A Grim Tragedy.

It is daily asserted in thousands of homes, that death claims, in each one, another victim of consumption or pneumonia. But when coughs or colds are properly treated, the tragedy is averted. F. A. Hunter of Oaklandon, Ind., writes: "My wife had the consumption, and three doctors gave her up. Finally she took Dr. King's new Discovery for consumption, coughs and colds, which cured her, and today she is well and strong." It kills the germs of all diseases. One dose relieves. Guaranteed to cure for \$1.00 by J. C. Perry, druggist. Total bottle free.

The case has been so busy dodging that he has not had time to suggest that the whole matter be taken to The Oregon for settlement.

To Build Up The Sunday Schools

Each Saturday morning in January the Y. M. C. A. allows all the boys attending Sunday school to have an hour in the gymnasium without cost. The boys get their Sunday school superintendent to sign their card of admission.

As a result of this one Sunday school teacher reports five new scholars; one of the boys reports two companions joining the Sunday school; Several superintendents have remarked on the increased attendance in the boys' classes.

Some persons have a mistaken idea that because a boy likes the gymnasium work, he loses interest in the Sunday school and church, while really the Y. M. C. A. acts as a feeder to the Sunday school and church. This mistaken opinion is held by those who have never visited the association.

Any boy over 12 can join the Y. M. C. A. Boys' Club for 5 cents per month. Membership in the association, including gymnasium, costs \$3.00 per year for boys from 12 to 15.

State News

Some School Law.

In answer to a number of questions by the state superintendent of public instruction, the attorney-general yesterday rendered an opinion, in which he holds that it requires a two-thirds vote to order a change of school house site; that a meeting can be called with 30 days' notice, but not less than a 10-days' notice; that the heirs of an estate on which they are paying taxes are entitled to vote at school elections; that any otherwise qualified elector, who is the head of a family, and has children of school age in the district, can vote in the districts of the third class; and that the payment of a tax on personal property, provided the personal property appears on the assessment rolls, entitles a man to vote.

Deafness Cannot Be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When the tube is inflamed you have a trembling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surface.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.
