

PROTECT YOUR BOOKS!

They're too valuable to be strewn about the room or house exposed to dust and damage! Of course you can't help it, if your book-case is full and of the old style solid construction. Better get rid of such a case, or start a new one that will always accommodate your books without being either too large or too small—one that grows with your library and always fits it. The

Globe-Wernicke "Elastic" Book-Case

is the original and only up-to-date sectional book-case and is made by the largest manufacturers of such goods in the world. It's furnished in a variety of grades, sizes and prices, adapted to any and all requirements. It's a system of units, each unit fitted with the perfect dust-proof roller-bearing door. But we'll be glad to show them if you call, or will send illustrated catalogue on request.

Attacks Tooze in Yamhill

(Continued from page one.)

ence are supposed to be for Hawley, as the only other candidate for the congressional nomination. Here is the list as printed with the comment:

List Claimed Against Tooze.

The senators are as follows:
Dr. J. A. Richardson
Ex-Governor William P. Lord
John B. Loomer
W. H. Hobson
Alonso Gessner
N. H. Loomer
Baptist Farrar
Judge William Waldo
Jacob Voorhees
Edward Hirsch
I. L. Patterson
L. J. Adams
E. M. Croisan

Of all these men the only one who is supporting Tooze is L. J. Adams, of Silverton.

The representatives are:
John Minto
A. N. Gilbert
D. W. Craig
M. L. Jones
Judge J. J. Murphy
William Armstrong
John Q. Wilson
John G. Wright
Joseph L. Calvert
Abner Lewis
Henry Keene
Old John M. Poorman
Frank Davey
Jerome D. Simmons
Thomas B. Kay
J. G. Graham
E. Hofer
Ex-Gov. T. T. Geer
Thomas Ford
W. T. Bigdon
Dr. W. A. Cusick
Judge John B. Waldo
Joseph A. Baker
Chas. B. Moore
W. L. Cummings
C. D. Hartman
Lot L. Pomeroy
Dr. J. N. Smith
Ed. T. Judd
J. H. Bettlesimer
John S. Michie
A. M. LaPullett

Of all these 22 men the only known supporters of Tooze are Graham, LaPullett and Hofer, and of these three the only active worker is E. Hofer, of the Capital Journal, who is managing Tooze's campaign.

The above list does not include all the senators and representatives in this county, and does include the names of men who are not in Oregon, and whose views could not be ascertained if they would give them.

A Word About the Above.

The Journal will not attempt to advertise the preferences of the above gentlemen. Some of them were admirers of Hon. C. B. Mason, and many now favor Hawley or Tooze. Mr. Tooze probably has as many friends in the list as Mr. Hawley. Certainly a man as active in pre-election campaigns in Marion county as Tooze has been, would have some enemies political. He has battled in primaries, county conventions, district conventions and state conventions, and has never hidden or skulked behind anyone. He probably has more enemies than some man like Mr. Hawley, who has been in the thick and turned of Republican conventions very little. It can be confidently stated, and without fear of contradiction that a majority of the above gen-

and they will find the man from Woodburn ready for them.

Unfair Campaign Methods.

Any would-be political leader who goes to printing the names of other prominent politicians, and pretending to array them against this man or that man is not only employing unfair campaign methods, but **SHOWS HIS IGNORANCE OF ORDINARY POLITICAL COURTESY.** If it were true that all the above named Republican leaders were against Mr. Tooze, would they consent to be thus published as a campaign argument for Mr. Hawley? As a matter of fact, no man knows how these gentlemen will vote, and none of them have publicly declared that they are against Mr. Tooze. Most of them—every one of them—has been supported by Mr. Tooze at some time in the past, and may be again. Most of them have been entertained at the home of Mr. Tooze in campaigns, and most of them have been helped with Mr. Tooze's ability as a campaigner, and with his time and money spent in the interest of the Republican ticket. How many of these men will stand it to be thus paraded and placarded as the leaders of the 1000 majority that is to be rolled up against Mr. Tooze and for Mr. Hawley in Marion county, at the coming primary? It is Tommyrot politics that puts Republicans in such a false light. It cannot hurt Mr. Tooze. It will hurt Mr. Hawley, if it can be traced to him or his friends.

A Word About Newberg.

Mr. Tooze was born and raised near Newberg. He has many friends there. He is not afraid to go there and leave his case to the judgment of the people of Newberg. The man who is the main leader of the fight there on Mr. Tooze was a candidate for mayor at the recent city election. He was turned down in the primary, and then became a voluntary candidate, and was defeated again, carrying his own ward by only three votes, the opposing candidate being elected by a large vote. The campaign of mud-slinging is directed at Mr. Tooze, and he particularly invites the gentlemen who want this nomination to meet him on the vital issues before the people, and not on personal mud-throwing. The insinuation that the editor of the Journal is Mr. Tooze's campaign manager is unfounded. He did write some letters for Mr. Tooze while that gentleman was East attending a fraternal congress as del-

egate from Oregon. The Journal editor did go to Coos county, and if Mr. Hawley or Mr. Huston is the Republican nominee, he will be glad to go with either of them, or for them, if his services were needed. If Mr. Hawley countenances the above attack on Mr. Tooze, he will need several friends to introduce him in Coos and other counties if he hopes to be elected.

Spoiled Her Beauty.

Harriet Howard, of W. 34th street, New York, at one time had her beauty spoiled with skin trouble. She writes: "I had salt rheum or eczema for years, but nothing would cure it, until I used Bucklen's Arnica Salve." A quick and sure healer for cuts, burns and sores. 25c at J. C. Perry's drug store.

Salem Girl a Good Talker.

At the annual oratorical contest between the juniors and seniors for the class of '04 prize, at the McMinnville college, Miss Florence L. Laufman was awarded the first prize and Dolph Olds the second.

Miss Laufman formerly lived in this city, where she attended school, having graduated from the East school in 1902. She is a bright student and always excelled in oratorical work.

Greatly in Demand.

Nothing is more in demand than a medicine which meets modern requirements for a blood and system cleanser, such as Dr. King's New Life Pills. They are just what you need to cure stomach and liver troubles. Try them at J. C. Perry's drug store. 25c, guaranteed.

A Pleasant Way to Travel.

The above is the usual verdict of the traveler using the Missouri Pacific railway between the Pacific coast and the east, and we believe that the service and accommodations given merit this statement. From Denver, Colorado Springs and Denver there are two through trains daily to Kansas City and St. Louis, carrying Pullman's latest standard electric-lighted sleeping cars, chair cars and up-to-date dining cars. The same excellent service is operated from Kansas City and St. Louis to Memphis, Little Rock and Hot Springs. If you are going east or south, write for particulars and full information.

HOW PIANOS ARE SOLD.

Good Pianos That Bring Better Prices After Years of Use.

There is a good deal said these days about low prices on pianos and the numerous special sales to advertise great cuts in profits. But did you ever think that in order to get a profit at a special sale, the profit on a piano at regular sale must be much greater? There are some stores who are not having special sales, but where pianos can be bought equally low. And good pianos, too. Better than many special sale pianos at higher price.

Let Me Illustrate.

Four years ago I sold a piano to a person living on the Silverton road, Howell Prairie, for \$150. After using the instrument four years he has sold it for the price he paid, and had the four years' use for nothing.

Another instance: I sold a piano for \$140 to a customer living near the Wallace farm. Some amateurs attempted to move the piano up stairs, and badly scratched the varnish. A year later the piano was sold, in its damaged condition, for \$150 cash, ten dollars more than it cost them new.

Last week a second-hand piano was advertised at a closing out sale for \$145. This piano was sold by me three years ago for \$70.00, and at the same time I sold an organ for \$60.00. It certainly pays the buyer to call and see my pianos, and get my prices before purchasing. The above instances show that a piano bought from me is a money-making investment. It is only a good piano that will stand the wear and tear of time, and then sell for more than the original cost.

Will Exterminate Fruit Pests.

Fruit Inspector E. C. Armstrong, of Jefferson, was in Albany Saturday and met about 30 of the prominent orchardists of Linn county in an effort to show them the best methods of exterminating the fruit pests which are killing the fine trees in that county. The meeting was an enthusiastic one, and Linn county men will lose no time in going about the matter. Mr. Armstrong's address was short and to the point. He described the San Jose scale, the pest most prevalent in that vicinity, and

gave several formulas for spraying would destroy it.

Mr. Armstrong is doing good and the people should heed his instructions, and thereby gain better from their orchards.

A Grim Tragedy.

Is daily enacted in thousands of homes Death claims, in each case, a victim of consumption or pneumonia. But when coughs or colds are early treated, the tragedy is averted. G. Huntley of Oakland, Ind., took Dr. King's new Discoverer, consumption, coughs and colds cured her, and today she is as strong. It kills the germs of disease. One does relieve. Guaranteed at 50c and \$1.00 by J. C. Perry, druggist. Trial bottle free.

The Ocar has been so busy that he has not had time to take the whole matter to the Hague for settlement.
