TACKLE TAXATION REFORM

Campaign in Marion County Opens Tuesday Night at Liberty

The people of Liberty have decided to hold a meeting Tuesday evening, at the school house, and help promote the indirect taxation reform. The people generally want less direct taxation and more direct elections. Direct nomination and the iniative and the referendum are going to be the battle cry. The taxpayers have little or nothing to expect of the legislature, tied up as it will be with the election of two United States senators.

Petitions for the bill to tax the gross earnings and intangible property of corporations are in circulation all over Western Oregon, and the work must be done in two weeks. Volunteers are wanted in Salem, and every signature to the petition will count in wiping out the state tax.

The Development League and Citizens' League, of Baker county have undertaken to get 1000 signatures. Yamhill county promises 1000 names Coos county promises 1000 names and Lane county 2000 names. Let the good work go on. There will be no relief from high taxes on any other line. The gross premium tax on insurance companies enacted by the editor of this paper, when in the legislature ten years ago, is producing $60,000 a year state revenues. Let the rest of the untaxed corporations pay the same rate, and no state tax will be needed.

Let us hear from private citizens and taxpayers generally on this matter, and this reform will be won. The first petitions are coming in. Seven thousand five hundred names are needed. Let us make it ten thousand. If this work is not done by the taxpayer and business man it will not be done. The Willamette Valley Development League has no funds to hire any one to circulate petitions. The woman suffrage bill, the local option bill, all of Mr. U'Ren's amendments are being circulated by persons paid for their work. This bill for the direct relief of the taxpayer must go upon merit or not at all. Let us do our part, and wipe out the state tax, which last year amounted to $6.20 on the $1000 of assessed valuation, and the Lord only knows what the next legislature will do.

For Sick and Nervous People.

We have a cure for nervous and unsteady people; weak, fleshless people, and pimply, pale or sallow people; people who are troubled with loss of ambition, failing memory, depression of spirits, lack of confidence, nervous headache and wakefulness; all these symptoms are produced by weakened nerves, brought on by the watery condition of the blood. Make strong, rich, red blood, and furnish food for the nerves is the way to stop the source of disease, and the cure then is only a question of days. The best flesh and blood builder is Dr. Gunn's Blood & Nerve Tonic, in tablet form to take at meal time. Sells at 75c a box, or three boxes for $2, at all druggists. People gain from one to three pounds of solid, healthy flesh per week, by the use of this medicine. That is an indication it is doing good.

ONLY "LINE" MEN VOTE.

Independents Have No Right to Cast Ballots at Primaries.

Secretary of State Dunbar calls attention to the fact that at the primary election in April, only two parties can participate, the Republicans and the Democrats, being the only ones that cast sufficient votes at the last election. Official ballots will be prepared, the Republicans printed on white paper and the Democratic on blue paper.

No one will be allowed to vote at the primary election who has not registered as a Republican or a Democrat. An independent Republican or independent Democrat cannot be supplied with official ballots by the judges.

In Marion county a number have so registered. The law is very explicit on this subject. It is made an offense under the law for an elector to offer to to vote at the primary election unless duly registered as a Democrat or Republican.

Jackson's Memory is Honored.

Evansville, Ind., Jan. 8.—The Hendricks club, which now has a membership of about 400, will celebrate Jackson day this evening by a big banquet. Governor Folk of Missouri and leading Democrats in all parts of the country have been invited. The new mayor of the city, John W. Boehme, will act as toastmaster.

Portland, Or., Jan. 8.—The Democrats of this city will celebrate Jackson day today by holding a big meeting this evening, at which the members of the state central committee, the Multnomah Democratic club, the Young Men's Democratic club, and many prominent Democrats from other parts of the state will be present. A number of distinguished orators will address the mass meeting.

Oklahoma City, Oklahoma, Jan. 8.—Lewis F. Post, the Chicago editor and single tax advocate, will be the principal speaker at the Jackson day banquet which the Jefferson club of this city has arranged for tonight at the West hotel. It is expected that municipal ownership will be the keynote of the speeches at the banquet tonight.

Lafayette, Ind., Jan. 8.—Following its custom in former years the Jackson club of this city will honor the memory of Andrew Jackson by a big banquet this evening. Many distinguished Democrats of national reputation have been invited and it is expected that there will be an exceptionally interesting gathering of Democratic leaders at the banquet tonight. Last year William Jennings Bryan was the principal orator of the Jackson day banquet.

New Orleans, La., Jan. 8.—The anniversary of the battle of New Orleans was observed here generally today. The day is a legal holiday in the state of Louisiana. All the flags on the city, state and federal building were raised in honor of the day, and many patriotic societies will give banquets and memorial celebrations in the evening.

New York, Jan. 8.—Flags were raised all day on all the public buildings in honor of Jackson day, the anniversary of the day on which Andrew Jackson, later President of the United States, routed the nglish in the battle of New Orleans. As in former years, the members of the Veteran Corps of Artillery will hold a meeting in the governor's room of the city hall, with addresses by prominent orators, and followed by the customary Jackson day banquet. The banquet will be held at Delmonico's.

The Veteran Corps of Artillery was organized in the City tavern, at the corner of Broadway and Thames street, in November, 1790, by officers and soldiers who had served in the Continental corps of artillery in the Revolution. After the War of 1812 another body of ex-soldiers was formed, calling itself "The Society of the War of 1812." Later this consolidated with the Veteran Corps of Artillery. The last of the original members was Hiram Cronk, the veteran who died last years. The corps has, at present, 110 members, among them many prominent men, like Rear Admiral Rodgers, Rear Admiral Allen, Asa Bird Gardiner Charles A. Schermerhorn, Perry Belmont, Loyall Farragut, M. Livingston Delafield, Calvin Tompkins and Howland Pell.

Rev. Carlysle B. P. Martin, L. L. D.

Of Waverly, Texas, writes: "Of a morning, when first arising, I often find a troublesome collection of phlegm which produces a phlegm and is very hard to dislodge; but a small quantity of Ballard's Horehound Syrup will at once dislodge it, and the trouble is over. I know of no medicine that is equal to it, and it is so pleasant to take. I can most cordially recommend it to all persons needing a medicine for throat and lung trouble." Sold by D. J. Fry.

Laundrymen Meet.

Oklahoma City, Okla., Jan. 8.—The laundrymen of Kansas, Oklahoma and Indian Territory opened their annual convention here today with an exceptionally large attendance.
