BOTH LODGES INSTALL

The members of the A. O. U. W. and the Degree of Honor met in the Holman hall Monday night for the purpose of participating in a joint installation. The hall has been rejuvenated and the change is enjoyed by all. The heavy canopies which have filled the corners for the past years have been removed and walls have been repainted. Six large are lights have been installed, which are a great improvement on the old lighting system. In fact everything has been made fresh and clean, and the lodges that meet there have just cause to be proud of their new home.

Mrs. Harriett C. Looney, grand chief of ceremonies, was present as installing officer of the Degree and inducted the following officers for Salem lodge No. 19, and Viola lodge No. 88.

Mrs. Fred L. West, Mrs. Ella Donaldson, past chiefs; Mrs. B. F. West, Mrs. Ruby Pousade, chiefs of honor; Mrs. Anna Miller, Mrs. Eliza Albright, ladies of honor; Mrs. Lucia Crossan, Miss Emma Wolfe, chiefs of ceremony; Mrs. Lucretia Burton, Mrs. Viola Mason, recorders; Mrs. Mary Thatcher, Miss Edith Darr, financiers; Mrs. Carrie M. Holman, Mrs. Anna Anderson, receivers; Mrs. Mildie Pugh, Miss Anna Sonstrom, ushers; Mrs. A. Bailey, Mrs. A. Anderson, I. W.; Mrs. Nettie McFadden, Mrs. Sylvia Ferrell, O. W.

Frank Davey, as deputy grand master, performed the same ceremony for Protection lodge A. O. U. W., and placed the following in their seats for the next six months: S. A. McFadden, P. M. W.; D. P. Wright, M. W.; Geo. Donaldson, P.; Fred H. Anderson, O.; A. E. Aufranc, recorder; W. T. Rigdon, financier; J. S. Pennybaker, receiver; Geo. A. Shultz, guide; Clarence Mason, I. W.; Emil Donaldson, O. W.

The drill team of the Degree of Honor put on the work for both installations in splendid style and received great applause at the close. Following installation a short program was rendered. Miss Laura Pugh and Master Usher playing two charming solos on the piano. Mrs. Looney delivered a short address of cheer and encouragement, which was heartily received. S. A. McFadden also gave a nice talk along the line of lodge attendance, and another brother handled "Fraternity" in a short address. On the whole, it was the finest meeting of those orders in several years.

Deafness Cannot Be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When the tube is inflamed you have a trembling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O. Sold by druggists, 75c. Take Hall's Family Pills for constipation.

Are you tired of paying Blunder Taxes?

Many a business man pays as much money for the luxury of blundering as a steam yacht or a private touring car would cost.

"Blunder Taxes" cannot be evaded—whatever else waits, these must be paid. If a business man gets into the habit of making the same blunders more than once, the taxes will soon amount to confiscation.

"Blunder Taxes" are levied with amazing frequency upon store advertisements. Among the blunders which are assessed at "full value" in advertising are these:

Selection of poor mediums; Using too little space in good mediums;

Devoting less attention to preparing the daily store advertisement than to the storing of some empty boxes in the basement;

Stopping the ad altogether for one or more days now and then;

Figuring the advertising appropriation on the basis of what you can "afford" after all other expenses are provided for;

The use of "programs," schemes, circulars, posters, fence-signs, placards and jim-cracks, under the impression that you are securing real publicity, and that somewhere, somehow, sometime someone will be influenced by some of these things to come to your store and buy something.

YOUR "BLUNDER TAX" BILL GROWS SMALLER AND SMALLER AS YOUR USE OF NEWSPAPER PUBLICITY GROWS BIGGER AND BIGGER.

Continuous Publicity In

The Journal

Will prevent paying "Blunder Taxes"
