High School Tryout.
The literary societies of the Salem high school held their annual tryout debate last evening for the purpose of selecting a team to represent the school in its contests with other high schools during the year. The question debated was "Woman Suffrage," and the negative defenders were awarded the decision. Rex Turner, Ralph Moores and Rex Utter were selected as the three best debaters, and will therefore compose the team, with Verle Goode as alternate.

The judges were Prof. Boyer, of Willamette University; Attorney W. M. Kaiser, and Frank Davey, of the Statesman.

Demis Harding, Perry Belgemans, Rex Utter and Verle Goode, represented the affirmative side of the question while Ralph Moores, Ross McIntyre, Rex Turner and Chas. B. Harrison defended the negative.

Willamette Won.
The Willamette University basketball team last night defeated the Pacific college team at Newberg by the score of 21 to 18. The score hardly represents the comparative strength of the teams, for had the Willamette boys been more careful in fouling their opponents would not have had a look-in. The Quaker boys made 12 of their 18 points on free throws from the foul line. Both teams played hard, and it was not an uninteresting contest.

Lloyd Whipple, the big center on the Salem team, was the star of the game, with the ability of Gray to throw fouls for the Newberg team, made him their best point guard.

The game demonstrated the fact that the local boys are going to be able to play the game before the season closes. The first game to be played in this city will be with the University of Oregon next Friday evening.

The Big Excursion.
Among the Salem people who are going to California tonight on the big Oregon excursion are Hal D. Patton, Fred Stensloff and wife, A. N. Moores, D. J. Fry and wife, John H. Albert, Mr. and Mrs. F. K. Spaulding, Mr. and Mrs. C. L. Parrish, E. T. Barnes, Clarence Hamilton, George W. Gray, Mrs. George Waters and Mrs. E. E. Waters. Miss Julia McCully, of Joseph, niece of Hal Patton, will also accompany the Salem delegation. The train will arrive at 9 o'clock this evening, and will stop five minutes.

C. B. Moores and family accompanied by the Misses Carrie and Bertha Moores will leave next Wednesday for an extensive tour of California.

Pronounced Insane.
Fred Geir, the young man who was brought in from North Stayton yesterday evening by Deputies Minto and Esch was examined as to his sanity this morning and committed to the asylum. This is a particularly sad case, as he is a young man of considerable means and much promise.

For Sale.
About 2000 feet of inch pipe for steam or gas, very cheap. A. M. Hanson, at plating mill, corner Mill and Church street. 1-13-31

Work for Bayne.
Ed. Journal: Before Alderman Bayne spends any more time making Salem a dry town and a closed town and a moral town, and other things in that line, will he not please have that sidewalk repaired along the property he is agent for, and which was reported to the council some weeks ago as having seventeen holes in it? We are all anxious for moral reforms, but we must walk on earth for awhile yet, and that walk is used by about half the children who attend Lincoln school, by half the people who attend the Lewis M. E. church, and by hundreds of his constituents. It is a small matter, but of far more importance to us than the policies to be pursued in the Ferry street red light district. The walk is positively dangerous, day or night, and as our alderman now has a strict commissioner of his own choice this should be delayed no longer than possible.
SEVENTH WARD.

Improvement League.
The people of the fifth ward have formed an improvement league, to look after the general progress of that part of the city. Following the example of the people of the seventh ward, they will try to secure a macadamized street and sewers and sidewalks and park improvements. Alderman Frazer was elected president and Motorman James secretary, to make it go. J. E. Murphy was chosen vice-president and a committee appointed to draft a constitution and by-law. Fifteen members were enrolled, and they will meet again Tuesday, January 23d.

Funeral of H. C. Englebart.
The funeral of H. C. Englebart, of the Evangelical church, who died Tuesday, January 9th, will be held from the residence, next door to Asylum Avenue store, on Sunday, January 14th, at 10:30 a. m. Preaching and services at Liberty and Center street churches, by Revs. Manser and Hoffman, German and English. Deceased leaves five sons and one daughter, who will all be at the funeral. They are Rev. C. C. and Charles W., of Minnesota; L. B. and John P., of Spokane; Mrs. Sophia Weiser, of Los Angeles, and Rev. Englebart, of this city. Burial will take place at Canby Monday in the family cemetery at that place.

Excursions Every Hour.
In order to give the people of Salem an opportunity to see the beautiful country south of Salem, and to see the development being made by the company, the Citizens' Light & Traction Company will run excursion cars to the rock quarry, south of Odd Fellows' cemetery, leaving the Willamette hotel on even hours. Enjoy a pleasant ride, and see for yourself. if
