LION AND THE LAMB

City Council Played Prodigal Son, and Took a Big Feed on Veal

The lion and the lamb laid down together last night, in the city council, but the lamb was, most of it, inside the lion. It was a Republican lion and a Democratic lamb, and if there are any symptoms of appendicitis in the council, The Journal readers will know what the trouble is.

The smooth Republicans got in their work and absorbed the Democratic contingent.

When they had finished and the feast was over, all that remained of the former city officers were Fire Chief Savage, Engine Driver W. H. Phillips and the poundmasters in wards five and six. The offices of health officer and day policeman were abolished, the two night policemen, street commissioner, city attorney, engineer of the fire department and driver of the hose wagon were all removed to give place for new men. As the result of the combine the Democrats have the satisfaction of having one Democrat and one Independent on the police force, and a Democrat as pound master in the seventh ward.

The winning faction had adopted George C. Brownell tactics, and carried off their program without a hitch: Following are the officers elected: Fire chief—Mark H. Savage. Engineer—Clark N. Churchill. Engine driver—W. H. Phillips. Hose driver—Ed. L. Townsend. Street commissioner—W. L. Skipton. Policemen—J. J. Lonsore, J. L. Busick.

City Attorney—A. O. Condit. Poundmasters—Fifth ward—J. C. Marsh. Sixth ward—E. T. Malvin. Seventh ward—A. Kniskern.

As was expected the greatest fight came when the election of the police force was reached, and at that time a petition, signed by a long list of business men was presented, asking that Lewis, Murphy and Shedeck be retained and when these men were placed in nomination there was applause from the crowd which packed the hall to its fullest capacity, but when the election of each of the police was announced, not a sound was heard and the "stillness of death reigned supreme." The vote in each case was eight to seven.

The six councilmen who, with Mayor Waters, voted solid for Republican officers, are as follows: Acheson, Downing, Wallace, Churchill, Skaffe and Baker. The eight who voted solidly for the Democratic officers are Gessner, Gondale, Low, Jacobs and Haas (Reps), Steusloff, Bayne and Fraser (Dems).

There was some other business transacted last night, besides the election of officers. Six liquor licenses were granted to the Standard Liquor Company, one to Conner and one to Neusbaum.

Mayor Waters delivered his annual address, which was received with great applause. Alderman Steusloff moved that a committee of three be appointed to take the message and refer the several recommendations made in it to the respective committees. Steusloff, Haas and Churchill were appointed.

The gambling ordinance also came up for third reading, and was passed with but one dissenting vote. The ordinance is very similar to the present state law upon the subject, with the exception that it provides that a witness in any case can have his testimony reduced to writing, and will then be exempt from any prosecution in regard to the case in which he has given testimony. This section was put in to give the officers better opportunity to secure evidence for prosecutions.

Councilman Franklin Of Frankfort, Ky., Recommends Vinol as the Best Cure for Stomach Troubles.

"To Whom It May Concern:—After suffering for years with dyspepsia and stomach troubles, and trying all kinds of medicines without help, I wish you would publish for the benefit of others how I found a cure in the cod liver oil preparation, Vinol.

I found Vinol delicious to take, without oil or grease; it did not upset my stomach like the old-fashioned cod liver oil and emulsions, and its strengthening properties are truly remarkable. It entirely cured my stomach trouble, and I can eat heartily at any time of day or night without the slightest distress. Vinol tones up the stomach, increases the appetite and creates strength."

What Vinol did for Councilman Franklin, our druggists, G. W. Putnam Co., of this city, guarantee it will do for every person in Salem suffering from a tired, over-taxed or worn-out stomach which cannot properly digest food.

Vinol contains no drugs, but it does contain all the vital principles of cod liver oil, without the system-clogging oil.

We ask every person in Salem suffering from stomach troubles, or every run-down, weak, debilitated or aged person to try Vinol, on our guarantee to return money if it fails to give satisfaction. G. W. Putnam Co., druggists.

Sickening, Shivering Fits. Of ague and malaria can be relieved and cured with Electric Bitters. This is a pure, tonic medicine, of especial benefit in malaria, for it exerts a true curative influence on the disease, driving it entirely out of the system. It is much to be preferred to quinine, having none of this drug's bad after effects. E. S. Munday, of Henrietta, Texas, writes: "My brother was very low with malarial fever and jaundice, till he took Electric Bitters, which saved his life." At J. C. Perry's drug store; price 50c, guaranteed.

Cured Lambago. A. B. Cannon, Chicago, writes March 4, 1905, "Having been troubled with lambago at different times and tried one physician after another, then different ointments and liniments, gave it up altogether. So I tried once more and got a bottle of Ballard's Snow Liniment, which gave me almost instant relief. I can cheerfully recommend it, and will add my name to your list of sufferers." Sold by D. J. WHO WANTED THE OLD MEN.
Petition of Nearly All of Salem's Business Men to Retain the Old Police Force.

Since the statement is being freely made that only a few business men petitioned to have the old police force retained, it will be interesting reading to read the petition as it was filed, and the same is given below:

To the Honorable Mayor and Common Council of the City of Salem, Or.:

After Digestion—What?

It's not enough to digest your food, and reduce it to pulp or liquid inside you, but it must also be properly absorbed, carried to the proper organs, filtered, purified, and carried by your blood to the various parts of your body which are worn out and stand in need of repair.

This is a system of complicated machinery, engineering, chemistry and physics, before which all of man's most wonderful achievements since the world began pale into insignificance.

And, when you come to think of it, next to the marvel of any complicated piece of mechanism itself, is the man who, when it has broken down, can repair it and make it go again.

Stuart's Dyspepsia Tablets. Really, the most marvelous achievement in the vast field of man's many-sided endeavors.

A perfect machine, which never fails to cure, or set in running order again, the complicated mechanism of man's internal digestive arrangements.

The secret of the great success of Stuart's Dyspepsia Tablets is simply this, that they have been prepared from the firm foundation of the most thorough research into the real origin and cause of all disorders, due to the improper digestion and absorption of food.

Knowing the cause, further research led to the knowledge of how to relieve and cure.

Stuart's Dyspepsia Tablets are the only medicine founded upon certain scientific rules of treatment, which make success a certainty.

They penetrate into all the channels of your being, into the minutest arteries, the finest lymphatics, the faintest tracery of nerve tissue; and renew, build up, refresh, and restore to health every disorder which improper food, poor digestion, or incomplete absorption has caused, in any portion of your anatomy.

No need to consult a physician. At the least sign of distress after eating take Stuart's Dyspepsia Tablets.

On the least pain or discomfort in stomach, liver, back or bowels, take Stuart's Dyspepsia Tablets.

For any craving for improper food, continual hunger, continual thirst, or loss of appetite in greater or lesser form, take Stuart's Dyspepsia Tablets.

By following these simple rules you will save yourself much pain, suffering and discomfort, and will add greatly to your span of life.

Stuart's Dyspepsia Tablets will make you live long and happily. Try them. Book on dyspepsia free. Address F. A. Stuart Co., Marshall, Mich.

A Pleasant Way to Travel.
The above is the usual verdict of the traveler using the Missouri Pacific railway between the Pacific coast and the east, and we believe that the service and accommodations given merit this statement. From Denver, Colorado Springs and Denver there are two through trains daily to Kansas City and St. Louis, carrying Pullman's latest standard electric-lighted sleeping cars, chair cars and up-to-date dining cars.
