legislative results.

More Observer: The Oregon City Enterprise celebrated its 40th year last week. D. C. Ireland started the Enterprise in June, 1866, therefore the 40th year does not begin until next June. The Astorian was started July 1, 1873, also by D. C. Ireland. It claims to be 43 weeks into its 53th year. How it has gained 23 years in 32 is a mystery.

The Oregon Daily Journal, in commenting upon the question of railroad and franchise assessment in Oregon, says: The question of railroad assessment should be considered, and some plan of uniformity adopted. It is not right for a railroad to be assessed \$10,000 or \$12,000 a mile in one county and only \$4000 or \$5000 a mile in another.

Seldom is the humor in a calamity or a catastrophe, but the following press telegram has a touch of it: During the pandemonium among the passengers of a Wisconsin Central train when it was struck by a freight train west of this city, Mrs. T. B. Christian

from Tacoma en route to Yager, W.W. Va., gave birth to a child. She was brought to a hospital here. No one was seriously injured.

Hon. John S. Richie, of Scotts Mills, was in town Tuesday, and says he will try for the nomination for state senator. He was in the last legislature, which is the estimation of the people is always the worst. Well, if John can get there he will be a good one. But it is not likely, as his hands are calloused and searred up with grubbing and farm work, and could no more be manicured than a mule's hoof. Besides they are altogether too big to slip out and in easy between the bars at the window of the treasurer's office. He made almost no record at all as a grafter in the last session.

Honorable Scars.

"My goodness, what a fright he is! All his front teeth are gone."
"Yes, he lost them playing football."
"Oh, how perfectly grand! Introduce him to me, won't you please?"—Chicago Record-Herald.

CASTORIA.

The Kid You Have Always Bought

to Yaquina bay.

Other Health Resorts Closed. During the winter nearly all other health resorts are closed or difficult to reach, and none of them have the advantages of Newport and vicinity as regards climate, points of interest, recreation and amusement. For parties desiring to enjoy fishing, hunting, or seeing the ocean in sunbathing and storm this famous resort is unequalled. The surroundings are ideal—beautiful scenery, climate mild, healthful and invigorating.

Cottage and Rent Cheap.

Nest clean cottages, either furnished or partly so, can be rented in the immediate neighborhood of the sanitary baths at about \$5 per month. Plenty of fresh milk, vegetables, honey, fruit, and all household necessities can be obtained at the lowest possible cost, while all kinds of fish and the famous rock oysters can be had in abundance for the trouble of securing them.

People troubled with the loss of appetite, anæmia, rheumatism or run down from any cause, will find Newport an ideal place to regain their health and vigor, or for rest and pleasure.

Full information as to rates, checking of baggage, etc., can be obtained from any S. P. or C. E. agent, or from A. L. Craig, general passenger agent S. P. Co., Portland; or J. C. May, general passenger agent C. & E., Albany, Oregon.

Rates from Salem to Yaquina, \$4.50.

All Fixed.

"I want to tell you, old man," said Krotchett, "how thoroughly ashamed I am of the temper I displayed last night. Your wife and sister must have thought me crazy."
"No, they didn't," responded Brightley, "I fixed that all right."
"Ah, so good of you, old man!"
"Yes, I told them you were drunk."
